City of Arts & Innovation

City Council Memorandum

TO: HONORABLE MAYOR AND CITY COUNCIL DATE: JANUARY 31, 2017
FROM: FINANCE DEPARTMENT WARDS: ALL
SUBJECT: MEASURE Z SPENDING PRIORITIES

ISSUES:

Receive and provide input on Measure Z spending priorities, and direct staff to work with the Budget Engagement Commission to develop a five-year spending plan for Measure Z in time for the May 9, 2017 City Council meeting.

RECOMMENDATIONS:

That the City Council:

1. Receive and provide input on Measure Z spending priorities; and
2. Direct staff to work with the Budget Engagement Commission to refine a five-year spending plan for Measure Z in time for the May 9, 2017 City Council meeting.

BACKGROUND:

Approved by the residents of Riverside on November 8, 2016, Measure Z is a one-percent transaction and use tax (sales tax), estimated to generate approximately \$10 million in revenues in Fiscal Year (FY) 2016-17 and \$51.5 million annually beginning in FY 2017-18. Measure Z will sunset in 20 years unless it is approved again in a mandatory election in November 2036.

During the FY 2016-2018 Budget Process in February-June 2016, staff presented to the community, City employees and unions, and the City Council a listing of the City's critical unfunded operational and capital needs. The operational needs alone (excluding new facilities) totaled more than \$225 million over five years, or approximately \$45 million per year. The most critical examples of highly critical unfunded needs are presented on Attachment 1A. In addition to these totals, the annual Capital Improvement Plan (CIP) approved by the City Council, includes more than \$1.1 billion of unfunded projects (e.g. new facilities, road projects, etc.). See Attachment 1B.

In addition to the unfunded needs analysis, the City Council approved approximately \$11 million in annual General Fund reductions to balance the FY 2016-2018 Budget (Attachment 2). The reductions have impacted services to residents/business and have hampered public safety response times.

To help address the service cuts as well as a portion of the City's critical unfunded needs, at staff's recommendation, the Mayor and the City Council placed a measure on the November 8, 2016, ballot for a one-percent increase in the City's sales tax rate. The residents of Riverside approved Measure Z with 60% approval. Effective April 1, 2017, the City's sales tax rate will increase from the current 7.75% to 8.75%.

On December 20, 2016, the City Council authorized Measure Z revenues and expenditures to be tracked in Fund 110, and appropriated funding for the restoration of a Fire Squad. (The cost of the Fire Squad is \$450,000 in FY 2016-17 and \$800,000 in FY 2017-18).

DISCUSSION:

How the Sales Tax Revenue is Calculated?

Sales Tax revenue is remitted to the City by the State Board of Equalization on a monthly basis. The monthly payments are discounted based on a formula determined by the State; the City receives the majority but not all revenue collected by local retailers. Every third month, the State transmits to the City a "true-up" payment to fully account for the discounted amounts in the preceding two months.

In Fiscal Year 2016-17, the City expects to receive from the State \$10 million of Measure Z revenue. Beginning July 1, 2017, annual Measure Z revenue is expected to total over \$50 million. Staff's projections include a 1% growth rate for Measure Z revenues.

Proposed Measure Z Spending Priorities

Based on the City's fiscal needs outlined during the budget process, which ultimately led to the placement of Measure Z on the ballot, the following spending priorities are recommended for Measure Z. Attachment 3 provides details in the format of a five-year spending plan for Measure Z.

Fiscal Discipline: It is imperative for the City to continue strengthening its financial position, increasing reserves and paying off debt / liabilities.

A. Maintain Healthy General Fund Reserve: Increase the General Fund Reserve to the 20% aspirational goal approved by the City Council by the end of FY 2017/18.

B. Pay Off Most Risky Debt / Liabilities:

- 1) Over a 10-year term, pay off the \$31.1 million Pension Obligation Bond.
In 2004 and 2005, the City made a decision to issue Pension Obligation Bonds (POBs) to prefund its unfunded retirement liability as calculated by the State CalPERS system. On 6/29/2004, \$89,540,000 of fixed-rate POBs were issued for the public safety retirement obligation, and on 6/30/2005, an additional \$60,000,000 in POBs were sold related to non-sworn employees. In plain terms, the City of Riverside had accumulated

\$150 million in pension liability without setting aside funds to cover this debt. This pension liability means that the cost of public safety and other services supplied by the City of Riverside before 2004 was not fully paid for at the time the service was provided – hence, it was “unfunded”.

