AGREEMENTS

NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants hereinafter contained, the parties agree as follows:

Section 1. Establishment of District. The City has initiated proceedings pursuant to the Act for the establishment of the District. Such proceedings include elections pursuant to Sections 53326, 53350 and 53353.5 of the Act on (i) the question of the issuance of the Bonds of the District to finance the acquisition of public land and public improvements, and the design, planning, engineering, construction management, and financing and the installation and construction or acquisition of the Public Facilities, (ii) the question of the annual levy of the Special Taxes on those portions of the Property subject to the Special Taxes to pay directly for the Public Facilities and to pay the principal of and interest on the Bonds and the annual administrative expenses of the City in levying and collecting such Special Taxes, paying the principal and interest on such Bonds and providing for the registration, exchange and transfer of such Bonds, including the fees of fiscal agents and paying agents, and any necessary replenishment of the reserve fund for such Bonds, and (iii) the question of the establishment of an appropriations limit for the District. All of the Public Facilities shall be authorized to be financed with the proceeds of Special Taxes and Bonds.

From time to time prior to the issuance of the Bonds, at the written request of Owner, and subject to Owner advancing funds as determined by the City as necessary to pay all costs related thereto in accordance with Section 4 below, the City shall use its reasonable best efforts to undertake proceedings which may be deemed necessary to amend the Rate and Method or to amend the boundaries of the District.

Section 2. Payment of City Impact Fees as Deposit. Owner shall timely pay in full all City impact fees which are chargeable upon issuance of a building permit. Any payment of City impact fees before proceeds of the Bonds become available shall be held on deposit by the City in a separate account used exclusively for City impact fees (the "Deposit Account"), and shall not be expended by the City, provided, however, earnings on the investment of funds in the Deposit Account shall be returned to the City.

Immediately upon the City receiving proceeds of the Bonds in accordance with this Agreement, the City shall return to Owner, or Owner's designee, all funds held in the Deposit Account. Bond proceeds shall be used as described below.

Section 3. Sale of Bonds. Upon Owner's written request, the City shall use its reasonable best efforts, as hereinafter provided, to issue and sell Bonds, in one or more series, in accordance with the provisions of this Agreement and the Financing District Policy. Each series of Bonds is expected to have a debt service amortization schedule matching the annual Special Taxes available for debt service pursuant to the Rate and Method and for a term of not less than thirty years nor more than thirty-three (33) years, for the purpose of raising an amount sufficient to pay for the acquisition of lands for public use and public improvements, and the design, planning, engineering, construction management, and financing, and the installation and construction or acquisition of the Public Facilities. In connection with the issuance of the first series of Bonds, the City on behalf of itself and the District shall establish criteria for the

issuance of Additional Bonds which meet the criteria of the Financing District Policy. The timing of the issuance and sale of each series of Bonds, the aggregate principal amount thereof, and the terms and conditions upon which they shall be sold shall be as set forth in this Agreement and otherwise as determined by the City in its sole reasonable discretion after consultation with Owner. Not by way of limitation of the foregoing, the timing of the issuance and sale of the first series of Bonds and any Additional Bonds shall be as soon as reasonably practicable, as determined by the City in its sole reasonable discretion following consultation with its financial advisor, underwriter and other consultants and counsel after written request from Owner. Owner shall use its reasonable best efforts to cooperate with City in connection with any Bond sale.

The School District and the City have entered into a Joint Community Facilities Agreement, dated as of _____ 1, 2015.

