Employee Only – fully paid by City
Employee + 1 - \$845.00
Employee + Family - \$1,155.00

Effective the first paycheck in December 2017 for January 2018 premium, the City will increase the monthly contributions as follows:

(The increases will vary depending on individual employee coverage plans.) This provision shall remain in effect throughout the term of this contract.

- (1) An employee who provides proof of medical insurance coverage elsewhere and who declines City medical insurance coverage will receive annually for each such year of declination an annual payment of \$2,100 payable the following November.
- (2) If a declination of coverage by one City employee results in coverage being provided by another City employee then, in that event, 80% of the savings, if any, will be paid to the employee the following November; if there are no savings, there will be no payment. Paragraph (1) above does not apply to such situation.
- (3) Nothing herein deprives the City of the right to add, change, delete or modify medical carriers, providing the City consults with the Health and Benefits Committee.

Such premium shall be deducted from the employees' wages. Enrollment in the STD plan is mandatory for all IBEW employees. This STD plan will be established as soon as feasible after City Council approval of this contract. 1.4 Retirement

1.4.1 The City has three tiers of retirement benefits as a result of changes to CalPERS. The three retirement tiers as they apply to IBEW are set forth as follows:

1.4.2 Tier 1 Employees: Employees hired prior to October 19, 2011.

The retirement formula is two point seven percent (2.7%) at (55) years of age. Final compensation is calculated as the average of the single highest year based on the highest twelve (12) consecutive months.

Effective the pay period following November 1, 2017, employees in the bargaining unit shall contribute two percent (2%) of their total pensionable compensation into the employee share of the PERS pension plan. The City shall continue to pay the remaining Employer Paid Member Contribution (EPMC) which is six percent (6%) of pensionable compensation. "Pensionable compensation" shall include the City paid EPMC. The City paid EPMC shall be reported to CalPERS as pensionable compensation. The EPMC shall not be considered employer contribution pursuant to section 414, subdivision (h) (2) of the Internal Revenue Code.

Effective the pay period following November 1, 2018, employees in the bargaining unit shall contribute an additional two percent (2%) of their total pensionable compensation for a total of four percent (4%) into the employee share of the PERS pension plan. The City shall continue to pay the remaining Employer Paid Member Contribution (EPMC) which is four percent (4%) of pensionable compensation. The City paid EPMC shall be reported to CalPERS as pensionable compensation. The EPMC shall not be considered employer contribution pursuant to section 414, subdivision (h) (2) of the Internal Revenue Code.

Effective the pay period following November 1, 2019, employees in the bargaining unit shall contribute an additional two percent (2%) of their total pensionable compensation for a total of six percent (6%) into the employee share of the PERS pension plan. The City shall continue to pay the remaining Employer Paid Member Contribution (EPMC) which is two percent (2%) of pensionable compensation. The City paid EPMC shall be reported to CalPERS as pensionable compensation. The EPMC shall not be considered employer contribution pursuant to section 414, subdivision (h) (2) of the Internal Revenue Code.

Effective the pay period following November 1, 2020, employees in the bargaining unit shall contribute an additional

two percent (2%) of their total pensionable compensation for total of eight percent (8%) into the employee share of the PERS pension plan. Employees will therefore contribute the entire employee share (8%) into their PERS plan by the end of this contract.

- 1.4.3 Tier 2 Employees: Employees hired on or after October 19, 2011 and prior to January 1, 2013 or employees hired after January 1, 2013, who are laterals from another CalPERS agency or an agency whose retirement system has reciprocity with PERS, within 6 months of terminating employment with the prior CalPERS agency.

The retirement formula is two point seven percent (2.7%) at (55) years of age.

Final compensation for employees in this tier, who are hired on or after October 19, 2011, but prior to December 16, 2011, is calculated as the average of the single highest year based the highest twelve (12) consecutive months.

Final compensation for employees in this tier who are hired on or after December 16, 2011, is calculated as the average of the three (3) highest years.

All employees in Tier 2 pay the entire EPMC, which is eight percent (8%) of compensation.

- 1.4.4 Tier 3 Employees: Employees hired on or after January 1, 2013 and who are defined by the Public Employee's Pension Reform Act (PEPRA) as new CalPERS members.

The retirement formula is two percent (2%) at sixty-two (62) years of age. Final compensation is calculated as the average of the three (3) highest years.

Employees in Tier 3 pay fifty percent (50%) of the normal cost to PERS, which is currently seven percent (7%) of compensation.

A new member is defined in the PEPRA as any of the following:

- A. A new hire who is brought into CalPERS membership for the first time on or after January 1, 2103, and who has no prior membership in any California public retirement system;
- B. A new hire show is brought into CalPERS membership for the first time on or after January 1, 2013, and who is

not eligible for reciprocity with another California public retirement system;

- C. A member who first establish CalPERS membership prior to January 1, 2013, and who is rehired by a different CalPERS employer after a break in service of greater than six (6) months.

