

RIVERSIDE PUBLIC UTILITIES

Board Memorandum

BOARD OF PUBLIC UTILITIES

DATE: NOVEMBER 14, 2022

**SUBJECT: SHAREHOLDER PROXY AUTHORITY AND ASSIGNMENT OF SHARES FOR
MUTUAL WATER COMPANIES**

ISSUE:

Consider approval to delegate shareholder proxy authority and assignment of shares as outlined in this report.

RECOMMENDATIONS:

That the Board of Public Utilities approve and recommend that the City Council:

1. Confirm the shareholder proxy authority for voting representatives and alternates outlined in the report;
2. Authorize the assignment of shares for each mutual water company owned by the City to the specified Board of Public Utilities members in the Attachment; and
3. Rescind any prior assigned shares owned by the City to the mutual water companies listed for individuals not identified in the Attachment; and
4. Delegate authority to any designated representative or alternate to vote the City's shares as the City's proxy at all meetings of the respective mutual water companies from the date of this action until amended, consistent with the City's adopted policies and strategic plan.

DISCUSSION:

Submitted for the Board of Public Utilities' consideration and recommendation to the City Council is the affirmation of the following City voting representation and alternates for Shareholders' Meetings of the mutual water companies in which the City owns stock and delegation of authority to these individuals to vote the City's shares as the City's proxy at all meetings of the respective mutual water companies:

MUTUAL WATER COMPANY

Gage Canal Company
Jurupa Ditch Water Company
Riverside Highland Water Co.
Trujillo Water Company

VOTING REPRESENTATIVE

Todd M. Corbin
David A. Garcia
David A. Garcia
Nancy Melendez

ALTERNATE

David A. Garcia
Michael Plinski
Michael Plinski
Gildardo Ocegüera

Meeks & Daley Water Company

David A. Garcia

Michael Plinski

The proxy authority would extend to matters that routinely come before the shareholders for consideration consistent with each company's articles of incorporation and bylaws, as well as voting for representation on the boards of directors for each company. A list of Annual Shareholder meeting dates and number of shares owned by the City in the various companies is attached to this report.

STRATEGIC PLAN ALIGNMENT:

This item contributes to the following Strategic Priorities and Goals:

Priority 5 - High Performing Government and **Goal 5.3** - Enhance communication and collaboration with community members to improve transparency, build public trust, and encourage shared decision making; and **Goal 5.5** - Foster a culture of safety, well-being, resilience and sustainability across the City Organization.

Priority 6 - Infrastructure, Mobility & Connectivity and **Goal 6.2** - Maintain, protect and improve assets and infrastructure within the City's built environment to ensure and enhance reliability, resiliency, sustainability, and facilitate connectivity.

This item aligns with each of the Cross-Cutting Threads:

1. **Community Trust** – Discussions related to pending policy issues, planning efforts, and actions to be taken by local mutual water companies allows RPU customers to provide input to the RPU Board and to RPU's voting representative and ensures community trust.
2. **Equity** – RPU's representatives understand the need for equitable distribution of services and their participation in local mutual water company meetings ensures those values are represented and communicated.
3. **Fiscal Responsibility** – Determining the value of projects and programs being proposed by local mutual water companies allows RPU representatives to vote in a financially responsible manner.
4. **Innovation** – Collaborating with other neighboring water companies and others throughout the watershed allows for creative and regional solutions. Ensuring reliable and clean water supplies are available for future generations is the goal of water providers.
5. **Sustainability & Resiliency** – RPU's representatives understand the direction from City Council and will encourage and promote projects that are implemented in a sustainable manner.