Half of the 2005 POBs were financed using a fixed-rate bond, and the other half was issued at a variable rate, with principal “balloon payments” in the final five years of its 20-year term. In February 2008, the variable-rate \$30 million POB that carried a balloon payment was further restructured into an annual bond, which requires remarketing every year. The current outstanding principal amount on this variable-rate annual POB is \$31,145,000. **The current annual POB instrument leaves the principal unpaid indefinitely.** Unless this debt is paid off soon, it will continue to create an unsustainable and unfair burden for future generation of taxpayers in the City.

- 2) Increase funding for claim and settlement liabilities from the current 33% level to a 50% level. The industry standard is 100% - however, the City can only afford a 50% funding at this time.

Critical Non-Safety Service Needs: These items represent critical, non-public safety related, items that are necessary to avoid reducing services to the public.

- A. **General Fund Shortfall:** The Proposed Measure Z Spending Plan includes funding for the General Fund’s estimated annual shortfalls. Continued revenue weakness in the City’s key revenues sources (primarily the base sales tax, property tax and utility consumption tax) leads to projected – and growing – gaps in funding necessary to pay for **existing** critical services. The projected gaps, unless addressed with Measure Z revenues, would lead to service cuts. The projections are based on the actual revenues and spending during July-December 2016, as detailed in the First Quarter Financial Report (see Attachment 4).
- B. **Replenishment of Contingency Funding:** The FY 2016-18 budget initially contained \$500,000 in annual contingency funding, to address critical needs during the year. The funding has been almost completely used, mainly to create a formal Budget Office.
- C. **Principal Analyst:** During the FY 2016-20118 Two-Year Budget, the City Manager’s Office eliminated two Principal Analyst positions. Staff recommends restoring one of these two analyst positions.

Critical Public Safety Needs:

- A. **Additional Sworn Officers:** The Riverside Police Department, with the current sworn staffing of 350, is 234 officers below an average of other similar West Coast cities. The Police Department believes that instead of 234, 60 additional new police officer positions should be sufficient to significantly improve public safety response and outreach in the Riverside community. Staffing up of the Department will be accomplished first by reinstating the Police Department’s FY 2016-2018 4% reductions (17 positions) in FY 2017/18, with the additional 43 employees being added in the three years after that.
- B. **Additional Civilian Positions:** The additional sworn officers will require addition of nine new dispatchers and reinstatement of all other civilian cuts (a total of 20 additional positions).

- C. Fire Personnel: The proposed spending plan includes funding for the fire squad that was returned to service in December 2016, along with the reinstatement of two Fire Captain positions reduced during the FY 2016-2018 Budget process.
- D. Police and Fire Vehicles: Currently, the City does not set aside funding for repair and replacement of police and fire vehicles. The proposed spending plan includes the necessary annual amounts- i.e., \$2 million for police and \$1.6 million for fire, annually, for the first five years, later decreasing to \$400,000 for police and \$320,000 for fire.

Quality of Life Issues: The Proposed Measure Z Spending Plan includes funding for streets, tree trimming and personnel to address quality of life issues in the community. Riverside made a significant investment in its infrastructure during the Renaissance, and needs to continue building on that momentum.

- A. Street Maintenance and Repair: The proposed plan more than doubles the annual street funding set aside in the General Fund, from \$2 million annually to an average of \$4.3 million annually. Additional significant funding is available through federal and state sources. These new funds will not place all of the City's streets and sidewalks in an excellent condition – however, they should help to significantly improve the current quality of pavement in the city. Public Works staff estimates that the additional \$2.3 million in annual funding will allow paving or preserving approximately 15 additional miles per year, compared to the current annual cycle of 28 miles.
- B. Tree Trimming: \$2 million in additional tree trimming funding is recommended over the next five years, or an average of \$400,000 per year. This represents a 44% increase from the current annual funding of \$900,000. Public Works staff estimates that this additional funding would double the number of trees trimmed each year, reducing the tree trimming cycle from the current 8-9 years to six years starting in 2019.
- C. Community Advocate and Prosecutor: These two positions (one in the City Manager's Office and the other in the City Attorney's Office) are necessary to effectively support the multi-functional Ward Action Teams – which, upon City Council approval, will be deployed throughout the City to attack and resolve quality of life issues such as homelessness and vandalism.
- D. Quality of Life Survey: No funding currently exists for the biennial Quality of Life survey, to gauge the residents' satisfaction with the quality of life in the City, and identify any concerns that require corrective action.

