Dear Mr. Hauptmann,

On behalf of the Board of Directors and membership of the National Association for Civilian Oversight of Law Enforcement (NACOLE), I would like to thank you and the entire Riverside Community Police Review Commission (CPRC) and staff for your support and contributions to our 21st Annual Conference, *Many Roads to Reform*, in Riverside, California.

In addition to the work and support of the CPRC, your remarks and your presence provided a context for the conference and gave attendees a strong sense of the important role civilian oversight has in the greater Riverside community.

I also want to say how wonderful it was to work with you and the CPRC in planning for the conference – our biggest conference to date, by far. NACOLE relies heavily on our local host and partners, and we could not have asked for better partners in this effort.

Again, thank you for your part in our Annual Conference. We appreciate your part in helping to make it a success.

Kind regards,

Brian Buchner
President