Note: CalPERS refers to all members that do not fit within the definition of a new member as “classic members”.

- 1.4.5 Effective January 1, 1984, the City shall implement the three percent (3%) Cost of Living Adjustment (hereafter “COLA”) for bargaining unit retirees.
- 1.4.6 Effective July 1, 1988, the City will request PERS to amend its contract with the City to provide employees covered by this Agreement the surviving spouse option under Government Code Section 21546.
- 1.4.7 The City will maintain the two point seven percent (2.7%) at fifty-five (55) PERS retirement benefit for bargaining unit members in Tier 1 and Tier 2, provided that legislation enacted by the State of California does not prevent the City from continuing to do so.
- 1.4.8 Military Buy Back and any other PERS options currently available to employees covered by the City’s Miscellaneous PERS contract will continue to be made available to employees who meet the qualifications for such benefits, provided that legislation enacted by the State of California does not prevent the City from continuing to do so.

1.5 Temporary Upgrade

Employees who are authorized and temporarily assigned by the Department Head or his/her designee to assume the duties of a higher level position shall receive a temporary five percent (5%) increase after a total of three (3) hours in an eight-hour shift in the higher class retroactive to the first hour for those hours worked in the higher classification. An employee will not be moved to reset the clock.

Temporary upgrades which exceed 180 consecutive calendar days shall receive a temporary ten percent (10%) increase over the affected employee’s base rate of pay beginning with the 181st day, or the payroll period; provided, however, that the upgrade wage will not exceed the maximum rate of pay applicable to the upgrade position.

1.6 Hours

The normal hours of work for employees covered by this agreement shall be as follows:

- 1.6.1 Energy Delivery Division: 6:00 a.m. to 3:30 p.m. with one-half (½) hour off for lunch near the midpoint of the shift.
- 1.6.2 Water Delivery Division: 6:30 a.m. to 4:00 p.m. with one-half hour off for lunch near the midpoint of the shift.
- 1.6.3 Power Generation: Power Generation personnel shall normally work 7:00 a.m. to 3:30 p.m. or rotate shifts as needed (to be determined by the City) using a combination of 7:00 a.m. to 3:30 p.m.; 9:00 a.m. to 5:30 p.m.; and 11:00 a.m. to 7:30 p.m., with 30 minute meal break near the mid-point of the shift. Shifts shall be assigned equitably. When days off are changed in order to operate the generating plants on Saturday and/or Sunday shifts shall be compensated using shift differential rates in accordance with Section 1.3. For purposes other than operating the generating plants on Saturdays and Sundays, overtime shall be paid at the appropriate rate. When overtime rates are applicable, shift differential does not apply. At no time shall any bargaining unit employee be scheduled for regular shifts during any standard workweek with less than two (2) consecutive days off, absent any overtime.

For the purpose of operating a base load or near base load generating facility that requires 24-hour day coverage, the following rotating shifts shall apply: 7:00 a.m. to 3:00 p.m.; 3:00 p.m. to 11:00 p.m.; and 11:00 p.m. to 7:00 a.m. The meal breaks shall be included within the shift and should be taken as duties permit. The City is under no obligation to provide such meals or time for same. Shift differential and consecutive days off provisions discussed in the paragraph above shall apply.

The City shall prepare the work schedule for each individual Generation site. The shifts shall rotate among each classification at each Generation site independently. The regular monthly work schedule shall be made up and posted ten (10) days in advance of its effective date. Said posted schedule shall be presumptive notification of shift changes. The first shift after transfer from one eight hour working shift to another working shift which results in time off less than sixteen (16) hours between shifts without notification of such transfer at least 24 hours in advance of the starting time of the new shift will be paid at two (2) times the employee's regular hourly rate.

Generation Site Assignments

Generation personnel shall report to an assigned City Generation site at the start of each workday. All assignments shall be based on individual job classification.

City reserves the right to reassign Generation personnel among the various City Generation sites. When such reassignments are made, the City shall first seek volunteers; if there is more than one volunteer, the person with the most seniority shall be reassigned; if there are insufficient volunteers, the reassignments shall be made starting with the person with the least seniority as defined in Article 21.b. Generation personnel may be temporarily reassigned to another Generation site for a period of not less than one (1) week at a time for training or other requirements. When a position opens at any Generation site, existing personnel in such classification may request to transfer to the Generation site where the opening exists. In the event that more than one Generation employee seeks such transfer, the transfer shall be awarded to the person with the most seniority as defined in Article 21.b.

- 1.6.4 General Conditions: For Fair labor Standard Act purposes, the standard work week for troubleshooters shall be from 6:00 a.m. Monday through 5:59 a.m. the following Monday.

The standard work week for dispatchers shall be from 11:00 p.m. Saturday through 10:59 p.m. the following Saturday.

All hours worked in excess of full-time hours, except for a change in normal shifts assigned as a result of an emergency, will be paid at the appropriate overtime rate. In the event of an emergency change in the normal work hours, such change will be for a period not less than one week and not longer than the duration of the emergency.

