INTRODUCTION

The Governor’s Office of Business and Economic Development (GO-Biz) serves as the State of California’s leader for job growth and economic development efforts. GO-Biz offers a range of services to business owners including: attraction, retention and expansion services, site selection, permit assistance, regulatory guidance, small business assistance, international trade development, assistance with state government, and much more.

BACKGROUND AND PROGRAM OVERVIEW

On November 8, 2016, California voters approved Proposition 64, the Control, Regulate, and Tax Adult Use of Marijuana Act (AUMA). In its statement of purpose and intent, AUMA calls for regulating cannabis in a way that “reduces barriers to entry into the legal, regulated market.”

Cannabis prohibition and criminalization had a devastating impact on populations and communities across California. Individuals convicted of a cannabis offense and their families suffer the long-term consequences of prohibition and criminalization. These individuals have a more difficult time entering the newly created adult-use cannabis industry due, in part, to a lack of access to capital, business space, technical support, and regulatory compliance assistance.

During the era of cannabis prohibition in California, the burdens of arrest, convictions, and long-term collateral consequences arising from a conviction fell disproportionately on African American/Black and Latinx/Hispanic people, even though people of all races used and sold cannabis at nearly identical rates. The California Department of Justice data shows that from 2006 – 2015, inclusive, African American/Black Californians were two times more likely to be arrested for cannabis misdemeanors and five times more likely to be arrested for cannabis felonies than Caucasian/White Californians. During the same period, Latinx/Hispanic Californians were 35 percent more likely to be arrested for cannabis crimes than Caucasian/White Californians. The collateral consequences associated with cannabis law violations, coupled with generational poverty and lack of access to resources, make it extraordinarily difficult for persons with convictions to enter the newly regulated industry.¹²

GO-Biz administers the Cannabis Equity Grants Program for Local Jurisdictions to aid local equity program efforts to support equity applicants and equity licensees. Offering technical support, regulatory compliance assistance, and assistance with securing the capital necessary to begin a business will further the stated intent of the AUMA by reducing barriers to licensure and employment in the regulated industry. Offering these types of support will also aid the state in its goal of eliminating or reducing the illicit cannabis market by bringing more people into the legal marketplace.

PURPOSE

The purpose of the Cannabis Equity Grants Program for Local Jurisdictions is to advance economic justice for populations and communities harmed by cannabis prohibition and the War

² AB 97, Stats. 2019, Ch. 40.

on Drugs (WoD) by providing support to local jurisdictions as they promote equity and eliminate barriers to enter the newly regulated cannabis industry for equity program applicants and licensees. By issuing these grants to local jurisdictions, GO-Biz aims to advance the well-being of populations and communities that have been negatively or disproportionately impacted by cannabis prohibition and the WoD.

The term “equity” recognizes that because different individuals or groups have different histories and circumstances, they have different needs and unequal starting points. Using an equity approach, individuals and groups receive different resources, opportunities, support, or treatment based on their specific needs. By providing what each individual or group needs, they can have equitable or fair outcomes. Therefore, cannabis equity programs should be distinct from other types of assistance programs by their focus and intentionality in understanding the specific systemic barriers and injustices different individuals or groups face when trying to access opportunity in the cannabis marketplace.

Local jurisdictions can help further the purpose and intent of the AUMA by fostering equitable access to licensure and business ownership in the regulated cannabis industry, ensuring that persons most harmed and economically disadvantaged by cannabis criminalization are offered assistance, and priority licensing when possible, to enter the multibillion-dollar cannabis industry as entrepreneurs.

FUNDING

A total of fifteen million dollars (\$15,000,000) is available for fiscal year 2022-2023. There are two application types which are defined below. Applications for Funding Request Type 1 are subject to a maximum request of seventy-five thousand dollars (\$75,000) and the total amount available for this application type is two million dollars (\$2,000,000). In the event the total amount of funding requested in approved applications for Funding Request Type 1 exceeds the amount available for this application type, the grant amount allocated for each approved Funding Request Type 1 application shall be prorated.

