Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