The City reserves the right to change the normal hours of employment provided that it does not do so arbitrarily and provided that it first notifies the Union and gives the Union an opportunity, upon request, to meet and confer.

- 1.6.5 Notwithstanding provisions of 1.6.1, 1.6.2, 1.6.3 and 1.6.4 flexible work schedules may be provided to unit employees. The City's intent regarding the flexible work schedules is for use wherever feasible and to enable as many employees currently on flex schedules to remain on a flexible work schedule. Any existing schedules that need to be ended may only be ended based on operational needs of the department. Available schedules may include the 9/80, 4/10, 3/12, and traditional 5/8 scheduling options. Employees on flex schedules will accrue time in the same manner as 5/8

schedule (same number of hours per year). Time off will be charged based on the schedule worked (i.e., 10 hours of vacation charged for each vacation day on a 4/10 schedule).

The availability of flexible schedules will be determined by the department head with the approval of the City Manager. Every effort shall be made to honor flexible work schedules for those employees currently on them. Any movement of employees to and from modified work weeks shall be done in accordance with City Policy II-4, "Hours of Work".

- (a) Alternative work schedules such as 4/10 or 9/80 need not provide for three (3) consecutive days off, subject to the following conditions:
 - (1) The City will first seek volunteers for days off other than Friday or Monday;
 - (2) Such volunteers may select available days off on the basis of seniority;
 - (3) Flexible work schedule shifts shall start between 6:00 am and 7:00 pm, with the exception of the Utility Generation Technicians, Electric Power System Dispatchers I and II, Electric Utility Troubleshooters and Water Utility Troubleshooters.

1.7 Rest Period

Any employee working overtime shall be placed on a mandatory rest period following a 24-hour period of continuous work. Deviations from this during periods of a declared emergency by the City Manager or Utilities General Manager may be approved by the Department Head. The rest period for planned and emergency overtime shall be nine (9) hours.

In the event a bargaining unit employee is called back to work following the end of his regularly scheduled shift, and proceeds to work more than five consecutive overtime hours, said employee shall then be entitled to a nine-hour rest period without compensation upon completion of assignment. Regularly scheduled lunch periods are not to be considered a part of this rest period. In the event the nine-hour rest period extends into the employee's next regularly scheduled shift, the employee shall suffer no loss of pay thereby. As far as is practicable, employees who have earned a rest period as stipulated in this section should be relieved at the start of their regular shift in order to take such rest period.

Employees on planned overtime who works more than six (6) consecutive overtime hours shall be entitled to a nine (9) hour rest period.

In the event of an emergency, the City may recall an employee during said rest period, but upon conclusion of the emergency, the employee shall be entitled to resume such rest period except under the following circumstances:

Effective the first payroll period in July 1994, if the employee cannot be or is not relieved and has earned a rest period, hours worked into the regular shift shall be paid for at a straight time upon straight time rate. Each such hour so compensated shall be considered as an hour of rest period taken.

- 1.7.1 If an employee is called back to work during the rest period hours which coincide with his regularly scheduled shift in lieu of resting, he shall be compensated at two (2) times his regular rate of pay for hours worked which overlap the rest period plus straight time for each rest period hour not taken during his regular shift; rest period hours so compensated shall be considered as rest period taken. Interruption of an employee's earned "Rest Period" is emergency call-out after being released from work
- 1.7.2 All emergency overtime hours worked outside an employee's regularly scheduled shift shall be paid at the applicable overtime rate regardless of their relationship to an earned rest period.
- 1.7.3 If Electrical Power System Dispatchers I and II classifications fall below 70% staffing (filled positions v. budgeted positions) during the term of this MOU, the parties agree to reopen to meet and confer about alternative work schedules, overtime and rest time options for the Electrical Power System Dispatchers I and II classifications.

1.8 Provisions of Food for Employees Working Emergency Overtime

- 1.8.1 Employees called out on emergency (unplanned) work basis shall be provided paid meal breaks and meal allowance (reimbursement) at regular mealtimes and/or when such employees are required to work more than four (4) hours, subject to the provisions below.

Meals may be taken off the job-site. Employees entitled to a paid meal break will receive up to 48 minutes for said break, exclusive of travel time, at the applicable rate plus an \$18 meal allowance for each meal actually taken. For each such meal break earned, the crew as a whole, may elect to forego

the meal break and meal allowance and receive in-lieu pay of one hour at the applicable rate.

