

Project Design Schematic Map and HSP Agriculture Management Practices
Project Title: Northside Heritage Meadows Farm
Applicant: City of Riverside

Map of project APNs where eligible management practices will be implemented

Attachment 1b: Project Design Schematic Map

Table: HSP Agriculture Management Practices, Acres, and Plant Selection

HSP Practice	APN where practice will be Implemented	Acres to be Implemented	Plant Species to be Planted
1. Cropland Management Practices – Mulching	a) 246-230-020 (895 Clark St.) b) 246-242-011 (900 Clark St.)	6 acres	20+ varieties of specialty vegetable crops (e.g. brassicas, tomatoes, peppers, cucumber, onions, strawberries, etc.)
2. Compost Application Practices – Annual Crops	a) 246-230-020 (895 Clark St.) b) 246-242-011 (900 Clark St.)	4.5 acres	20+ varieties of specialty vegetable crops (e.g. brassicas, tomatoes, peppers, cucumber, onions, strawberries, etc.)
3. Compost Application Practices – Perennials, Orchards and Vineyards	a) 246-230-020 (895 Clark St.) b) 246-242-011 (900 Clark St.) c) 246-023-013 d) 246-220-011	3.5 acres	Apple, peach, apricot, persimmon, sapote, plum, avocado, pomegranate
4. Riparian Forest Buffer	246-242-011 (900 Clark St.)	1 acres	Oak varieties, walnut, sycamore, maple, willow, cypress, desert willow, mulberry, jacaranda, olive, blue palo verde, western redbud, Ca buckeye, hollyleaf cherry, toyon
5. Tree/Shrub Establishment	a) 246-230-020 (895 Clark St.) b) 246-242-011 (900 Clark St.) c) 246-023-013 d) 246-220-011	3 acres	Apple, peach, apricot, persimmon, sapote, plum, avocado, pomegranate, oak varieties, walnut, sycamore, maple, willow, cypress, desert willow, mulberry, jacaranda, olive, blue palo verde, western redbud, Ca buckeye, hollyleaf cherry, toyon
6. Hedgerow Planting	a) 246-230-020 (895 Clark St.) b) 246-242-011 (900 Clark St.)	.28 acre	Pointleaf manzantia, narrowleaf milkweed, woolyleaf ceanothus, California fuschia, brittlebush, California buckwheat, deergrass, purple needlegrass, hollyleaf cherry, white sage, black sage, short winged deerweed, great valley gumweed, brittlebush, California aster spiny redberry
