## CITY COUNCIL ACTION

- Approved the retroactive demolition of the single family residence.
- Directed CHB as follows:
  1. Form a subcommittee to work with applicant
    - a) Formed no later than the CHB's March 2020 meeting; and
    - b) Meet with the Applicant within 30 days
  2. Consider a COA by May 2020 for final action.
  3. Should the CHB fail to take final action by May 2020, the case will return to the City Council for final action.

## RECOMMENDATIONS

### That the Cultural Heritage Board:

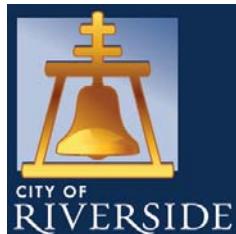

1. **ESTABLISH** a subcommittee that will meet with the applicant, within 30 days of formation, to work on architectural modifications of the proposed plans for a replacement of a demolished non-contributing structure of the Mount Rubidoux Historic District with a new single-family residence main level, two-car garage and expansion of the basement that will be considered by the CHB for a Certificate of Appropriateness by May 2020.