Section 4. Advance of Certain Expenses. Pursuant to a Landowner Deposit Agreement, dated November 6, 2014 between the City and Owner (the "Deposit Agreement"), Owner shall pay and advance all of the costs reasonably associated with the establishment of the District. Owner shall deposit funds with the City for the City's reasonable out-of-pocket expenses associated with a sale of each series of Bonds, including, but not limited to, (i) the fees and expenses of any consultants and legal counsel to the City employed in connection with the issuance of the Bonds, including an engineer, special tax consultant, financial advisor, bond counsel and any other consultant deemed necessary or advisable by the City, (ii) the costs of appraisals, market absorption and feasibility studies and other reports deemed necessary or advisable by the City in connection with the issuance of the Bonds, (iii) the costs of publication of notices and other costs related to any proceeding undertaken in connection with the issuance of the Bonds, (iv) reasonable charges for City staff time incurred in connection with the issuance of the Bonds, including a reasonable allocation of City overhead expense, and (v) any and all other actual costs and expenses incurred by the City in connection with the issuance of the Bonds ("Reimbursable Expenses"). If the Bonds are issued by the District, the City shall reimburse Owner from proceeds of the Bonds, without interest, for the portion of the Reimbursable Expenses deposits that have been expended or encumbered, said reimbursement to be made from the proceeds of the Bonds on the date of issuance of the Bonds or as soon as reasonably possible thereafter and only to the extent otherwise permitted under the Act, and refund any unexpended or encumbered deposited amounts. If the Special Taxes are levied and collected, the City may reimburse Owner from the receipts of Special Taxes (net of amounts required to pay District administrative expenses), without interest, for the portion of the deposits paid by Owner pursuant to the Deposit Agreement that have been expended or encumbered, said reimbursement from receipts of Special Taxes to be made on or before the end of each fiscal year; provided, however, that the City may retain such collected Special Taxes in the amounts that it deems reasonably necessary to facilitate the issuance of the Bonds.

The City shall keep records of all Reimbursable Expenses advanced by the City pursuant to this Section 3, which records shall be available for inspection by Owner during regular business hours. The sole source of funds for reimbursement of any advance expenditure made by the City or Owner shall be the uncommitted and unexpended payments made by Owner to the City, proceeds of the Bonds, or Special Tax receipts as determined by the City.

Section 5. Tax Requirements. The timing of the sale of each series of Bonds, the nature of the investments in which the proceeds of the Bonds shall be invested, the duration of such investments, and the timing of the expenditure of such proceeds shall be as set forth in this Agreement and the applicable fiscal agent agreement (the “Fiscal Agent Agreement”); provided, that in all such matters City shall comply with the requirements of and limitations prescribed by the provisions of Sections 103 and 141 through 150 of the Internal Revenue Code of 1986 (the “Code”), as amended, and the implementing regulations of the United States Department of the Treasury. The City shall not be required to take any such action which in the opinion of the City’s bond counsel could result in the Bonds being classified by the United States Department of the Treasury as “arbitrage bonds” or which could otherwise result in the interest on the Bonds being included in gross income for purposes of Federal income taxation. Should any change in or regulatory interpretation of any such requirement or limitation which may occur after the date of this Agreement require or necessitate, in the reasonable opinion of such bond counsel, any action on the part of the City in order to avoid such a classification or loss of tax exemption, the City shall notwithstanding any provision of this Agreement, forthwith take such action. In the event the City fails to comply with requirements set forth above in this Section 4, the City’s liability is limited to the Special Tax revenues generated by the CFD.

Section 6. Priority and Allocation of Surplus Special Taxes and Bond Proceeds.

(a) Special Taxes Prior to the Issuance of Bonds.

Prior to the issuance of Bonds, Special Taxes may be levied at the discretion of the City on each Assessor’s Parcel of Developed Property pursuant to the Rate and Method in and following the first fiscal year in which the Assessor’s Parcel is classified as Developed Property until the issuance of the final series of Bonds.

Prior to the issuance of the first series of Bonds, the proceeds of the Special Taxes shall be allocated in the following priority:

- (1) first, to pay all reasonable costs of administration of the District;
- (2) second, to pay eligible costs reasonably determined by the City to be necessary to facilitate the issuance of Bonds within the next six months; and
- (3) third, the amount remaining after payment of the amounts for (1) and (2) shall be deposited in the Special Fund and disbursed to reimburse prior deposits paid by Owner to City pursuant to the Deposit Agreement and then to fund any City Facilities as may be determined by the City;

(b) Special Taxes Following the Issuance of Bonds. Following the issuance of the first series of Bonds and continuing until the issuance of the final series of Bonds, City shall levy Special Taxes on all Assessor’s Parcels classified as Developed Property at the Assigned Special Tax amount pursuant to the Rate and Method or such lesser amount which complies with the Fiscal Agent Agreement. In years in which there is no levy of Special Taxes on Undeveloped Property, the priority for allocation of the Special Taxes collected from Developed Property shall be as follows:

(1) first, to fund an amount up to the Priority Administrative Expense Requirement;

(2) second, to pay principal and interest on outstanding Bonds and to replenish the reserve fund to the applicable reserve fund requirement;

(3) third, to fund all actual administrative expenses in excess of the Priority Administrative Expense Requirement; and

(4) fourth, all remaining amounts shall be deposited in the Special Fund and disbursed to fund directly the costs of the City Facilities or School District Facilities as may be determined by the City, or to reduce special taxes in subsequent fiscal years.

