**PUBLIC COMMENT**

There was no one wishing to address the Commission.

**PRESENTATIONS****RIVERSIDE COMMUNITY SERVICES FOUNDATION INAUGURAL GALA**

Riverside Community Services Foundation Vice President, Brando Crozier delivered the presentation concerning the Riverside Community Services Foundation Inaugural Gala.

Invitations to the Gala was distributed to all Commission members.

Director Galera commented that the Community Foundation is the Departments non-profit partner and provides important resources to our community.

**2024 SPRING EGGSTRAVAGANZA EVENT**

Deputy Director Noemi Lopez delivered the presentation on the 2024 Spring Eggstravaganza Community Event.

Commissioner Brodie noted that there were 5,000 attendees last year and asked how many attendees attended this year.

Deputy Director Lopez stated there were approximately 5,500, but attendance is still being calculated.

Commissioner Miller asked if there were any lessons learned or any ideas to make it better for next year regarding the crowded parking situation at the park.

Deputy Director Lopez stated that we continue to work with the traffic division and local business to allow for street parking. This year, due to the rain, the vendors took parking spots because the fields were too saturated to use for food trucks or carts.

Commissioner Engles complemented staff on a job well done and stated that the event was enjoyed by attendees.

**DEFERRED MAINTENANCE FISCAL YEARS 2024-2029 UPDATE**

Park Superintendent Kyle Raphael delivered the presentation on the Deferred Maintenance Fiscal Years 2024-2029 Updates.

Vice Chair Friedlander stated his concern regarding Reid Park restrooms, and asked if there are plans for repairs before 2028 as shown in the schedule.

Superintendent Raphael stated that the bathroom has received a better pump system and that there have been no current issues with the sewer system. Staff have received a quote for a new restroom and concession stand building and identifying funding to accelerate the schedule.

Commissioner Brodie had a question about lighting repairs.

Vice Chair Friedlander stated that lighting is also important to prevent vandalism and asked if

LED lighting lasts longer and that over the course of time is less expensive.

Superintendent Raphael stated that LED lighting is more efficient and therefore less expensive to operate with more concentrated lighting. Parks electricians upgrade lighting throughout the park system as needed and upgrade to LED whenever possible.