- 1.8.2 The first meal break shall be provided four (4) hours after the first crew member clocks in at the designated reporting site. Subsequent meal breaks shall be provided at five (5) hour intervals measured from the start of the previous meal break to the start of the next meal break. An employee who has earned a meal break at the end of the overtime assignment but chooses to go home instead of taking the meal break shall be paid one hour's pay at two (2) times his regular hourly rate. No crew shall be denied a meal break on request after working six (6) consecutive overtime hours.
- 1.8.3 Meal break(s) and meal allowance will be provided, irrespective of the hours worked, to employees who are called back on an emergency basis within ninety (90) minutes after the regularly scheduled quitting time, or, if required to work on an emergency basis, more than two (2) hours beyond the regularly scheduled working shift.
- 1.8.4 Employees called to work on an emergency prior to the normal starting time will be provided a paid meal break, at the appropriate rate, and meal allowance as soon as practical after the beginning of the normal shift. In lieu provisions will not be allowed. Employees will be provided a meal allowance at the regular lunch period. The meal provisions for pre-shift emergency call outs do not apply to employees called out thirty (30) minutes or less prior to the start of shift.
- 1.8.5 Emergency (unplanned) meal provisions will not apply for employees required to work overtime on a planned or scheduled basis, although unpaid time off for meals will be allowed at regular meal hours, subject to the following:
 - 1. If the planned overtime assignment lasts six (6) hours or more beyond the last regularly scheduled meal break, the City will provide a meal break when the situation permits. Such meal break will be unpaid. The meal allowance shall be paid.
 - 2. If the planned overtime extends another five (5) hours a second meal is earned. This meal break shall be paid and a meal allowance will be paid.

1.9 Overtime

The following provisions shall apply to overtime compensation:

- 1.9.1 Two (2) times the employee's regular rate of pay.
- 1.9.2 Overtime is defined as assigned and authorized hours actually worked in excess of employee's normally assigned work shift

and/or forty (40) hours on any one workweek; compensation may be in cash or compensatory time off subject to the provisions of Section 1.10.

- 1.9.3 The City reserves the right, after consultation with the Union, to implement appropriate adjustments in order to conform to the Fair Labor Standards Act. As soon as practicable following the date of this agreement, the City shall cause necessary changes to be made in its payroll system so that payment for overtime during a pay period can be paid on the payday following the closing of the pay period.
- 1.9.4 The City will give twenty-four (24) hours (1 calendar day) notice of planned overtime. For purposes of the Evergreen list, notice (whether directly or by utilizing the Evergreen List) to one member of a crew needed for planned overtime constitutes notice to all members of the crew which ultimately fulfills the overtime assignment provided management makes continuous and reasonable efforts to contact the balance of the crew.
- 1.9.5 Overtime shall be divided as equally as practicable among those qualified and available for work in each classification using the Evergreen List as defined in Section 1.9.9 and call out procedures for emergency overtime as defined in Section 1.9.10 and planned overtime procedures as defined in Section 1.9.11. Overtime record (Evergreen List) will be maintained and posted monthly on the division bulletin boards. For the limited purpose of estimating equitable overtime distribution, an employee who refuses an overtime assignment will be charged with the number of overtime hours the crew worked.
- 1.9.6 Bargaining unit employees recognize the obligation to maintain electrical and water service to the residents, homes, and businesses of the City of Riverside. Because continuity in such services is so vital, all bargaining unit employees agree that they are expected to work, if necessary, beyond regularly scheduled working hours to provide electric and water service and when contacted, agree to report to work in such emergencies.
- 1.9.7 Employees who have appointments that might conflict with an overtime assignment should notify their immediate supervisor of such a possible conflict at the beginning of their regular work shift. Should the crew be notified it will be required for overtime, the Supervisor should make immediate arrangements to have such employees released at their normal end of shift.

1.9.8 If a crew is held over to work an assignment on overtime, employees who do not wish to work and have not complied with guideline number 1 (above) shall remain with the crew until management personnel bring appropriate replacement workers to the job site. At that time, those employees not desiring to work overtime will be transported to their normal reporting location and released from duty.

1.9.9 Evergreen Lists

- (a) There shall be two Evergreen Lists, one for emergency overtime (callout) and one for planned overtime (non-callout).
- (b) The Evergreen Lists shall indicate each employee's cumulative total of overtime hours compensated or refused for the current calendar year.
- (c) The Evergreen List shall be updated and posted on the division bulletin board within seven calendar days after the closing of each pay period. The cumulative total of overtime hours compensated or refused for the current calendar year shall be determined as of the last complete pay period.
- (d) The cumulative total of overtime hours compensated or refused in the previous calendar year shall be used for the Evergreen list posted in January. The cumulative total of overtime hours compensated or refused shall be determined as of the last complete pay period in December.
- (e) A new employee shall be placed on the Evergreen List with an average of the Evergreen List totals of all the other employees in the same classification. The average shall be determined by adding the Evergreen List totals for all the other employees in the classification and dividing by the total number of other employees in the classification.
- (f) In the event two or more employees in the same classification have the same Evergreen List total, the tied employees shall remain in the same order as in the prior list. In the event two or more employees in the same classification have a zero Evergreen List total, the employees tied at zero shall be listed in the same order that existed in the January Evergreen List.
- (g) In the event of an error in the Evergreen List, the error shall be corrected within one working day after it is

identified. A corrected Evergreen List shall be posted by the end of the next working day.

