Number of Volunteers: 9 volunteers overall ; 3 volunteers for this portion

Total Volunteer Hours: 26 hours overall ; 10 hours for this portion

Total Project Expenses: \$2,750.00 → \$1000 for this portion sponsored by City of Riv HRC Community Support Grant

Please provide a brief description of your project and how it has enhanced your neighborhood:

This programming series included Sunday workshops (honorarium covered by different grant) and one panel. to support our exhibition, "Working Coachella: Images of the farmworker community of the Coachella Valley". The exhibit brought the full experience of farm workers to the forefront and we used the workshops & panel to address not only historical conditions, and focused on the humanizing aspects of their lives such as family, community, joy & strength. We were able to make the farmworker community visible while bringing awareness to social inequities. Bridging these issues into conversation with our community contributes to a better understanding that aids in dismantling prejudice, intolerance, and discrimination by centering community & connection.
