CITY ATTORNEY REPORT ON CLOSED SESSIONS

City Attorney Priamos announced that with respect to the closed session pursuant to Government Code Section 54956.9(b)(1) to confer with and/or receive advice from legal counsel concerning four cases of anticipated litigation, the City Council discussed a complaint received against Councilmember Davis from a City employee. The complaint was investigated and it was determined to be founded as against Mr. Davis. This afternoon, the City Council met in closed session to discuss the City's exposure to civil liability and litigation from Mr. Davis' conduct.

Mayor Pro Tem Bailey indicated that the City Council does not condone the actions of Councilmember Davis founded through a complaint and interview by a City employee and investigation by a private detective. The City Council continues to call for behavior expected of an official elected to serve the citizens of Riverside.

Councilmember Davis apologized if his actions on June 12, 2012, were misunderstood as disrespectful to the City employee. He disagrees that the complaint merits the determination of "founded" as he and other witnesses have not yet been interviewed and that further discussion is warranted before a final determination is made on this matter.

There were no reportable actions taken on the remaining closed sessions.

CONSENT CALENDAR

The following items were approved by one motion affirming the actions appropriate to each item with Councilmember Mac Arthur disqualifying himself from participating on the item regarding Case 12-0239 as he leases property to the applicant and the applicant has therefore been a source of income within the past twelve months.