- (h) Call outs shall be made from the posted evergreen List regardless of the errors.
- (i) Employees on authorized leave of absence for the regularly scheduled shift before or after an overtime call shall not be charged for overtime refusal.
- (j) Employees on limited duty due to industrial injury or illness shall not be called for overtime or charged for overtime refusal.
- (k) Employees shall be automatically removed if on light duty, bereavement leave or if they are sick for more than three (3) days.
- (l) Employees not called for overtime through the error of a non-management employee shall not be subject to compensation for the error or adjustment to the evergreen list.
- (m) Employees not called for overtime through the error of a management employee shall be compensated for the error at the appropriate rate. This compensation cannot be taken as compensatory leave. Meals missed will not be eligible for compensation.
- (n) Employees must indicate availability if standby weekend.
- (o) City will continue to use Evergreen List to call out crews even when employees are on standby.
- (p) It will be the responsibility of the Utility Dispatch Supervisor to maintain the opt out vacation list accurately.

- 1.13.2 Beginning in October 2006, the City contributed \$50 per month per active employee to the Retiree Medical Fund.
- 1.13.3 Effective December 6, 2011 the City discontinued making monthly contributions to the Retiree Medical Trust Fund.

- 1.13.5 IBEW Local #47 has previously established a Retiree Medical Trust (TRUST). The purpose of the trust is to help pay premiums for health insurance for employees who retire from bargaining unit classifications on or after April 1, 1998. The trust is the successor to the IBEW Local #47/City of Riverside Health Insurance Premium Contribution Fund (FUND) for retirees. The trust must meet state law and applicable federal law pre-tax rules and regulations.
- 1.13.6 The trust shall determine all criteria for retiree medical benefits and keep the City informed of eligibility rules and benefit levels.

It is contemplated that retirees who are temporarily disqualified may regain eligibility. In such event, if during the period of ineligibility they did not maintain coverage in a City sponsored

health program at their own expense, they may apply for readmission to a City sponsored health insurance program for retirees. If the insurer won't let them back in and they qualify for and obtain an individual program of medical insurance the Fund will make the appropriate contributions to them for so long as they remain insured and eligible. Neither the Union nor the city is a guarantor of readmission or admission to a City sponsored health plan or to any other health insurance plan.

Any current employee who retires relying in whole or in part upon the availability of this benefit is not entitled to a continuation of the benefit beyond the funded amount. The continuation of this benefit is subject to the negotiation process and may be terminated through negotiations or by exhaustion of the Fund amount. In such event, the retiree will have no further right or entitlement to a continuation of this benefit.

This section titled "Retiree Medical" is subject to the savings and separability language of this Memorandum of Understanding and it is understood and agreed that the voiding of one of more components of this program will not automatically void the remaining components of the program.

- 1.13.7 The City's obligation is limited to contributions; it is not a guarantee of coverage. The City reserves the right to provide alternate medical plans and carriers.

The Trust is the sole responsibility of the Union and the Union is also responsible for the Trust's administration, investment and distribution levels at the Union's sole direction and expense; and,

If the Union's Trust is exhausted, for any reason, the City has no obligation to that Trust except the defined contributions as mentioned elsewhere in this document.

- 1.13.8 Retirees may elect to stay in a City provided health plan, so long as the City offers group medical plans for its active employees. The City shall not be responsible for paying any of the premium costs or any other expenses for retirees electing to stay in a City plan.

The spouse of a retiree for whom the City is making contributions may elect, upon the death of the retiree, to continue in the same plan for up to five (5) years at his/her own expense; subject to the contingency that such coverage may not be available for all or a portion of the five (5) years.

- 1.13.9 The City may, at its own expense, review or audit the financial statements of the trust. The City may offer comments or suggestions, but such comments or suggestions shall not be binding on the trustees and shall not be subjects of bargaining.
- 1.13.10 Funds contributed on behalf of City of Riverside employees shall be used only for the benefit of City of Riverside retirees and related administrative costs. No funds contributed on behalf of City of Riverside employees shall be used to benefit retirees from any other agency or entity.

Except for disciplinary matters, the grievant(s) shall first attempt orally and informally to resolve the matter with the immediate supervisor. If there is no satisfactory resolution, the grievance may proceed to Step One subject, however, to the time limits outlined therein.

16.4 Step One

No later than ten (10) working days following the act or omission giving rise to the grievance, or, no later than ten (10) working days following the date upon which the employee reasonably should have known of the act or omission, the grievant must present such grievance in writing on an appropriate form to the Department Head and Director of Human Resources..

The written grievance shall contain a statement of the grievance, the specific provisions, resolutions section and/or policies allegedly violated and the specific remedies sought.

The Department Head and Director of Human Resources shall communicate a written decision to the employee within ten (10) working days after receiving the grievance.

