Success Story

*The
BaronHR
Family
of
Staffing*

Riverside Branch

- Lou E. Perez is the CEO and Founded The BaronHR Family of Staffing in 2001.
- The Riverside Branch has opened their doors in September 2018.
- Since then they have successfully provided employment for over 200 associates in the Inland Empire.
- This month alone BaronHR has averaged approximately 20- 30 employees that have been hired permanently through the new Riverside Branch.

- BaronHR has great employment opportunities and they also offer support services such as flexible hours, bonuses, incentives and career coaching.

Services Offered

- BaronHR serves clients in industries ranging from manufacturing and distribution to hospitality and healthcare.
- They successfully place people in an array of positions, including manufacturing, materials handling, quality control, production, facilities management, nursing, sales management, customer service and office management.
- In addition, Baron HR Technical places skilled professionals in the technology, biotechnology and healthcare fields, while their Legendary Staffing focuses on recruiting highly qualified staff in fields such as information technology, engineering, accounting and finance.

Quality Service

Preparing for work

- Baron HR handles all the paperwork for needed government compliance, as well as offers 24-hour support for any questions or needs, no matter how large or small.

High Quality Staffing

- Their clients are screened, trained and ready for temp, temp-to-hire or direct-hire positions. They can also service Human Resources needs, keeping staffing and management concerns all in one place.

Job Seekers

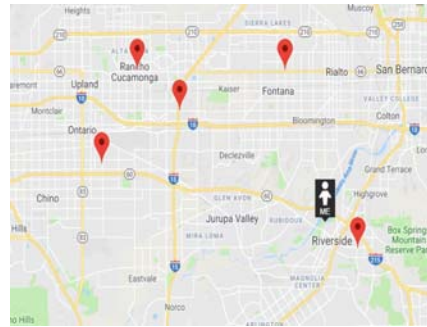

- Baron HR can help turn a long job-hunt into a short and profitable search for the perfect fit. They have opportunities in a wide range of skill and education levels, and they help their clients find the position and solution that fits their experience.

Lou E. Perez Foundation

\$36,336
—Annual Estimated
Out-of-Pocket Cost
for caregiving
families

- Lou E. Perez also created the Lou E. Perez Foundation in 2003 after Mr. Perez recognized the dire need for financial assistance for families of children with severe medical conditions.
- The Foundation provides assistance for the basic needs of the families such as support for rent, mortgage payments, car costs, travel, utilities, groceries, hospital bills, and many other items.

33%
of caregiver families
that have either lost a
home, gone bankrupt,
or suffered serious
financial losses.

Donations/Partners

- The foundation is based in Orange County California, and partners with some of the most respected hospitals, children's care centers and schools in the region.
- The foundation accepts donations and sponsorships to continue to help care for the most deserving families and their Ill Children.
- No matter the amount, ALL donations are tax-deductible and ALL donations directly benefit an individual or family in need.