Critical Infrastructure Needs: The Riverside Renaissance capital improvement project successfully revitalized the City. However, it has been over 10 years since that significant capital investment was made. The City has significant additional capital needs, which must be addressed. The most critical capital investment needs include:

- A. New and Expanded City Facilities: Funding from Measure Z could support issuance of approximately \$165 million in an infrastructure bond, to pay for new police headquarters, new Downtown Main Library, two new downtown parking garages, expansion of the Convention Center, and renovation, expansion and improvement of the Metropolitan Museum. Measure Z was approved by voters for a 20-year term, and the capital bond to construct the additional facilities would be issued for the same term.

- B. Facility Repair and Maintenance: The City has many facilities that are in need of repair and improvements, including but not limited to police and fire stations, libraries and recreation centers, and government offices. Currently, very limited funding exists to properly maintain and repair these facilities. An additional \$4.2 million over the next five years will help improve the condition of many of the City’s facilities, thereby avoiding unsustainable major repair or replacement costs. This funding, however, is insufficient to address all facility repair needs, and over \$1.5 million annually will remain unfunded.
- C. Ward Specific Capital Projects: Staff proposes to provide the Mayor and each City Council ward with \$250,000 per year in funding for capital projects throughout in the City. This will allow the Mayor and each Council member to improve existing capital facilities, purchase equipment or address other critical needs existing in specific City neighborhoods. Multiple years of funding could be combined to pay for larger projects, and/or Mayor and Council members could pool their individual funding allocations for joint projects. Unspent funds will be carried over into future years.

These proposed funds are in addition to the already approved capital projects included in the City’s five-year Capital Improvement Program (CIP). The approved CIP projects are located throughout the City, in various wards. A summary of these projects, by dollar amount, can be found below.

Ward	FY 2016/17	FY 2017/18	FY 2018/19	FY 2019/20	FY 2020/21
1	5,477,300	3,082,500	3,626,000	1,265,000	1,285,000
2	2,350,000	2,950,000	-	-	-
3	9,495,556	5,003,433	3,771,900	4,000,500	36,000
4	30,000	240,000	100,000	-	-
5	13,325,000	-	-	10,000	-
6	22,000	25,000	-	-	-
7	10,000	-	-	-	-
<i>Multiple Wards</i>	<i>6,901,130</i>	<i>5,075,000</i>	<i>6,327,500</i>	<i>1,304,800</i>	<i>1,328,900</i>
<i>All Wards</i>	<i>54,838,000</i>	<i>48,393,000</i>	<i>62,124,000</i>	<i>52,185,000</i>	<i>53,547,000</i>
TOTALS	92,448,986	64,768,933	75,949,400	58,765,300	56,196,900

Technology: A quick review of the national news in the past several months provides ample evidence of the need to improve technology, especially in the field of cybersecurity. The City has many needs for critical technology items, such as a new enterprise resource planning (ERP) system to effectively manage financial and personnel resources, cyber security tools, and hardware replacements (servers, storage, network, etc.). While the City’s unfunded needs in the area of technology are much more significant, staff recommends setting aside a total of \$3.75 million over five years to address the most critical technology requirements.

What Remains Unfunded

During presentation of critical unfunded needs in early 2016, and subsequent conversations regarding Measure Z, staff has repeatedly pointed out that the \$50 million annual Measure Z revenue would be insufficient to address all of the City’s critical needs. The Measure Z proposed spending priorities discussed above reflect staff’s recommendations on the needs that must be addressed immediately, i.e. in the first five years. However, this leaves a number of other critical needs unaddressed. These are summarized in Attachment 3, and include the following:

- A. FY 2016-18 Budget Cuts: Approximately \$11 million in annual budget reductions were made during the FY 2016-18 budget. The only budget cuts that staff has proposed restoring with Measure Z funds are for police and fire staffing, as discussed above. Currently no funds remain to restore other budget reductions, such as Community Livability Programs totaling \$900,000, City Manager's Office staffing of \$200,000, Innovation and Technology staffing of \$320,000, Code Enforcement Abatement of \$160,000 and Community and Economic Development professional services of \$200,000.
- B. Volunteer and Intern Coordinator: The City requires a designated professional to effectively engage in City government the next generation of employees through internships, and City residents and businesses through volunteer opportunities. Unfortunately, funds are currently not available for this critical position.
- C. Excess Vacation Liability: The City has traditionally allowed employees to accrue vacation in excess of annual maximum amounts. On a going forward basis, this issue will need to be resolved in collaboration with employees and employee unions. However, even with a prospective solution in place, the City currently owes approximately \$1 million to its employees for earned but unused vacation. The City has never set aside funds to address this ongoing liability.
- D. Additional Needed Facility Repair and Maintenance: As discussed above, additional \$1.5 million-\$2.0 million is needed annually to fully address all of the City's current facility repair needs – which traditionally have been grossly underfunded.
- E. Additional Needed Street and Tree Maintenance: The funding recommended above will make significant improvements in street and tree maintenance. However, additional funding is required to fully address the City's needs in these categories.
- F. Additional Critical Technology Investments: Similar to streets, trees and facilities, additional funds are needed for critical technology investments.

What's Next

Staff is seeking initial input from the City Council on the Measure Z spending priorities, as reflected in Attachment 3, and recommends that the priorities be finalized into a formal five-year spending plan in collaboration with the Budget Engagement Commission (BEC).

The timeline below reflects various related meetings and actions, by the City Council and the BEC, for planning purposes.

1. February 14, 2017 - City Council Meeting: Appointment of BEC members by the City Council.
2. February 23, 2017 – BEC Meeting: Introduction, Rules of Order and Measure Z planning.
3. March 9, 2017 – BEC Meeting: Measure Z five-year spending plan.
4. April 6, 2017 – BEC Meeting: Second Quarter financial report (FY 16/17) and Measure Z.

5. April 11, 2017 – City Council Meeting: Second Quarter financial report (FY 16/17).
6. **May 9, 2017 – Joint City Council and BEC Meeting: Measure Z Recommendations.**
7. June 8, 2017 – BEC Meeting: Third Quarter financial report (FY 16/17) and FY 17/18 Mid-Cycle proposed adjustments.
8. **June 13, 2017 – City Council Meeting: Third Quarter financial report (FY 16/17) and FY 17/18 Mid-Cycle proposed adjustments.**

FISCAL IMPACT:

There is no fiscal impact associated with the preliminary discussion on Measure Z spending priorities.

City Council Memorandum

City of Arts & Innovation

TO: HONORABLE MAYOR AND CITY COUNCIL DATE: DECEMBER 20, 2016

FROM: FINANCE DEPARTMENT WARDS: ALL

**SUBJECT: FISCAL YEAR 2016/2017 FIRST QUARTER FINANCIAL REPORT, INCLUDING
FISCAL YEAR 2017/2018 FINANCIALS, CASH AND INVESTMENT REPORTS
AND DEBT REPORTS**

ISSUES:

Receive and provide input on the fiscal year (FY) 2016/2017 First Quarter Financial Report, including 2017/2018 financials, cash and investment reports, and debt reports and authorization to amend the FY 2016/17 and 2017/18 Budgets.

RECOMMENDATIONS:

That the City Council:

1. Receive and provide input on the attached FY 2016/2017 First Quarter Financial Report and FY 2017/2018 financials for the General Fund with preliminary analysis of Measure Z revenues, as well as cash, investment and debt reports for all funds;
2. Amend the FY 2016-2018 Two-Year Budget to include the anticipated Measure Z revenues of \$10,000,000 in FY 2016/2017 and \$51,577,000 in FY 2017/2018 (to be accounted in new Fund 110); and
3. Authorize FY 2016/2017 and FY 2017/2018 budget amendment to appropriate Measure Z funding to ratify reinstatement of one Fire squad as directed by the City Manager on December 7, 2016 (costing \$450,000 in FY 2016/2017 and \$792,728 in FY 2017/2018).

EXECUTIVE SUMMARY:

General Fund and Measure Z Analyses

The attached FY 2016/17 First Quarter Financial Report for the General Fund (Attachment 1) summarizes projected revenue and expenditure results for the period from July 1, 2016 through June 30, 2017, based on actual revenues and expenditures from July 1, 2016 through September 30, 2016. The revenues and expenditures included in this report are stated in annualized totals. Also provided are preliminary analyses of: 1) General Fund financials for the following fiscal year (FY 2017/2018), based on the current projections; and, 2) Anticipated Measure Z financials for Fiscal Years 2016/2017 and FY 2017/2018. The following charts summarize these preliminary results, followed by a high-level summary of the key highlights.

