NOW, THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF RIVERSIDE, CALIFORNIA, AS FOLLOWS:

Section 1. Proposed Community Facilities District. A community facilities district is proposed to be established under the provisions of the Act. The name proposed for the community facilities district is “Community Facilities District No. 2021-2 (Riverpointe/Park Place) of the City of Riverside.”

Section 2. Description and Map of Boundaries. The boundaries of the proposed community facilities district are described and shown on the map entitled “Proposed Boundary Map Community Facilities District No. 2021-2 (Riverpointe/Park Place) City of Riverside, County of Riverside, State of California” which is on file with the City Clerk. Said map is approved and, pursuant to Section 3110 of the California Streets and Highways Code, the City Clerk shall, after conforming with the other requirements of Section 3111 of said Code, record the original of said map in her office, and not later than 15 days prior to the date of the public hearing set forth in Section 8 hereof shall file a copy of said map with the County Recorder of the County of Riverside.

Section 3. Types of Facilities and Incidental Expenses. The Facilities proposed to be financed by the District are public facilities as defined in the Act, which the City is authorized by law to construct, acquire, own and operate. The rate and method of apportionment and manner of collection of the Special Tax are described in detail in Exhibit “A” attached hereto, which is incorporated herein by this reference (the “Rate and Method”). The City Council hereby finds and determines that the description of the Facilities herein is sufficiently informative to allow taxpayers within the proposed District to understand what the funds of the District may be used to finance. Additionally, the City Council hereby finds that the Rate and Method allows each landowner within the District to estimate the maximum amount of the Special Tax that may be levied against each parcel.

The Incidental Expenses expected to be incurred include the cost of engineering, planning, designing, materials testing, coordination, construction staking, construction management and supervision for the Facilities, the costs of forming the District, issuing bonds and levying and collecting the Special Tax within the proposed District, and any other expenses incidental to the construction, acquisition, modification, rehabilitation, completion and inspection of the Facilities. The Facilities may be acquired from one or more of the property owners within the District as completed public improvements or may be constructed from bond or Special Tax proceeds.

All or a portion of the Facilities may be purchased with District funds as completed public facilities pursuant to Section 53314.9 or as discrete portions or phases pursuant to Section 53313.51 of the Act and/or constructed with District funds pursuant to Section 53316.2 of the Act. Any portion of the Facilities may be financed through a lease or lease-purchase arrangement if the District hereafter determines that such arrangement is of benefit to the District.

Section 4. Types of Services. The Services proposed to be provided for the benefit of the District described in Exhibit “C” hereto and are public services as defined in the Act, and this City Council finds and determines that the Services to be financed are in addition to those provided in the territory of the District at the present time and do not supplant services already available within the territory of the District at the present time. The City Council hereby finds and determines that the description of the Services herein is sufficiently informative to allow taxpayers within the proposed District to understand what the funds of the District may be used to finance. The Services Incidental Expenses expected to be incurred include the costs of planning the Services, the costs of forming the

District, the cost of levying and collecting a special tax within the proposed District and the cost of administration.

Section 5. Special Taxes. Except where funds are otherwise available, special taxes sufficient to pay for all such facilities and services, to pay for debt service on other obligations of the City relating to such facilities, and to pay the principal of and interest on the bonds of the proposed District and the annual administrative expenses of the City and the proposed District in determining, apportioning, levying and collecting such special taxes, and in paying the principal of and interest on such bonds and the costs of registering, exchanging and transferring such bonds, secured by the recordation of a continuing lien against all taxable or nonexempt property in the proposed District, shall be annually levied within the proposed District.

All Parcels of taxable property in the territory of the proposed District shall be subject to the annual levy of special taxes to pay for the Facilities and Services and the principal of and interest on the aggregate principal amount of the bonds of the proposed District that may be issued and sold to finance the design, construction and acquisition of the Facilities.

The Rate and Method to be levied on parcels of taxable property in the proposed District to pay for the Facilities and the principal of and interest on the bonds of the proposed District that may be issued and sold to finance the Facilities or to pay or accumulate funds for paying the costs of the design, construction and acquisition of such facilities, or to pay other debt obligations of the City relating to such facilities are set forth in Exhibit "A" attached hereto.