Either party is entitled, upon request, to a meeting at this step of the grievance procedure.

16.5 Step Two

In the event the grievant is not satisfied with the decision in Step One, the grievant may appeal the decision to the City Manager or designee within ten (10) working days of receiving the Department Head's written answer or the date the answer should have been delivered.

The City Manager or designee shall communicate a written decision within ten (10) working days after receiving the appeal.

Either party is entitled, upon request, to a meeting at this step of the grievance procedure.

16.6 Step Three

If the grievant is not satisfied with the decision of the grievance at Step Two, the grievant may request that the Union submit the grievance to binding arbitration.

In all matters concerning contract interpretation or administration of the M.O.U., the Union shall have exclusive authority to determine whether a grievance shall be taken to arbitration. If the Union chooses not to proceed on a disciplinary grievance, the employee may proceed at his/her own risk and expense to take the matter to arbitration. If the Union or employee elects to proceed, it must so request in writing to the City Manager within thirty (30) working days after the Step Two decision was or should have been rendered.

In the event the parties are unable mutually to agree upon an arbitrator within ten (10) working days after referral to arbitration, they shall request a panel of seven (7) names be submitted to both parties by the California State Conciliation Service. Upon receipt of the list of names, the parties shall alternately delete names from the list until only one remains, and said last named shall be selected as the arbitrator.

The arbitrator's decision shall be final and binding upon the parties hereto, and shall be in writing and shall set forth his findings of fact, his reasons, conclusions and remedy. The arbitrator's authority shall be limited to deciding the issues submitted by the parties; if the parties are unable to agree on the issue, each party shall submit a proposed statement of the issues to the arbitrator who will then determine the issue by selecting one party's statement or determine the issue by stating it prior to concluding the taking of evidence; the arbitrator shall have no jurisdiction or authority to add to, delete from, or modify the specific written provisions of the Memorandum of Understanding, City's salary and fringe benefit resolution or the City's written personnel policies.

Costs for the services of the arbitrator, including, but not limited to fees, per diem expenses, travel and subsistence expenses, a transcript, and the cost of a hearing room will be borne by the losing party. If the identity of the losing party is not clear from the award, and/or the parties disagree on who is the losing party, they may request the arbitrator to designate the losing party for purposes of this clause. In such event the arbitrator may apportion costs if appropriate in light of the award.

The parties shall share the cost of a transcript, if any. All other costs will be borne by the party incurring them.

The Grievance/Arbitration procedure is the exclusive remedy for resolving the issues contained in the grievance. While the decision of the arbitrator herein is final and binding, nothing in this agreement shall preclude the parties from seeking to confirm, vacate or correct the arbitrator's award pursuant to the California Code of Civil Procedure.

16.7 Miscellaneous

A unit member may be represented at all stages of the grievance procedure by himself prior to the Arbitration Step or, at his/her option by representatives provided by the Union. In this procedure, any reference to grievant means grievant and/or his/her representative.

ARTICLE 17 NO STRIKE/NO LOCK-OUT

Both the City and the Union recognize the continuing obligation to provide electrical and water service to the City of Riverside. Accordingly, during the term of this agreement, the Union, its officers, agents, representative and/or members agree they will not cause, condone or participate in any strike, walk out, work stoppage, job action, slowdown or sickout, including compliance with a request of other labor organizations to engage in any or all of the preceding activities. Also, members, as described above, will not engage in a sympathy strike with any other striking organization that may impact the work for the City.

During the term of this agreement, the City agrees it will not lockout employees represented by the Union.

ARTICLE 18 WORK CLOTHING AND TOOLS

- 18.1 The City will provide pullover rubber boots for Electric Supervisors to be worn during inclement weather. Replacement boots will not be provided unless the worn or damaged boots are turned in.
- 18.2 Water Division employees shall be provided rubber boots.
- 18.3 Employees will be provided twelve (12) t-shirts per year.
- 18.4 Effective fiscal year 2022-23, the City will provide Five Hundred Dollars (\$500) per year for a "boot allowance" for those employees required to wear "safety" or "steel toed" boots. However, it is understood that employees required to wear safety shoes/boots will wear safety shoes/boots which comply with City policy at all times while on duty.

ARTICLE 19 PERFORMANCE EVALUATIONS

It is agreed that an employee does not have to sign his/her Performance Evaluation when first presented with it. The employee may review the Evaluation if he/she so desires. A copy will be provided if requested. However, the employee must sign, or refuse to sign, within two (2) working days of the first presentation. The employee may add comments to the evaluation in the space provided.

