RE: RICHARD A. NAGGAR
[REDACTED]

Dear Investigation Staff:

It is a pleasure to provide this letter to support the application of Richard A. Naggar to serve as a Deputy Probation Counselor in the Orange County Probation Department. I want to convey my strongest recommendation for Richard's application.

I have known Richard for over two years. He is mature, organized, and socially adroit. Richard is culturally sensitive, experienced in supervising youth, and thoughtful. He has held a number of positions in sales, real estate management, and food services. He would be a superb role model for youth.

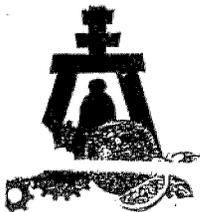

He is an outstanding parent – I know his children – and he is involved with a number of community youth service programs. He has served as a counselor for a rape crisis center and assisted the YMCA. Richard will complete his Associate of Arts degree from Los Angeles Harbor College in June, 2002. When Richard completed my Introduction to Sociology course he earned a grade of "A".

I believe Richard would be a tremendous asset to the Orange County Probation Department. If you have questions or need additional information to act positively on Richard Naggar's application, please telephone me at (323) 526-5563.

Sincerely,

His genuine interest in people, coupled with his energy and enthusiasm, generate confidence that he is dedicated to whatever his current project(s), and that everything that can be done will be done.

Richie's consistent interest and encouragement are key to his success in the public relations, real estate, sales and marketing, and property management fields. He is willing to take the time to listen and apply his significant knowledge and experience to helping others reach their goals.

Based on my knowledge and observation of Richie over the past three years, it is my belief that he would be a welcome addition to any organization. Please feel free to contact me if you require additional information.

Re: Richard Alan Naggar
Letter of Reference

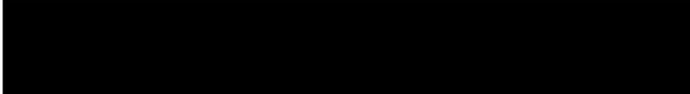

To Whom It May Concern:

As the "point man" for a corporation in a lawsuit in which I represent another party, I have known Mr. Richard Naggar for approximately one (1) year.

It has been my pleasure to have made Mr. Naggar's acquaintance as he has been honest and forthright -- without guile or deception. He has a clear understanding of the legal process and the law. I have found Richard to be ethical and extremely hardworking -- someone any organization would be proud to have as their representative.

I have heard nothing but good things about Richard. Similarly, I have nothing but good things to say about him. I wish him the best in any endeavor, which he might pursue.

Sincerely,

David H. Heisler

Re: Letter of Recommendation

For: Richard Alan Naggar

To Whom It May Concern:

My name is Dr. Robert Mitchell. Currently, I am a attorney and partner at the law firm of Lobb Cliff & Lester, LLP, and have been an attorney for almost 18 years. I have also taught political science at Santiago Community College from 1998 to 2006. The recommendation in this letter is based on my personal knowledge of Mr. Naggar and not on behalf of the law firm.

It has been my pleasure to have interacted with Mr. Naggar in his capacity as the point of contact for Fidelity Homes Inc a corporate client of the firm. It is my understanding that his current position is Director of Business Development as well as Director of Sales, Marketing, and Property Management for Fidelity. Richie has made my job considerably easier by grasping not only the legal concepts, but also because of his understanding of the motives and idiosyncrasies of people. Mr. Naggar applies this knowledge to the miscellaneous arenas of the Real Estate Industry. His skills in communicating and interpreting complex issues allow him to navigate with ease through the multiple personalities regardless of what side you are on. Being clear, precise, and laser like in his responses helps keep everyone on the same page

WILL TO WALK THROUGH

Always on time or early for meetings, his contribution keeps us focused and on the mission. This results in saved time and money. During the course of lengthy litigation, I had the opportunity to observe his ethics, honesty, and integrity – all of which are above reproach. Even more compelling is the fact that when he does not know something, he states it, and then goes about finding a solution. It is a pleasure to watch Mr. Naggar masterfully applying these skills.

Mr. Naggar would be an asset to any organization, firm, or corporation and I wholeheartedly recommend him to you. I would be pleased to discuss Mr. Naggar further if anyone would so wish.

Sincerely,

Dr. Robert Mitchell

OF COUNSEL
RICHARD BUSHNELL

To whom it may concern:

Richie Naggar as asked that I provide him with a letter of reference. It is my pleasure to do so.

I first came to know Rich when the company he worked for, Vosi Technologies, contacted us to explore a complex legal case. Richie was the point of contact and we hit it off. He has a very professional demeanor and is able to interpret and simplify complex issues. He also interacted very well with all our professional staff and always left everyone on a positive, upbeat note. It appears that Richie was the go to guy for the company and the company point of contact. His communication skills are superior and his presentation of any given situation is thorough. We worked together for about 1.5 years. In all during that time, I found him to be consistent and reliable and honest.

In regards to his character, I have found him to be open and readable at all times. He has mastered the ability to be honest, straightforward, but compassionate at the same time. We found Richie to be a hard worker and well liked by everyone.

I was impressed of the media coverage that Richie created for the company. Everyone that we spoke to that knows him, speaks very well of him. He presents himself and the company extremely well.

It is a pleasure to interact with a rule player, that is someone that plays by the ground rules. He is that type of person. By adhering to company policies and procedures, an atmosphere of trust and high standards thrives. He brings that attribute to bear and everyone ends up on the same page. He is a good foundation to build on. Without prompting, he would continually keep us updated and provided the glue that kept us together and kept us moving forward. He also has a genuine capacity to solve problems and take the initiative.