The maximum amounts of special taxes that may be levied in any fiscal year on parcels within the proposed District that are used for private residential purposes ("Residential Parcels") are specified in dollar amounts in Exhibit "A" attached hereto. Special taxes shall not be levied on any Residential Parcels to pay the capital cost of the facilities or the principal of and interest on the outstanding bonds of the community facilities district after the tax or fiscal year beginning on July 1, 2061 and ending on June 30, 2062, and that fiscal year shall be the last tax year in which special taxes shall be levied on Residential Parcels for such purpose. Special taxes for Services shall be levied as long as it is needed, as determined at the sole discretion of the City Council. Under no circumstances shall the special taxes levied in any Fiscal Year against any Assessor's Parcel of Residential Property be increased as a result of a delinquency or default in the payment of the Special Tax applicable to any other Assessor's Parcel by more than ten percent (10%) above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default.

The conditions under which the obligation to pay Special Tax A (as defined in the Rate and Method) may be prepaid and permanently satisfied are as set forth in Exhibit "A" attached hereto. Special Tax B (as defined in the Rate and Method) may not be prepaid or permanently satisfied.

Pursuant to Section 53340 of the Act, said special taxes shall be collected in the same manner as ordinary *ad valorem* property taxes are collected and shall be subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for *ad valorem* taxes.

Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the California Streets and Highways Code, a continuing lien to secure each levy of the special taxes shall attach to all non-exempt real property in the proposed District, and that lien shall continue in force and effect until the special tax obligation is prepaid and permanently satisfied and the lien canceled in accordance with law or until collection of the special taxes ceases.

Section 6. Exempt Properties. Pursuant to Section 53340 of the Act, and except as provided in Section 53317.3 of the Act, properties of entities of the state, federal, and local governments shall be exempt from the levy of special taxes.

Section 7. Necessity. The City Council finds that the proposed Facilities and Services described in Section 3 and Section 4 hereof, respectively, are necessary to meet increased demands placed upon the City as a result of new development occurring within the boundaries of the proposed District.

Section 8. Hearing. A public hearing on the formation of the proposed District shall be held at 3:00 p.m. on September 7, 2021 (the “Hearing”) in the Art Pick Council Chamber located at 3900 Main Street, Riverside, California. At the time and place set forth above for the Hearing, any interested person, including all persons owning lands or registered to vote within proposed District, may appear and be heard.

Section 9. Notice. The City Clerk is hereby directed to publish a notice (the “Notice”) of the Hearing pursuant to Section 6061 of the Government Code in a newspaper of general circulation published in the area of proposed District. The City Clerk is further directed to mail a copy of the Notice to each of the landowners within the boundaries of the District at least 15 days prior to the Hearing. The Notice shall contain the text or a summary of this Resolution, the time and place of the Hearing, a statement that the testimony of all interested persons or taxpayers will be heard, a description of the protest rights of the registered voters and landowners in the proposed district and a description of the proposed voting procedure for the election required by the Act. Such publication shall be completed at least seven (7) days prior to the date of the Hearing.

Section 10. Report. The City Manager, the Chief Financial Officer, or their designee(s), being the officer(s) of the City who will be responsible for providing the proposed types of public facilities and services to be provided within and financed by the proposed District, if it is established, shall study the proposed District, and, at or before the time of said hearing, file a report or reports with the City Council containing a brief description of the public facilities and services by type which will in their opinion be required to adequately meet the needs of the proposed District and their estimate of the fair and reasonable cost of providing those public facilities and services and the incidental expenses to be incurred in connection therewith. All such reports shall be made a part of the record of the hearing to be held pursuant to Section 8 hereof.

Section 11. Description of Voting Procedures. The voting procedures to be followed shall be pursuant to Section 53326 of the Act and pursuant to the applicable provisions of the Election Code.

Section 12. Bonded Indebtedness. The reasonably expected maximum principal amount of the bonded indebtedness to be incurred by the District for the Facilities and Incidental Expenses is Five Million Five Hundred Thousand Dollars (\$5,500,000).

Section 13. Reserved Powers. Except to the extent limited in any bond resolution or trust indenture related to the issuance of bonds, the City Council hereby reserves to itself all rights and powers set forth in Section 53344.1 of the Act (relating to tenders in full or partial payment).

Section 14. Effect. This Resolution shall be effective upon its adoption.

- Step Three: If additional moneys are needed to satisfy the Special Tax A Requirement after the first two steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Undeveloped Property up to 100% of the Assigned Special Tax A for Undeveloped Property applicable to each such Assessor's Parcel as needed to satisfy the Special Tax A Requirement.
- Step Four: If additional moneys are needed to satisfy the Special Tax A Requirement after the first three steps have been completed, then the Special Tax A on each Assessor's Parcel of Developed Property for which the Maximum Special Tax A is the Backup Special Tax A shall be increased Proportionately from the Assigned Special Tax A up to 100% of the Backup Special Tax A as needed to satisfy the Special Tax A Requirement.
- Step Five: If additional moneys are needed to satisfy the Special Tax A Requirement after the first four steps have been completed, the Special Tax A shall be levied Proportionately on each Assessor's Parcel of Provisional Undeveloped Property up to 100% of the Assigned Special Tax A applicable to each such Assessor's Parcel as needed to satisfy the Special Tax A Requirement.