ARTICLE 20 ARTICLE RESERVED FOR FUTURE USE

ARTICLE 21 LAYOFF AND RECALL

- (a) **PURPOSE:** To provide a fair and equitable basis for notifying affected employees and their bargaining representative of their rights and obligations in connection with a reduction in force for lack of work or lack of funds. This article applies in situations where the City has determined to reduce its workforce, temporarily or permanently, because of a lack of work and/or funds. The parties recognize that such circumstances may arise in a variety of situations including, but not limited to, technological changes, reorganizations, economic conditions, the elimination or reduction or modification of City services or activities or any other condition that would require a reduction in the workforce, unless otherwise specifically prohibited by the terms of the Agreement. This policy will not be used in any manner to end the employment of any individual for other than such legitimate reasons for layoff enumerated above. Accordingly, the City's decision to reduce its workforce and/or its determination that there is a lack of work or lack of funds are exclusively within the City's discretion and are not subject to this Agreement's Grievance/Arbitration clause.
- (b) **SENIORITY:** For purposes of this contract article, except where otherwise specified in this article, seniority is defined as continuous length of service within the job classification; ties shall be broken based upon continuous service in the employee's section; then employee's division; if employees are still tied, continuous service as a City employee will be used defined as employee's first date of paid service in a probationary or permanent status within the City. For purposes of this clause, the word "continuous" means service within a job classification which is not interrupted by a break of twelve (12) months or more. In the event of such break, the length of such break shall not count toward computing seniority. Seniority for part-time employees shall be computed on a pro-rated basis with 2080 hours equaling one year's service.
- (c) **NOTICE:** The City will notify affected employees and the Union in writing at least sixty (60) calendar days prior to the effective date of a planned layoff. The City may substitute pay in lieu of notice for all or a portion of the sixty (60) days provided that the combination of pay and notice covers no fewer than sixty (60) calendar days.

The notice of layoff shall specify the reasons for the layoff and identify by name(s) and classification(s) the employee(s) designated for layoff. The notice shall all inform the affected employee of his or her bumping rights, if any, as well as recall rights.

On the day of the Layoff Notice, the Department of Human Resources shall provide the Union with a Seniority List covering the bargaining unit.

- (d) **ORDER OF LAYOFF:** Layoffs will occur by affected classifications within the department. The order of layoff within the classifications shall be determined by length of service within the classification. The employee with the shortest period of service in the classification shall be laid off first. In cases of ties, the employee with the more recent hire date into the

section shall be laid off first. If still tied, continuous service in assigned division, if still tied, time in current department, if still tied, continuous time with the City (as defined in 21.B) will be used as a tiebreaker.

Layoffs shall occur within departments and within affected job classifications based on seniority and in the following order:

1. Temporary or provisional employees
2. Probationary part-time employees
3. Probationary full-time employees (except apprentices)
4. Probationary full-time employees due to promotion (apprentices, etc.) but with seniority on a full time basis prior to promotion
5. Permanent full-time employees

A regular employee who occupies a grant-funded position does not automatically lose his or her seniority rights when the grant is terminated or in the event of a length of service reduction in force.

In cases where employees work part-time (less than 40 hours per week) shall accrue on a pro rata basis on hours worked. (i.e. 2080 total hours worked would equal one year).

- (e) **BUMPING RIGHTS:** Employees scheduled for layoff shall have the absolute right to bump into a lower or lateral classification in which the affected employee had previously acquired permanency and where an employee with lesser seniority would otherwise be retained. Once notified, the employee will have seven (7) calendar days to notify the City that he/she will exercise his/her bumping rights. In the event the employee had not performed in the lower or lateral classification within the preceding five (5) years, the City may require the employee to demonstrate continued qualifications through an applicable test or tests. This paragraph applies to classifications which may be outside the bargaining unit. Affected and eligible management and supervisory employees as well as employees outside the bargaining unit may exercise bumping rights into the bargaining unit. Subject to the provisions of the next paragraph, employees may be eligible to bump into a lower or lateral classification within the employee's current or former classification series without having served in the specific classification.

Within ninety (90) days of ratifying this agreement, Union representatives and Human Resources Representatives may agree upon classifications series within the same department or within the City which are so similar as to justify bumping from a higher classification by an employee who may not have served in such classification. Any classifications created subsequent to this agreement shall be subject to the aforementioned process.

- (f) **RECALL:** If the City decides to restore the position vacated by a laid off employee or a vacancy in the position is created which the City determines to fill, laid off employees will be recalled in order of seniority

provided the vacancy occurs within twelve (12) months following the effective date of layoff for a probationary employee recall and thirty-six (36) months for a permanent employee recall.

Employees recalled within the above applicable period following the effective date of layoff shall be paid at the salary step previously held and the employee's anniversary date shall be established dating from the date of original hire minus the time between layoff and recall. Such employees will be entitled to utilize their previous seniority to compute sick leave and vacation benefits; unused sick leave, which was not otherwise used or paid for, shall be restored. Such employees will also be considered permanent employees, if permanent when laid off. Probationary employees will begin a new probationary period.

An employee notified of recall shall be notified by the Human Resources Department in writing via certified mail. The employee is responsible for notifying the Human Resources Department of his or her current address and telephone number.