Applications for Funding Request Type 2 are subject to a maximum request of five million dollars (\$5,000,000) and will be allocated grant funds using a point-based scoring system and funding formula. The total amount available for Funding Request Type 2 applications will be the difference between the total amount of funding available for the fiscal year and the total amount approved for Funding Request Type 1 applications. If a Funding Request Type 2 applicant requests an amount less than it would be entitled to based on the point-based scoring system and funding formula, then the applicant will be awarded the lesser amount. Please refer

to the Application Review and Scoring Criteria section of this document for a detailed description of the point-based scoring system and funding formula.

Grant funds may only be used for eligible activities and the amount awarded may only be expended during the grant term. Expenses incurred prior to the execution of the grant agreement and/or prior to the beginning of the grant term are not eligible costs.

Note: Beginning fiscal year 2023-2024 (July 1, 2023 – June 30, 2024) applications for Funding Request Type 2 will be subject to the following funding match requirements:

- Funding Request Type 2 grant awards in excess of five hundred thousand dollars (\$500,000) will require 1:1 matching funds from the local jurisdiction during the grant term for the amount in excess of five hundred thousand dollars (\$500,000).
- Funding Request Type 2 grant awards of up to five hundred thousand dollars (\$500,000) will not require any matching funds from the local jurisdiction during the grant term.
- In-kind contributions may not be counted as matching funds, except for the value of the wages and benefits of local jurisdiction staff performing local equity program services. Wages and benefits of staff must be prorated unless 100 percent of the employee's time is dedicated to the jurisdiction's local equity program.
- Grant funds from GO-Biz, the Department of Cannabis Control, or any other California State Agency or Department may not be counted as matching funds.
- Local jurisdiction matching funds must be expended during the grant term for eligible Funding Request Type 2 activities and be documented in the jurisdiction's approved GO-Biz Budget Spreadsheet.

Examples: In fiscal year 2023-2024 (July 1, 2023 – June 30, 2024), a Funding Request Type 2 grant award of \$900,000 will require \$400,000 in matching funds from the local jurisdiction. A Funding Request Type 2 grant award of \$2,000,000 will require \$1,500,000 in matching funds from the local jurisdiction. A Funding Request Type 2 grant award of \$450,000 will not require any matching funds from the local jurisdiction.

All grant agreements must be signed by the local jurisdiction through this platform.

To receive grant funding, a resolution is required from the local jurisdiction’s governing body authorizing the local jurisdiction to enter into the grant agreement with GO-Biz and designating by title the individual who is authorized to sign the agreement on behalf of the local jurisdiction. Once notified of selection, it is important that the local jurisdiction place a resolution request on the governing body’s agenda immediately to avoid funding delays. A sample resolution is available at www.business.ca.gov/CEG. The resolution must contain all of the components found in the sample resolution.

The applicant must submit the adopted resolution and sign the grant agreement through GO-Biz’s electronic signature platform. GO-Biz will then distribute the funds which will be issued directly to the local jurisdiction in one disbursement. If a local jurisdiction selected for funding fails to provide the required resolution by the date indicated by GO-Biz or fails to electronically sign the grant agreement in the form and manner prescribed by GO-Biz before the deadline, GO-Biz in its sole discretion may determine that the applicant is no longer eligible for the grant funds.

GO-Biz’s determination as to eligibility for grant funding, or the amount of grant funding awarded, is not subject to appeal. GO-Biz reserves the ability to modify applicant budgets if included costs are deemed ineligible. A local jurisdiction selected for funding will be required to be in compliance with the Drug-Free Workplace Certification and Nondiscrimination Compliance Statement as required by state law. All grant funds must be expended within the

grant term. GO-Biz may require that any funds not expended within the grant term be returned to GO-Biz.