Factors Contributing to Projected Shortfall

	FY 2016-2017	FY 2017-2018
Adopted Surplus	\$26,530	\$2,078,014
Union Contracts	\$(819,081)	\$(3,396,309)
Lower Revenues	\$(2,426,858)	\$(3,395,908)
Insufficient Funds for Parks Debt	\$(600,000)	\$(600,000)
Transfers for Sewer Claims	\$900,000	\$900,000
Other	\$(52,004)	
Fire Department Maintenance	\$(500,000)	\$(500,000)
Estimated Shortfall	\$(3,471,413)	\$(4,914,203)

General Fund Reserve Outlook (Based on 1st Quarter Projections)

General Fund

The FY 2016-2018 Two-Year Adopted Budget projected a balanced General Fund budget in both fiscal years, with a slight surplus of approximately \$30,000 in the first year and a larger surplus of over \$2.0 million in the second year.

The current annualized projections – based on the actual revenues received last fiscal year (FY 2015/2016) and receipts to date for the current year, economic outlook for the current and next year, as well as changes to personnel expenditures – reflect **General Fund deficits in both years, of approximately \$3.5 million in FY 2016/2017 and approximately \$4.9 million in FY 2017/2018**. The projected deficits are driven by the following factors:

	FISCAL YEAR 2016/17	FISCAL YEAR 2017/18
ADOPTED BUDGET – ESTIMATED SURPLUS	\$26,530	\$2,078,014
Employee compensation and benefits	-\$819,081	-\$3,396,309
Lower revenues based on last year’s results and reduced growth assumptions (mainly Property Tax, Sales Tax and Utility Users Tax)	-\$2,426,858	-\$3,395,908
Insufficient funds in the Parks Development Impact Fee Fund for debt service – becomes General Fund obligation	-\$600,000	-\$600,000
Unfunded Fire vehicle maintenance	-\$500,000	-\$500,000
Charges of sewer-related claims to the Sewer Fund instead of the General Fund	\$900,000	\$900,000
Other factors	-\$52,000	\$0
FIRST QUARTER PROJECTION – ESTIMATED ANNUAL SHORTFALL	-\$3,471,413	-\$4,914,203

1. Employee Compensation and Benefits

With each union contract presented to City Council, staff provided an estimated cost over a five-year period. While the two-year budget and five-year plan assumed relatively minor salary increases tied the General Fund revenue growth, the recent voter approval of the Measure Z sales tax will change the growth assumptions for FY 2016/2017 – and, as a result, lead to higher salary increases in FY 2017/2018 based on that growth. Specifically, while the budget assumed approximately 2.5% salary increases in the second year (FY 2017/18), the actual increase is now projected to be 4-6%. Similarly, because the full year of new Measure Z sales tax revenue in FY 2017/2018, employee pay increases will also be in the 4-6% range in FY 2018/19. In future years, more moderate salary increases of 2-3% will occur; however, raises in the first two years will establish a higher level of baseline spending. It must be noted, however, that the passage of Measure Z will yield revenue far in excess of the additional expenses triggered by Measure Z.

In addition, the two-year budget and five-year plan did not account for other negotiated changes with financial impacts, such as increases in health premiums in FY 2016/17 and one-time payments to SEIU union members in the first two years.

2. Lower Revenues

Changes in revenues also add significantly to the projected shortfalls, and are based on the weaker performance of the Property, Sales and Utility Users taxes in the prior fiscal year. **Importantly, the current projections take into account the observed weakening of the Sales Tax growth.** The Adopted Budget and Five-Year Plan included somewhat optimistic growth rates of approximately 5.5% to 5.9%. The current analyses of the political and economic factors, including but not limited to the somewhat unexpected presidential election results, suggests that rates in the range of 4% to 4.5% are more realistic over the next two to five years.

3. Insufficient Funds to Pay Parks-Related Debt Service

When debt was issued for the Renaissance initiative, the plan was to utilize annual development impact fees (DIF) to fund parks projects. Unfortunately, with the downturn in the economy, the revenue never materialized, and the General Fund is subsidizing the parks debt by approximately \$600,000 per year. These funds have never been budgeted in the General Fund, and this omission must be corrected.

