Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor?  Yes  No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

**COMMUNITY POLICE REVIEW COMMISSION:**

Have you ever been convicted of a felony or misdemeanor?  Yes  No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

**Addendum: Susan Cash**

**WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:**

I love Riverside, and would appreciate being a participant in the shaping of the city. I bring the long-view of our city, recognizing the “big picture” and an understanding of the detail needed to plan for the future. I’m very interested in helping to find solutions to the housing needs for the wide spectrum of our residents; to enhance our quality of life; and the desire to create opportunities for the growth of commercial enterprises in support of our city’s innovations and successes.

**EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREAS OF INTEREST**

In both my professional and personal life I have a successful record of working productively with others in synthesizing complex issues with an understanding of policies and processes. I have experience in administrating a large public university, and productive collaboration with others in achieving successful outcomes. An example was membership on the Public Utilities Board: I led the updating of Board policies, actively participated in development of the strategic plan - Utilities 2.0, and chaired the Board through a complex year.

**EDUCATIONAL EXPERIENCE**

MFA, U.C. Irvine; B.A., CSU, Fullerton; A.A., Riverside City College

**OCCUPATIONAL EXPERIENCE**

I played a leadership role in the development of both academic and physical plant master plans. I have served on numerous committees, including an inter-agency working-group of members from the State of California, Los Angeles County, the City of Los Angeles, and CSU, Los Angeles in the planning and construction of the largest crime lab in the western U.S.

Professional Experience: Associate Vice President, Assistant Vice President, Associate Dean, Department Chair – CSU Los Angeles

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor?  Yes  No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

**COMMUNITY POLICE REVIEW COMMISSION:**

Have you ever been convicted of a felony or misdemeanor?  Yes  No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

### OBJECTIVE

---

A position as a Moderate to Severe Special Education Professional

---

### HIGHLIGHTS

---

Management has been a constant in my life, from toddler to the present. I am a very organized person and enjoy multi-tasking. I am active in the church. I am also active with my own children. Going back a few years!

I was the first to integrate an all white elementary school in Riverside (1962). I attended a Catholic Church school for Pre-school and Kindergarten. I am also part Sioux Indian. I am very familiar with diversity and multiculturalism. As a High School and Undergraduate pre-med/psychology Major, I volunteered at Riverside Community Hospital for several years, as a "Candy striper." A position where I assisted with patients' various needs. I also did volunteer work at a convalescent facility. My experiences have prepared me for a career in special education working with the moderate to severe disabled individuals of all ages.

My goal is to improve individual skills level to make transitioning a great experience whether it be inclusion into regular ed. Classes or living/life skills to make them as independent as possible. To help those who need help the most through education and resources.

This is a vast and growing area that requires many specialized educators, administrators and advocates. At some point in my career I will serve in each of these capacities.

A teacher's constant task is to take a roomful of live wires and see to it that they're grounded.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

**COMMUNITY POLICE REVIEW COMMISSION:**

Have you ever been convicted of a felony or misdemeanor?  Yes  No  
CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