(c) Bond Proceeds. The proceeds of all Bonds shall be allocated and disbursed according to the following priorities:

(1) first, to fund all costs of issuance of the Bonds including (i) a reserve fund for the Bonds which does not exceed the amount permitted under the Code or the Act, (ii) capitalized interest for at least the period required to collect sufficient Special Taxes through the annual levy, or a longer period requested by Owner, not to exceed an amount equal to two years interest, or such lesser amount as the City shall determine pursuant to the Financing District Policy, (iii) the underwriter's discount, (iv) the Reimbursable Expenses, and (v) bond counsel fees, disclosure counsel fees, financial advisor, appraisal and market absorption consultant fees, special tax consultant fees, fiscal agent or trustee fees and other typical and reasonable out-of-pocket expenses incurred by the City in connection with the issuance and sale of the Bonds;

(2) second, to reimburse, without interest, prior deposits paid by Owner to City pursuant to the Deposit Agreement and this Agreement related to formation of the District and issuance of the bonds;

(3) third, fund the City Facilities for which special taxes were insufficient to pay and then to pay School District Facilities, which amount shall be deposited in the School District Account. Funds in the School District Account shall be disbursed by the City, to pay for School District Facilities. Funds in the City Facilities Account may be disbursed by the City to fund eligible City Facilities in the City's sole discretion. Earnings on the investment of funds in the City Facilities Account and the School District Account shall remain in such accounts and disbursed for eligible costs; and

(4) fourth, to fund any additional facilities of the City, which the City may designate in its discretion.

Section 7. Surplus Bond Proceeds. In the event that any surplus proceeds of the Bonds remain in the School District Account after all of the Public Facilities have been financed pursuant to this Agreement, said surplus shall be applied to redeem outstanding Bonds or to fund additional City Facilities as determined by the City.

Section 8. Indemnification. Owner shall promptly defend, indemnify and hold harmless the City, its officers, employees and agents, and each and every one of them, and the District from any and all claims, actions, liability, damages, losses, expenses and costs arising out of Owner's performance of, or failure to perform, its duties hereunder or by reason of, or arising out of, this Agreement.

Section 9. City Policies. Pursuant to the City's policies, including the Financing District Policy, with regard to the issuance and sale of bonds of community facilities districts, the total annual amount of special taxes to be levied on any parcel of property within a community facilities district and all other assessments and taxes which will be collected with respect to such property, must not exceed two percent (2%) of the fair market value of the property as determined by the County Assessor of Riverside County; provided that initially such fair market value will be based upon the estimated sales prices for residences and commercial property. Also, the ratio of the appraised market value of all parcels of property within a community facilities district to the total amount of the assessment and special tax obligation thereof after the issuance and sale of bonds for the district (the "Value-to-Lien Ratio") may not be less than four-to-one (4/1). Pursuant to the City's policies, the fair market value of the property within a community facilities district for purposes of determining such ratio will be determined based upon an appraisal made by an appraiser selected by the City.

Section 10. Representations, Covenants and Warranties of Owner. Owner represents and warrants for the benefit of the City as follows:

A. Organization. Owner is duly organized and validly existing under the laws of the State of California, is in good standing and has the power and authority to own its properties and assets and to carry on its business as now being conducted and as now contemplated.

B. Authority. Owner has the power and authority to enter into this Agreement, and has taken all action necessary to cause this Agreement to be executed and delivered, and this Agreement has been duly and validly executed and delivered by Owner.

C. Binding Obligation. This Agreement is a legal, valid and binding obligation of Owner, enforceable against Owner in accordance with its terms, subject to bankruptcy and other equitable principles.

D. Compliance with Laws. Owner shall not with knowledge commit, suffer or permit any act to be done in, upon or to the lands of Owner in the District in violation of any law, ordinance, rule, regulation or order of any governmental authority or any covenant, condition or restriction now or hereafter affecting the lands in the District or the City Facilities.

E. Requests for Payment. Owner represents and warrants that (i) it will not request payment from the City for the acquisition of any improvements that are not part of the Public Facilities, and (ii) it will diligently follow all procedures set forth in this Agreement with respect to the Payment Requests and the School District Facilities Payment Requests.