4. Unfunded Fire Vehicle Maintenance

As presented to the City Council during the FY 2016-2018 Two-Year Budget process, the Fire Department has an aging fleet of vehicles. Early indications are that vehicle maintenance needed will exceed budgeted projections by approximately \$500,000. Until the Fire Department is able to replace its fleet, this will likely continue to be an issue.

5. Transfer of Sewer-Related Charges to the Sewer Fund

For a number of years now, the City's Liability Fund (and, by extension, the General Fund) were utilized to pay for claims related to sewer laterals from the sewer main to the resident's property line. Effective FY 2016/2017, the Sewer Fund has begun to pay these costs, estimated at \$450,000 per year. In addition, the General Fund will recover the \$1.35 million incorrectly charged there for these claims over the past three-year period (\$450,000 per year). In FY 2016/2017 and FY 2017/2018, the total savings to the General Fund will be approximately

\$900,000 per year.

Measure Z

The collection of the additional one-cent sales tax authorized by voters through Measure Z will begin on April 1, 2017. The City will start accruing these revenues in May-June 2017, with the anticipated collection of \$10 million in FY 2016/17 and \$51 million in FY 2017/18 (full year). The City Council is asked to recognize these expected revenues.

Other than noted below, the City Council is not asked at this time to appropriate Measure Z revenues for any specific purposes. The discussion over Measure Z funding use will begin on January 31, 2017, during an initial budget workshop, and again in May 2017 during the Mid-Cycle budget review. By that time, collection of additional General Fund revenues will determine whether the year-end projection (and shortfalls) should be adjusted, and additional expenditure factors may come into play.

Staff is requesting at this time City Council authorization to restore the Fire Squad budget effective December 7, 2016, and appropriate \$450,000 of Measure Z revenues in FY 2016/2017 and \$792,728 in FY 2017/2018.

There will be additional expenses for the City Council's consideration with regards to Measure Z – to be presented and discussed in January-May 2017. For example, the Fire labor contract calls for the reinstatement of several positions effective July 1, 2017, costing an estimated \$450,000 per year, and there is a need to increase police staffing and fund vehicle repair and replacement.

Investment and Debt Reports

Also included are the Quarterly Investment Report (Attachment 2) and the Quarterly Debt Report (Attachment 3), which highlight the City's portfolio of investments (including cash) and its outstanding debts, respectively, across all funding sources. Overall, the City's financial position remains strong, with any negative cash balances being offset by receivables.

DISCUSSION:

FY 2016-2017 First Quarter Financial Report –General Fund

The Bottom Line

In the FY 2016-2017 First Quarter Financial Report, staff anticipates a **General Fund shortfall of \$3.5 million in FY 2016/17 and \$4.9 million in FY 2017/18.** The projected shortfalls are largely driven by lower tax estimates, employee compensation, unfunded parks debt and fire vehicle repair and maintenance.

A. General Fund Revenues

Compared to the Adopted FY 2016-2018 Two-Year Budget, the First Quarter Financial Report General Fund revenues are estimated to be \$2.4 million lower in FY 2016/17 and \$3.4 million lower in FY 2017/18. The difference is largely due to lowering of sales tax projections and actual tax revenues in FY 2015/16 coming in lower than expected, providing for a diminished starting point for FY 2016/17 and FY 2017/18.

In the **Taxes** category, the final FY 2015/16 revenue is projected to be approximately \$3.2 million below the adopted budget estimates in FY 2016/17 and \$4.4 million below FY 2017/18 estimates. Differences of \$250,000 or higher are explained below.

- *Sales tax* is projected to be lower than adopted budget by approximately \$1.5 million in FY 2016/17 and \$2.5 million in FY 2017/18. These decreases are driven by a lowering of expected annual growth and lower actual receipts in FY 2015/16, which create a lower baseline in FY 2016/17 and FY 2017/18.

Historically, sales tax revenues have been the most subjective General Fund revenue to the economy and the hardest to predict. As of the date this report was published, the City does not have final first quarter sales tax revenue figures from the State. Staff will continue to monitor local economic conditions, which are inconclusive but indicate a potential weakening. The highlights are summarized below.

