RECOMMENDATION

Staff recommends that the Cultural Heritage Board receive and discuss the draft 2025 Workplan for the Cultural Heritage Board.

DISCUSSION

The Cultural Heritage Board (CHB) was created in order to promote the identification, protection, enhancement, perpetuation and use of the City's cultural resources, as defined by Title 20 of the Riverside Municipal Code (RMC). This purpose is implemented through the powers and duties of the board outlined in Section 20.10.020 of the RMC.

To assist CHB in meeting the objectives set forth by the City Council, a work plan has been developed to identify goals to be accomplished by CHB between March 2025 through February 2026. Draft work plans for all boards and commissions will be presented to the appropriate City Council Standing Committee(s) for feedback and direction. All Commission actions and goals set forth in the final 2025 work plan will be included in the 2025 CHB Annual Performance Report.