I would highly recommend this man to any organization or team that wishes to add a value and insurance to the bottom line. If you need further information, please don't hesitate to contact me.

Sincerely,

Drummond & Duckworth

To Whom It May Concern:

Richie Naggar has asked that I prepare a letter of referral on his behalf, which I do with the greatest pleasure.

I have worked with Mr. Naggar for the past three years in connection with his employment with the Orange County research and development company, Vosi Technologies, Inc. As Vosi's Intellectual Property attorney, I have had virtually constant contact with Mr. Naggar as a result of his capacity as Vosi's head of marketing, and Vosi's implicit "all around" task master.

During my involvement with Mr. Naggar, I have seen him work on such diverse projects as litigation coordinator, licensing liaison, marketing manager, and human resources director, among many others. I have found his skills and judgement exemplary. Moreover, he brings an attitude and disposition which makes him welcome to work with. No job is too small or too big for Mr. Naggar as he brings overflowing energy and enthusiasm to every project which he works upon.

Finally, there is absolutely no question that he exhibits the very highest degree of integrity. I have seen this demonstrated time and time again.

Thank you very much for considering this recommendation. Please contact me if I can furnish any additional information or clarification.

Yours very truly,

DRUMMOND & DUCKWORTH

To Whom It May Concern:

RE: Richard A. Naggar

It is a pleasure for me to write a Letter of Recommendation in respect of Richard whom I have had the opportunity to work with in various community and economic development activities during the past year.

I have found Richard a very competent and professional. As a seasoned community and business leader, I have observed his ability to complete challenging assignments. He and I have worked quite closely during the past year on various economic development projects setting up various opportunities for the surrounding region. He assisted in developing a community outreach program and insured that all protocols for the project were followed as per the client's direction.

Since working with Richard, I have observed that he has made significant progress in his career development and has assumed more areas of responsibility. He has mastered each new assignment with ease and has won the praise of those public and private sector managers that his firm deals with on a daily basis. I am very proud to count Richard Naggar as a colleague and I am especially proud of his dedication to duty and I know he will excel in any endeavor he undertakes.

Mr. Naggar is a thoroughly likeable gentleman, who has a keen sense of humor, and a mature sense of responsibility and always has the welfare of his peers at heart.

I would recommend Richard with out reservation to anyone who requires an intelligent, honest, hardworking and competent individual who they can trust in any area of their organization.

Sincerely,

To Whom It May Concern:

My name is David Ramsey O'Shaughnessy, and I am a full-time instructor of philosophy and humanities at Los Angeles Harbor College. I am writing this letter on behalf of one of my students -- Richard Allen Naggar.

I am very familiar with Mr. Naggar in that he completed with me four general education speech, humanities, and philosophy classes here at LAHC. Mr. Naggar earned As in all four courses, and clearly demonstrated the skills and commitment worthy of such top grades.

More noteworthy even than his grades is Mr. Naggar's persona. He is mature, warm, encouraging, and sensitive in extraordinary degrees. His presence added much to all of the classes, and I was always glad to have him on board. Over the semesters, I came to think of him as more than a student, but also as a friend. I believe him to be a good person.

I recommend Richard Allen Naggar without reservation, and would be glad to be contacted on his behalf.

Sincerely,

D.R. O'Shaughnessy

To whom it may concern:

I would like to recommend Richard Alan Naggar (Richie). I came to know Richie through my son John. They met at Mimi's Café around 1993-1994. They have become good friends and have accomplished much together.

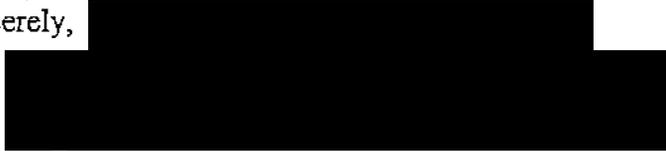

Rich is a remarkable man. My sister, who lives in Ojai, was having a problem with a tenant. Rich has a strong background in landlord/tenant laws and relations. He is very knowledgeable about contracts and general court proceedings. He volunteered to see her and guide her through a stressful, complicated procedure. She is elderly and had just lost her husband. The gesture was noble. The results worked out for the best with his help.

A few years later, my son was harassed. This person was about to take matters into his own hands over a failed business arrangement. Unprovoked physical, mental and emotional threats were made against my son. The police were contacted, and we were told that there was very little to be done unless it escalated into unlawful activity. While Rich was visiting with my son at his place of business, this individual drove by and made intimidating gestures. Rich was able to intervene in a calm and collected manner. He instructed the young man to pursue his disagreement in court and not take matters into his own hands. Rich is gifted in communication skills and was able to reason with this man, who was at the time, quite irrational. Subsequently, the man took Rich's advice and took the matter to court where he ultimately lost. I look back and see the difference that Rich made in that situation for all of us. His faith in the laws of the land and his fellow man are the foundation of his success.

On another occasion, I had the misfortune of hiring a contractor who did not complete repairs per our agreement on my home. Rich has extensive experience in construction and legal matters. He was able to guide me to a solution without my seeking expensive counsel.

My son has discovered a good friend who is honest and knowledgeable in the practical events of life. The fact that he truly cares makes it a compelling story. If you are considering Rich Naggar for any position, I congratulate you on your choice. If you have any questions regarding this young man, please do not hesitate to contact me.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION: (474 Characters Max)

I want to help provide informed dialogue between the police and the public; to ensure that the public's voice is heard and that police officers receive the credit that is their due.
 Our police force is an essential component of the community's safety and security. Too often the two groups are at odds. I believe that our officers will better serve us and the public will better be able to assist in keeping our neighborhoods safe if the two can communicate clearly.