- As of September 30, 2016, local wage increases in Southern California lead the nation at 3.8% year-over-year-growth.
 - As of September 30, 2016, Statewide unemployment is down; however, Riverside County still has higher unemployment rates (6.5%) than the counties of Los Angeles (5.2%), Ventura (5.5%), San Bernardino (5.9%) and Orange (4.1%).
 - California's sales and use tax revenue in October was \$140 million (\$5.6%) below the month's forecast of \$2.499 billion.
 - In the United States online sales recently hit records for Black Friday and Cyber Monday. The increase on sales made via mobile device (33%) is staggering.
 - Increased online sales and sales tax collection is an issue in California; out-of-state retailers do not always add tax.
 - Reports indicate that with the deep discounts on Black Friday, people actually spent 3.5% less than they did the year before. At the same time other reports indicate that people will spend 8% more this holiday season than the prior holiday season.
 - As of September 30, 2016, at the State level, new car sales are down 5.6% compared to last year.
 - Locally, the Galleria at Tyler expects growth to be similar to last year, which equates to annual increases of approximately 4%.
- *Property taxes* are estimated to be lower than adopted budget by approximately \$820,000 in FY 2016/17 and \$864,000 in FY 2017/18 – again due to lower actual collections in FY 2015/16, mainly related to Successor Agency properties.
 - *Utility users tax (UUT)* is estimated to be lower than adopted budget by approximately \$594,000 in FY 2016/17 and \$675,000 in FY 2017/18. Revenues are estimated to be lower due to the rapid decline of telephone related revenues and FY 2015/16 UUT revenue ending lower than projected.
 - *Property Transfer taxes* are estimated to be lower than adopted budget by approximately \$255,000 in FY 2016/17 and \$280,000 in FY 2017/18, due to lower actual receipts in FY 2015/16.

Special Revenue - Entertainment revenues are estimated to be approximately \$817,000 higher

than adopted budget based on FY 2015-16 actual receipts. These additional revenues are largely offset by additional expenditures.

B. General Fund Expenditures

General Fund expenditures are estimated to exceed adopted budget amounts in FY 2016/17 by \$1.1 million and in FY 2017/18 by \$4.3 million. Differences from adopted budget are described below.

- *Employee Costs* are estimated to add to the FY 2016/17 adopted budget approximately \$820,000 and approximately \$3.4 million to the FY 2017/18 budget.
- The *Finance Department* currently anticipates salary savings of approximately \$200,000 in the Business Tax Division; these savings are offset by revenue reductions. As the Finance Department continues to move forward with the Business Tax Inspection Program, including hiring of 2.5 employees, both revenue and expenditures will continue to be evaluated. Additionally, credit card charges paid by the Finance Department on behalf of all City Departments are estimated to decrease by \$500,000. This will also reduce the cost allocation of these costs to other departments (e.g. Public Utilities) by the same amount. This is a net zero impact to the General Fund.
- The *Fire Department* is projected to exceed the adopted FY 2016/17 Budget by approximately \$750,000. \$500,000 of the overage is attributed to unfunded vehicle maintenance costs. The additional \$250,000 is attributed to the delay of implementing budget reductions.
- The *Budget Balancing Measures* adopted by the City Council, included Fire concessions of \$1.24 million related to the removal of a Fire Squad (\$788,000) and two captain positions (\$450,000). As noted earlier in this report, staff is recommending that Measure Z funds are utilized to restore the Fire Squad, effective December 7, 2016, which will incur an additional \$450,000 in estimated expenditures in FY 2016/17.
- As indicated in the FY 2015/16 Final Financial Report the *Parks, Recreation and Community Services* budget does not address \$600,000 needed to cover Renaissance Parks Projects, that did not materialize in the development impact fee revenue accounts. As such, the General Fund has to pick up an unbudgeted debt expense of approximately \$600,000.
- The *Public Works Department, Finance Department, and City Manager's Office* have worked together to identify charges to Public Work's General Fund budget that should have been charged to the Sewer Fund. Specifically, \$1.35 million in sewer lateral repairs that occurred between the sewer main to the property line (residential only), have been paid by the General Fund over the past three years. Per City Council action in October 2008, the City's sewer system is responsible for sewer laterals from the sewer main to the resident's property line, which represented an expansion of the system – previously the City was only responsible for the sewer main, not the laterals. The General Fund will recover the \$1.35 million over a three-year period (\$450,000 per year). Additionally, the Sewer Fund has begun to pick up the annual costs, when appropriate, which will save the General Fund and additional \$450,000 per year. The total savings to the General Fund will be approximately \$900,000 per year in FY 2016/17 and FY 2017/18.