An employee must notify the Human Resources Department within three (3) working days following receipt of notice of his or her intent to return to work. The employee must be available to return to work within ten (10) working days of receipt of such notice. An employee rejecting such recall will go to the bottom of the Recall List for the first rejection and will be removed from the list upon a second rejection. Failure to respond in a timely manner to the written notice is considered a rejection.

- (g) EFFECTS OF LAYOFF: The City will place employees in other departments if comparable vacant positions exist for which the employee is eligible and qualified and in the event that none exist, will contact other employers in order to help employees find other jobs if possible. The City will also provide referrals for job and career counseling, training and job fairs.

The City will maintain its level of contributions to all health and welfare benefits for laid off employees for three (3) months following the effective date of the layoff or until the employee is employed elsewhere, whichever occurs first.

This Article satisfies the City's obligation to meet and confer in connection with layoffs and the effects of layoff, except as provided below.

Upon request, the City shall meet with the Union to discuss alternatives to such layoff. Such discussion will not delay implementation of the layoff unless the City agrees so.

ARTICLE 22 DUES DEDUCTION

A. Dues Deduction

Each pay period, the Union shall provide the employer with an "authorized deduction report" which includes bargaining unit members who have authorized the deduction of Union dues and the deduction amounts.

The Employer shall make the dues deduction from the employees' paychecks and remit such deductions to the Union via Electronic Funds Transfer (EFT) within five (5) business days of each payday.

B. Indemnification

The Union shall indemnify and hold the Employer, its officers and employees, harmless from any and all claims, demands, suits, or any other action arising from the provisions herein.

ARTICLE 23 ENTIRE AGREEMENT AND RIGHTS

It is understood and agreed that existing ordinances, resolutions and policies of the City cover matters pertaining to employer-employee relations including, but not limited to, salaries, wages, benefits, hours and other terms and conditions of employment. Therefore, it is agreed that all such ordinances, resolutions and policies, including the Employer-Employee Relations Resolution are hereby incorporated herein by this reference and made a part hereof as though set forth in full and except as provided herein shall remain in full force and effect during the term hereof. The parties hereto agree that nothing in this Memorandum of Understanding shall in any manner abridge, restrict or modify the rights and prerogatives of the City and its employees as set forth in sections 4 and 5 of Resolution # 15079, or its successor, if any.

ARTICLE 24 WAIVER

The City and the Union agree that for the term of this agreement, each party waives its rights and each party agrees that the other party shall not be obligated to meet and confer with respect to any subject or matter pertaining to or covered by the agreement; except as to meeting and conferring over the renewal or continuation of this Memorandum of Understanding at its expiration date in accordance with said Employer-Employee Relations Resolution; and except as follows: Except in an emergency, the City will not change matters within the scope of representation without first notifying the Union and providing it an opportunity to meet and confer; emergency changes shall be limited to the duration of the emergency.

ARTICLE 25 SAVINGS

It is understood and agreed that this Memorandum of Understanding is subject to all present and future applicable federal and state laws and regulations and the provisions hereof shall be effective and implemented only to the extent permitted by such laws and regulations. If any part of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of federal or state laws or regulations, or otherwise held invalid or unenforceable by any tribunal of competent jurisdiction, such applicable laws and regulations and the remainder of this Memorandum of Understanding shall not be affected thereby and shall remain in full force and effect.

ARTICLE 26 CONTRACTING PROVISIONS

The parties agree that there will be no contracting out of bargaining unit work which directly results in the layoff of permanent bargaining unit employees. This clause expires midnight September 30, 2021 and will be of no further force or effect thereafter unless specifically agreed to in writing. This clause shall not be interpreted or applied as a limitation upon the City's right to sell, lease or license all or a substantial portion of the Public Utility Department's operations; in such event the City, upon request, will meet and confer over the impact of such sale, lease or licensing with regard to such matters as severance pay, retraining, outplacement, job counseling, etc. The City will provide the Union with contracting reports (public documents) provided to the Utility Board and with copies of RFPs issued by the City to solicit bids for water or electric work.

The parties also agree to meet regularly to discuss and share information regarding contracted out work during the term of the successor MOU.

ARTICLE 27 OTHER PROVISIONS

27.1 Drug testing – IBEW agrees to the Reasonable Suspicion and Post Accident Drug and Testing Policy, III-8 of the Human Resources Policy and Procedure Manual. Test thresholds shall be the same as those set forth in the United States Department of Transportation (USDOT) regulations. Only the Human Resources Director or designee can mandate testing. All employees subject to USDOT regulations shall remain so subject. All other employees will be subject to the City policy.

ARTICLE 28 TERMS OF AGREEMENT

Upon ratification by the City Council, this Memorandum of Understanding shall be effective January 1, 2022, except as otherwise specifically provided herein, and shall remain in full force and effect through midnight December 31, 2024. Nothing herein shall be read to prevent the parties from mutually agreeing thereafter to continue this agreement in effect on a day-to-day basis or until a successor Memorandum of Understanding is agreed upon.