F. Additional Information. Owner agrees to cooperate with all reasonable written requests for nonproprietary information by the original purchasers of the

Bonds or the City related to the status of construction of improvements within the District, the anticipated completion dates for future improvements, and any other matter material to the investment quality of the Bonds.

G. Continuing Disclosure. Owner agrees to comply with all of its obligations under any continuing disclosure agreement executed by it in connection with the offering and sale of any of the Bonds. Owner shall cooperate with City in complying with the requirements of Rule 15c2-12 of the Securities and Exchange Commission in connection with the issuance and sale of the Bonds. Owner shall provide information to the City regarding its operations and financial condition as such information has been disclosed in the Official Statement. The City, in consultation with the underwriter of the Bonds, may determine that some or all of such financial information will be included in the preliminary official statement and the final official statement for the Bonds. If Owner owns property within the District responsible for more than 20% of the Special Taxes levied in such fiscal year, then Owner acknowledges that it will be an “obligated person” for purposes of compliance with Rule 15c2-12(b)(5) of the Securities and Exchange Commission and that it will therefore be necessary that Owner enter into a continuing disclosure undertaking, at the time of and in connection with the issuance and sale of the Bonds, that so long as it remains an obligated person it will semi-annually, at the time specified in such undertaking, provide information regarding its financial condition, including, at the City’s discretion, financial statements prepared by Owners certified public accountant and the status of development and residential and land sale activity within the District to be included within the semi-annual reports which Owner, or a dissemination agent designated in such undertaking, will file with the Nationally Recognized Municipal Securities Information Repositories which are identified by the Securities and Exchange Commission and any state information repository that may be designated for the State of California, as required by that rule. Copies of all such reports shall also be provided to the City and the underwriter of the Bonds. Owner further acknowledges that it will be an obligated person pursuant to such rule as long as it owns property within the District that is responsible for the payment of annual Special Taxes which represent twenty percent or more of the annual debt service on the Bonds. If Owner sells any portion of property within the District to an entity and such entity will own property within the District which will be responsible for the payment of annual Special Taxes which represent twenty percent or more of the annual debt service on the Bonds, Owner shall notify such entity that it will be an obligated person for purposes of the rule and that such entity will be required to enter into a continuing disclosure undertaking as provided in this section.

Section 11. Independent Contractor. Owner is an independent contractor and not the agent of the City or the District. This Agreement shall not and does not create a joint venture or partnership between the City and Owner. The City shall have no responsibility or liability for the payment of any amount to any employee or subcontractor of Owner.

Section 12. Special Taxes. The parties are entering into this Agreement and establishing the District for the purpose of creating a stream of Special Tax revenues that will be available to the District to pay directly the costs of acquisition, construction and/or equipping the Public Facilities and to pay debt service on the Bonds, the proceeds of which will be used to pay the costs of acquisition, construction and/or equipping of the Public Facilities. Owner and City hereby acknowledge and agree (i) that any reduction or termination of the Special Taxes by exercise of the initiative power or other action would constitute a substantial impairment of the

Special Tax revenue stream that Owner and City intend to create for the purpose of providing an assured source of funding for construction, acquisition and/or equipping of the Public Facilities, and (ii) that this Agreement is being entered into, and the Special Taxes are being imposed upon the Property pursuant to the Rate and Method, in accordance with existing laws relating to the imposition of fees and charges as a condition of Property development and such Special Taxes are being incurred as an incident of the voluntary act of development of the Property. To the fullest extent permitted by law, Owner, for itself and for each of its successors and assigns as owners or lessees of all or any portion of the Property included in the District hereby waives any right to exercise the initiative power that may be authorized in California Constitution Article XIII C, Section 3, to reduce or appeal the Special Taxes.

Section 13. Disclosure of Special Taxes.

(a) From and after the date of this Agreement, Owner and its successors and assigns shall give a “Notice of Special Tax” (as defined in Section 13(b) below) to each prospective purchaser of a parcel in the District and shall deliver a fully executed copy of each notice to District. Owner and its successors and assigns shall (i) maintain records of each Notice of Special Tax for a period of five (5) years, and (ii) shall provide copies of each notice to District promptly following the giving of such notice. Owner and its successors and assigns shall include the Notice of Special Tax in all Owner’s and its successors’ and assigns’ applications for Final Subdivision Reports required by the Department of Real Estate (“DRE”) which are filed after the effective date of this Agreement.

