Riverside, CA 92522

Dear Commission,

I am writing in response to the current opening on the Riverside Police Review Commission, Ward 4. I currently live in Ward 4 and submit this application and resume for consideration of appointment to the open position. Having been a resident of both the County of Riverside and City of Riverside for most of my entire life, I am concerned about quality of life issues and believe police/community relations are of great importance. I believe the Police Review Commission plays an important role in making sure the public has confidence in our police department and I would love the opportunity to be a part of this process. I believe you will find my qualifications and experience may compliment the current board. Thank you for your consideration of my application.

Sincerely, 

Jeff Chebahtah

Jeff Chebahtah

OBJECTIVE

I moved to the City of Riverside when I was eight years old and attended Jackson Elementary School, Chemawa Middle School and graduated from Arlington High School in 1981. I enlisted in the U.S. Marine Corps a few years later and after my enlistment began a career with the Riverside County Sheriff's Department. I moved back to the City of Riverside in 1995 and currently reside in Ward 4. I am applying for consideration of the open Community Police Review Commission position. I believe my law enforcement career with so many varied assignments would bring a good variety of experiences to the board.

CAREER SUMMARY

During my law enforcement career, I developed comprehensive skills in the Administration of Justice which include: investigation of complex criminal cases; preparation, supervision and execution of search warrants and arrest warrants, court orders and other legal process; supervision and participation in field investigations; preparation and filing of criminal cases for court; assisting in the training of new deputies; effective leadership and hands-on problem solving ability. I have attended the Riverside Community College and have obtained approximately 32 units, mainly in general education and the administration of justice.

After retirement from law enforcement I have worked for approximately two years in the guest services arena with a restaurant company (Ovation Brands) and now Soboba Casino. I have enjoyed the transition to civilian life and enjoy the guest services industry. I currently manage a team of approximately 25 security officers/supervisors to ensure the safety of our casino guests and assets.

During my twenty-six-year law enforcement career I served approximately eight years as a patrol deputy/officer and approximately seventeen years as an investigator. During my time as a patrol officer I conducted investigations of all types of crimes from petty theft to murder and met with and interviewed persons in all walks of life. My investigative experience includes investigations of all types of general crimes, narcotics investigations, complex public corruption and fraud investigation with the last seven years being with the Riverside County District Attorney Bureau of Investigations-Professional Standards Bureau/Public Integrity Unit (P.I.U.). My duties while assigned to the P.I.U. included investigating complaints of criminal activity involving public officials and elected officials related to violations of various penal codes, government codes and elections codes. Additionally, I assisted in conducting internal affairs investigations and some officer misconduct investigations. The majority of these investigations dealt with sensitive matters related to public figures or public officials. At times this arena required innovative

approaches to the investigations due to the diverse nature of persons involved with these types of investigations. I have the ability to interact with, converse with and interview persons of all types of backgrounds regardless of their social, professional or economic background.

During my tenure with Ovation Brands as Manager-Internal Audits/Loss Prevention I was responsible for overseeing 108 stores in the western region of the country where I worked under the direction of the Director-Internal Audits/Loss Prevention. I developed good working relationships with both area directors, store management teams and various team members and worked well with all to ensure management teams were in compliance with company policies and procedures. I provided guidance and training where needed to both management teams and team members in the areas of security, safety and cash management/cash handling. I conducted security/safety compliance audits and coached the management teams on their deficiencies in order to ensure the management teams could become compliant with company policies. I conducted various investigations related to violations of company policies and theft and worked closely with the Human Resources Manager when appropriate.

EXPERIENCE

10/2015 – present Security Shift Manager – Soboba Casino

As the Grave Shift Security Shift Manager I manage approximately 25 officers/supervisors. I ensure policy/procedures are followed; guests and casino assets are safe and safeguarded; handle appropriate disciplinary issues; assist in hiring of new employees by conducting hiring interviews; complete employee reviews, both newly hired and annual reviews; assist in managing the daily and administrative functions of the security department.

03/2015-08/2015 Manager – Internal Audits and Loss Prevention, Ovation Brands

02/2007 – 03/2014 Senior Investigator I, Riverside County District Attorney.

As a Senior Investigator for the District Attorney was assigned to the Public Integrity Unit for seven years where I investigated complaints of crimes by public officials. These investigations

included political corruption, fraud, embezzlement, theft/misuse of public funds. Many of these cases were very complex and required detailed analysis of business records, financial records, campaign filings and documents, interviews and surveillance. Additionally, I was assigned for approximately two years to the Riverside Office of the F.B.I. Public Corruption Task Force.

04/1988 – 02/2007 Sheriff's Investigator, Riverside County Sheriff's Department.

As a police manager for the City of Rialto Police Department I am intimately familiar with the workings of city government as well as the intricacies of working with elected officials. Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

COMMISSION ON DISABILITIES:

- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

How would your experience or qualifications help the Commission on Disabilities meet its membership goals? (255 Characters Max)

To Whom It May Concern:

This letter is to express my interest in serving the City of Riverside as a volunteer commission member on either the Human Relations Commission or the Commission on Disabilities. I recently relocated to Riverside from the east coast, where I was very active in many local community initiatives. I have a strong desire to support and serve the community I live in, and I consider volunteering as an excellent way to share knowledge and resources in an effort to strengthen the community. I believe that my previous 20 years of experience as a paramedic in emergency medical services has provided me with a unique perspective on the diverse physical, cultural and socio-economic needs of a community like Riverside. Today, as the executive director for the Commission on Accreditation of Ambulance Services, I have the opportunity to influence significant changes to the way individuals and their physical and cultural needs are addressed within the EMS industry.

I possess an objective, helpful and patient nature and strong time management abilities that would lend itself to the expectations of these commissions. I enjoy solving problems for people and seeing a positive outcome achieved. My experience in emergency medical services has proven to be advantageous while relating to individuals and groups from diverse cultural backgrounds. Over the years I have developed a reputation with internal and external customers as being resourceful, objective and fair. I believe these qualities and experiences would be beneficial to the City of Riverside.

Thank you for your time and consideration. I look forward to speaking with you to discuss my application and the qualifications that I have to offer.

Sincerely,

Sarah L. McEntee

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I believe it is very important for citizens to be involved in government to make their voices heard. The police commission is particularly important so that citizens and police personnel can have a meaningful dialog about issues affecting the city.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☐ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