Under no circumstances will the Special Tax A levied against any Assessor's Parcel used as a private residence be increased as a consequence of delinquency or default by the owner of any other Assessor's Parcel or Parcels within the CFD by more than ten percent (10%) of the Special Tax A that would have been levied in that Fiscal Year, had there never been any such delinquencies or defaults, pursuant to

California Government Code Section 53321(d), as in effect on the date of formation of CFD No. 2021-2.

SECTION G PREPAYMENT OF SPECIAL TAX A

The following definition applies to this Section G:

“CFD Public Facilities” means \$2,965,119, expressed in 2021 dollars, which shall increase by the Construction Inflation Index on July 1, 2022, and on each July 1 thereafter, or such lower number as (i) shall be determined by the Administrator as sufficient to provide the public facilities under the authorized bonding program, or (ii) shall be determined by the City Council concurrently with a covenant that the CFD will not issue any more Bonds to be supported by the Special Tax A levied under this Rate and Method of Apportionment.

“Construction Fund” means, collectively, all accounts specifically identified in the Indenture to hold funds which are currently available for expenditure to acquire or construct public facilities eligible under the Act and any accounts established prior to the issuance of Bonds for such purpose.

“Construction Inflation Index” means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the Administrator that is reasonably comparable to the Engineering News-Record Building Cost Index for the City of Los Angeles.

“Future Facilities Costs” means the CFD Public Facilities minus: (i) Bond proceeds deposited in the Construction Fund and (ii) other amounts (special taxes, interest earnings, etc.) allocated to the Construction Fund that were available to fund such CFD Public Facilities prior to the date of prepayment.

“Outstanding Bonds” means all previously issued Bonds, which will remain outstanding after the payment of principal from the amount of the Special Tax A that has been levied, excluding Bonds to be redeemed at a later date with the proceeds of prior prepayments of the Special Tax A.

1. Prepayment in Full

The Special Tax A obligation may be prepaid and permanently satisfied for: (i) Parcels of Developed Property, (ii) Parcels of Approved Property, Undeveloped Property, or Provisional Undeveloped Property for which a Building Permit has been issued, (iii) Parcels of Approved Property, Undeveloped Property or Provisional Undeveloped Property for which a Building Permit has not been issued, and (iv) Parcels of Public Property or Property Owners’ Association Property that are not Exempt Property pursuant to Section L. The Special Tax A obligation applicable to a Parcel may be fully prepaid and the obligation to pay the Special Tax A for such Parcel permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay the Special Tax A obligation for

such Parcel shall provide the Administrator with written notice of intent to prepay, and within five (5) business days of receipt of such notice, the Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the Prepayment Amount (as defined below) for the Parcel. Within fifteen (15) days of receipt of such non-refundable deposit, the Administrator shall notify such owner of the Prepayment Amount for the Parcel. Prepayment must be made not less than sixty (60) days prior to the redemption date for any Bonds to be redeemed with the proceeds of such prepaid Special Tax A.

The Prepayment Amount shall be calculated as follows (capitalized terms are defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
<u>less</u>	<u>Reserve Fund Credit</u>
equals	Prepayment Amount

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax A delinquencies apply to such Parcel.
2. For a Parcel of Developed Property, compute the Maximum Special Tax A for the Parcel. For a Parcel of Approved Property or Undeveloped Property for which a Building Permit has been issued, compute the Maximum Special Tax A for the Parcel as though it was already designated as Developed Property, based upon the Building Permit which has been issued for the Parcel. For a Parcel of Approved Property or Undeveloped Property for which a Building Permit has not been issued, Public Property or Property Owners' Association Property to be prepaid, compute the Maximum Special Tax A for the Parcel.
3. Divide the Maximum Special Tax A derived pursuant to paragraph 2 by the total amount of the Special Tax A that could be levied at build out of all Parcels of Taxable Property based on the applicable Maximum Special Tax A for all such Parcels of Taxable Property not including any Parcels for which the Special Tax A obligation has been previously prepaid.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the "Bond Redemption Amount").
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "Redemption Premium").
6. Determine the Future Facilities Costs.
7. Multiply the quotient derived pursuant to paragraph 3 by the amount determined pursuant to paragraph 6 to determine the portion of the Future Facilities Costs applicable to the Parcel (the "Future Facilities Amount").

8. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from Special Tax A prepayments.

9. Determine the amount of Special Tax A to be levied on the Parcel in the current Fiscal Year which has not yet been paid.

10. Determine the amount the Administrator reasonably expects to derive from the investment of the Bond Redemption Amount and the Redemption Premium from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.

11. Add the amounts derived pursuant to paragraphs 8 and 9 and subtract the amount derived pursuant to paragraph 10 (the "Defeasance Amount").

12. Verify the administrative fees and expenses of the CFD, including the cost of computation of the Prepayment Amount, the cost to invest the Prepayment Amount, the cost of redeeming the Outstanding Bonds, and the cost of recording notices to evidence the prepayment of the Special Tax A obligation for the Parcel and the redemption of Outstanding Bonds (the "Administrative Fees and Expenses").

13. The reserve fund credit (the "Reserve Fund Credit") shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.

14. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit.

15. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and Defeasance Amount shall be deposited into the appropriate fund as established under the Indenture and be used to redeem Outstanding Bonds or make debt service payments. The Future Facilities Amount shall be deposited into the Construction Fund. The Administrative Fees and Expenses shall be retained by the CFD.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such event, the increment above \$5,000, or an integral multiple thereof, will be retained in the appropriate fund established under the Indenture to be used with the next redemption from other Special Tax A prepayments of Outstanding Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax A levy as determined pursuant to paragraph 9 above, the Administrator shall remove the current Fiscal Year's Special Tax A levy for the Parcel from the County tax roll. With respect to any Parcel for which the Special Tax A obligation is prepaid, the City Council shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Special Tax A

obligation and the release of the Special Tax A lien for the Parcel, and the obligation to pay the Special Tax A for such Parcel shall cease.

Notwithstanding the foregoing, no Special Tax A prepayment shall be allowed unless the amount of Maximum Special Tax A that may be levied on all Parcels of Taxable Property after the proposed prepayment will be at least 1.10 times maximum annual debt service on the Bonds that will remain outstanding after the prepayment plus the estimated annual Administrative Expenses.

Tenders of Bonds in prepayment of the Special Tax A obligation may be accepted upon the terms and conditions established by the City Council pursuant to the Act. However, the use of Bond tenders shall only be allowed on a case-by-case basis as specifically approved by the City Council.

2. Prepayment in Part

The Special Tax obligation for a Parcel of Developed Property, Approved Property, or Undeveloped Property may be partially prepaid. For purposes of determining the partial prepayment amount, the provisions of Section G.1 shall be modified as provided by the following formula:

$$PP = ((PE - A) \times F) + A$$

These terms have the following meaning:

PP = Partial Prepayment

P_E = the Prepayment Amount calculated according to Section G.1

F = the percent by which the owner of the Parcel(s) is partially prepaying the Special Tax A obligation

A = the Administrative Fees and Expenses determined pursuant to Section G.1

The owner of a Parcel who desires to partially prepay the Special Tax A obligation for the Parcel shall notify the Administrator of: (i) such owner's intent to partially prepay the Special Tax A obligation, (ii) the percentage of the Special Tax A obligation such owner wishes to prepay, and (iii) the company or agency that will be acting as the escrow agent, if any. Within five (5) days of receipt of such notice, the Administrator shall notify such property owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the amount of a partial prepayment. Within fifteen (15) business days of receipt of such non-refundable deposit, the Administrator shall notify such owner of the amount of the Partial Prepayment for the Parcel. A Partial Prepayment must be made not less than sixty (60) days prior to the redemption date for the Outstanding Bonds to be redeemed with the proceeds of the Partial Prepayment.

With respect to any Parcel for which the Special Tax A obligation is partially prepaid, the Administrator shall: (i) distribute the Partial Prepayment as provided in Paragraph 15 of Section G.1 and (ii) indicate in the records of the CFD that there has been a Partial Prepayment for the Parcel and that a portion of the Special Tax A obligation equal to the remaining percentage (1.00 - F) of the Special Tax A obligation will continue on the Parcel pursuant to Section F.

Notwithstanding the foregoing, no Special Tax A partial prepayment shall be allowed unless the amount of Maximum Special Tax A that may be levied on all Parcels of Taxable Property after the proposed partial prepayment will be at least 1.10 times maximum annual debt service on the Bonds that will remain outstanding after the partial prepayment plus the estimated annual Administrative Expenses.

**SECTION H

Maximum Special Tax B

The Maximum Special Tax B for each Assessor’s Parcel of Developed Property for each Land Use Type is shown in the Tables below for Zones 1 and 2.