Owner and its successors and assigns shall require of a builder acquiring lots (a “Residential Builder”), prior to the close of escrow on any residential lot, to (i) maintain records of each Notice of Special Tax for a period of five (5) years, (ii) provide copies of each notice to District promptly following the giving of such notice, and (iii) include the Notice of Special Tax in all of such Residential Builder’s applications for Final Subdivision Reports required by DRE.

(b) With respect to any parcel, the term “Notice of Special Tax” means a notice in the form prescribed by California Government Code Section 53341.5 which is calculated to disclose to the purchaser thereof (i) that the property being purchased is subject to the Special Tax in which it is included; (ii) the classification of such property; (iii) the maximum annual amount of the Special Tax and the number of years for which it is authorized to be levied; and (iv) the types of facilities to be paid or with the proceeds of the Special Tax.

(c) District will file with the Riverside County Recorder’s office a notice of special tax lien that gives notice of the existence of the District and the levy of the Special Tax on property within the District for the benefit of subsequent property owners, pursuant to requirements of Section 3114.5 of the Streets and Highways Code.

(d) Information Sheet and Sample Property Tax Bill. Owner and its successors and assigns shall prepare, in a form reasonably acceptable for the City, and place in its sales office a sample property tax bill which shows the special tax to be levied in a form approved by City. Owner and its successors and assigns shall provide prospective purchasers of homes an information sheet in the sales office in the form set forth in Exhibit F, which is

available for such purchasers to take with them. In addition, Owner shall prominently display a notification of Special Tax.

Section 14. Termination and Dissolution. Prior to the issuance of Bonds, Owner may elect to terminate this Agreement and request that the City cancel the Special Taxes by providing written notice to the City. Within thirty (30) days of such written notice, City shall record a notice of cancellation of special taxes with respect to each parcel. Owner shall be responsible for reasonable City costs incurred relating to the cancellation of the Special Taxes and recordation of such notice; provided, however, that the City shall not terminate the Special Taxes for any lot for which a building permit has been issued, unless Owner pays all City fees and School District fees or posts separate security therefore. Such termination of this Agreement and cancellation of Special Taxes shall have no effect on Owner's obligations to pay City impact fees and School District fees upon issuance of a building permit.

Section 15. Binding on Community Facilities District. The District shall automatically become a party to this Agreement, and all provisions hereof which apply to the City shall also apply to the District. The City Council of the City, acting as the legislative body of the District, shall perform all parts of this Agreement which require performance on the part of the District.

Section 16. Assignment. This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto. Owner may assign this Agreement or any right or obligations hereunder to a corporation, limited partnership, or limited liability company created for the purpose of developing the property and which is under common control with owner (i.e., the same person or entity has controlling majority ownership in both Owner and the assignee) without the express prior written approval of the City; provided, however, that such assignment shall not become effective until there shall have been delivered to the City a written assignment and assumption agreement between Owner and the assignee whereby such rights assigned are specified and such assignee agrees, except as may be otherwise specifically provided therein, to assume the obligations of Owner under this Agreement and to be bound thereby. Otherwise, Owner may not assign its rights pursuant to this Agreement without the express written consent of the City Finance Director which shall not be unreasonably withheld.

Section 17. Prompt Action. All consents, approvals and determinations required of either the City or Owner pursuant to this Agreement shall be promptly given or made, and shall not be unreasonably withheld or conditioned.

Section 18. General. This Agreement and the Deposit Agreement contain the entire agreement between the parties with respect to the matters herein provided for. This Agreement may only be amended by a subsequent written agreement signed on behalf of both parties. This Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties. This Agreement shall be construed and governed by the Constitution and laws of the State of California. Should either party to this Agreement commence a court action or proceeding against the other party with respect to this Agreement or the design and acquisition or construction of the Public Facilities, the party prevailing in such action or proceeding shall be entitled to receive from the losing party its attorney's fees, expert witness fees, court costs and other costs incurred by it in prosecuting or defending such action or proceeding. The captions of the sections of this Agreement are provided for convenience only, and shall not have any bearing

on the interpretation of any section hereof. This Agreement may be executed in several counterparts, each of which shall be an original of the same agreement.
