# Transportation Board

**TO: TRANSPORTATION BOARD** **DATE: AUGUST 3, 2016**

**FROM: PUBLIC WORKS DEPARTMENT** **WARD: 5**

**SUBJECT: INDIANA AVENUE – REMOVAL OF SEGMENT OF NO PARKING ANY TIME ZONE**

**ISSUE:**

The issue for Transportation Board consideration is removal of the segment of the existing No Parking Any Time Zone on Indiana Avenue from Myers Street to Harrison Street.

**RECOMMENDATION:**

That the Transportation Board recommend that the City Council approve removal of the segment of the existing “No Parking Any Time” Zone on Indiana Avenue from Myers Street to Harrison Street.

**BACKGROUND:**

The recently completed Indiana Avenue Repaving Project included restriping between Myers Street and Harrison Street to provide a two-way left-turn lane and allow for on-street parking adjacent to the residential and commercial properties on Indiana Avenue within this segment of roadway. As a result, No Parking signage on Indiana Avenue from Myers Street to Harrison Street was removed upon project completion.

The existing No Parking Any Time Zone will remain in effect on Indiana Avenue from Van Buren Boulevard to Myers Street and Harrison Street to Tyler Street. Removal of the proposed segment of the No Parking Any Time Zone is necessary to update the Master Parking Schedule and accurately reflect the remaining portions of the zone.

**FISCAL IMPACT:**

The cost of sign removal and relocation was approximately \$150.00 and was funded from the existing Public Works Department budget.