**TABLE 4

2. Approved Property

The Maximum Special Tax B for each Assessor’s Parcel of Residential and Non-Residential Property that is classified as Approved Property in Fiscal Year 2021-22 shall be \$1,580 per Acre for parcels within Zone 1 and \$6,657 per Acre for parcels within Zone 2.

On each July 1, commencing July 1, 2022, the Maximum Special Tax B for Approved Property for the prior Fiscal Year shall be increased by the greater of: (i) an amount equal to the percentage change increase in the Consumer Price Index for the twelve-month period ending in March of the prior Fiscal Year or (ii) three percent (3%).

3. Undeveloped Property and Provisional Undeveloped Property

No Special Tax B shall be levied on Undeveloped Property and Provisional Undeveloped Property.

**SECTION I
METHOD OF APPORTIONMENT OF THE SPECIAL TAX B**

Commencing Fiscal Year 2021-2022 and for each subsequent Fiscal Year, the City Council shall levy Special Tax B on all Taxable Property until the amount of Special Tax B equals the Special Tax B Requirement in accordance with the following steps:

Step One: The Special Tax B shall be levied Proportionately on each Assessor's Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax B as needed to satisfy the Special Tax B Requirement.

Step Two: If additional moneys are needed to satisfy the Special Tax B after the first step has been completed, the Special Tax B shall be levied Proportionately on each Assessor's Parcel of Approved Property, at up to 100% of the Maximum Special Tax B applicable to each such Assessor's Parcel as needed to satisfy the Special Tax B Requirement.

**SECTION J
PREPAYMENT OF SPECIAL TAX B**

Special Tax B cannot be prepaid.

**SECTION K
TERMINATION OF SPECIAL TAX A AND SPECIAL TAX B**

For each Fiscal Year that any Bonds are outstanding the Special Tax A shall be levied on all Assessor's Parcels subject to the Special Tax A. If any delinquent Special Tax A remains uncollected prior to or after all Bonds are retired, the Special Tax A may be levied to the extent necessary to reimburse CFD No. 2021-2 for uncollected Special Taxes A associated with the levy of such Special Tax A, but no later than 2061-62 Fiscal Year. The Special Tax B shall be levied as long as each is needed to meet the Special Tax B Requirement as determined at the sole discretion of the City Council.

**SECTION L
EXEMPT PROPERTY**

The City shall classify as Exempt Property: (i) Assessor's Parcels defined as Public Property, (ii) Assessor's Parcels which are used as places of worship and are exempt from ad valorem property taxes because they are owned by a religious organization, (iii) Assessor's Parcels used exclusively by a Property Owner's Association, or (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement.

Notwithstanding the above, the City Council shall not classify an Assessor's Parcel as Exempt Property within a Zone if such classification would reduce the sum of the Taxable Property to less than the Minimum Acreage for that Zone as defined in Section A above. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the Acreage of the Taxable

Property to less than the Minimum Acreage per Zone will continue to be classified as Taxable Property, and will continue to be subject to Special Taxes accordingly.

Tax-exempt status will be assigned by the Administrator in chronological order. If an Assessor's Parcel's classification is changed after the initial status is assigned, then its tax-exempt status will be revoked.

SECTION M APPEALS AND INTERPRETATIONS

Any property owner claiming that the amount or application of the Special Tax A or Special Tax B is not correct may file a written notice of appeal with the Administrator not later than twelve (12) months after having paid the first installment of the Special Tax A or Special Tax B that is disputed. A representative(s) of CFD No. 2021-2 shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax A or Special Tax B, and rule on the appeal. If the representative's decision requires that the Special Tax A or Special Tax B for an Assessor's Parcel be modified or changed in favor of the property owner, the representative shall take any of the following actions, in order of priority, to correct the error:

- (i) if possible, amend the Special Tax levy on the property owner's Assessor's Parcel(s) for the current Fiscal Year prior to the payment date;
- (ii) require CFD No. 2021-2 to reimburse the property owner for the amount of the overpayment to the extent of available CFD No. 2021-2 funds; or
- (iii) grant a credit against, eliminate or reduce the future Special Taxes on the property owner's Assessor's Parcel(s) in the amount of the overpayment.

SECTION N MANNER OF COLLECTION

The Special Tax A or Special Tax B shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that CFD No. 2021-2 may collect Special Tax A and Special Tax B at a different time or in a different manner if necessary to meet its financial obligations.

SECTION O INTERPRETATIONS

The City Council may interpret this Rate and Method of Apportionment of Special Tax by ordinance or resolution for purposes of clarifying any vagueness or ambiguity. Any decision of the City Council shall be final and binding as to all persons.