C. Measure Z

On November 8, 2016, the residents of Riverside approved Measure Z, which is a general transaction and use tax of 1%. For FY 2016/17, Measure Z revenues are estimated to be approximately \$10 million and for FY 2017/18, Measure Z revenues are estimated to be approximately \$51.6 million. The anticipated revenue projections are based on recommendations of the City's sales tax consultant, HdL. To account for the revenues and associated expenditures, the Finance Department has established Fund 110, Measure Z.

On January 31, 2017, the City Council and the Budget Engagement Commission will hold a budget workshop to further review General Fund financials and Measure Z revenues. At this time, staff does not recommend any appropriation of Measure Z revenues outside of the Fire Squad. At the January 31st meeting, staff will present the City Council and Budget Engagement Commission with spending options for Measure Z.

D. General Fund Reserves

Without the use of Measure Z revenues, the impact of the variances in General Fund revenues and expenditures amount to a projected draw on the General Fund reserve of approximately \$3.5 million in FY 2016/17 and \$4.9 million in FY 2017/18. **This would effectively reduce the General Fund reserve levels to 11.1% (\$29.7 million) in FY 2016/17 and 9.0% (\$24.8 million).**

Per the City's General Fund Reserve Policy, adopted by the City Council on September 6, 2016, the General Fund reserve should be 15%. The City Council set an aspiration goal of the General Fund Reserve at 20%; this goal was recently reaffirmed through adoption of the "Responsible Spending Vision Pledge" on October 4, 2016.

Quarterly Investment Report Status

Sound investment practices are an essential component of the City's strong fiscal management. The Finance Department is responsible for managing the City's investment portfolio, focusing first on the safety of investments, and then on liquidity and an appropriate rate of return. The investment results and portfolio composition are summarized and reported to the City Council each quarter. As of September 30, 2016, the City's pooled investment portfolio's market value was \$510.7million, with the market value of investments held by fiscal agents (bond proceeds and reserve funds primarily) amounting to an additional \$281.5 million. The weighted average yield of the pooled investment portfolio continues to hold steady at 0.97%. Through prior City Council approval, the Chief Financial Officer/Treasurer has the authority to invest/reinvest funds and to sell or exchange purchased securities, consistent with the City's adopted investment policy. This approval is a requirement of State law and is received at the start of each fiscal year.

The Investment Report, including a listing of cash balances by fund, is included in Attachment 2. These cash balances reflect each fund's share of the City's pooled investment portfolio. Also shown are interfund loan receivables, which are treated as available cash due to the Finance Director/Treasurer's authorization to move loan receivables to other funds as needed.

All listed funds have a positive cash balance with the exception of the following funds:

1. The General Fund (\$1,462,611), which is offset by an outstanding capital lease receivable related to the Police Records Management System and Computronix

permitting system. Historically, the revenues related to the capital lease have been received prior to the initiation of project; however, the City is currently in the process of securing financing to fully offset ongoing project costs.

2. The Urban Areas Security Initiative (\$357,467) and Housing Opportunities for Persons with AIDS (\$620,956), which are fully offset by outstanding grant receivables.
3. Certificates of Participation Projects (\$992,321), Capital Outlay (\$4.6 million), and Transportation Uniform Mitigation Fees (\$1.86 million) have negative cash balances due to the timing of year-end expenditures; however, the negative balances are fully offset by grant receivables.
4. The Liability Insurance Trust Fund has a negative cash balance of approximately \$3 million, but is consolidated with the positive cash balances of the Workers Compensation Insurance Trust Fund (\$15.7 million) and Unemployment Insurance Trust Fund (\$435,000) for financial reporting purposes. Staff is implementing a strategy to return the Liability Insurance Trust Fund to an improved financial condition (cash and fund balance levels) over the next five years. In the current year, the cash position was budgeted to improve by \$1 million, however, due to increased claim expenditures the total cash balance increased by only \$500,000.
5. The Central Stores (\$362,586), which is fully offset by inventory assets that will be recouped when charged out for usage to various departments.

Quarterly Debt Report Status

The Finance Department is also charged with managing the City's debt portfolio, which includes issuing new debt and monitoring opportunities to refinance existing debt as opportunities to reduce interest costs arise. The Quarterly Debt Report (Attachment 3) summarizes the composition of the City's debt portfolio, details the revenue sources utilized to pay the debt service associated with each outstanding debt, and provides detailed information regarding the total principal and interest payments due in the current fiscal year by Fund. There are no changes to the Quarterly Debt Report for this quarter.

FISCAL IMPACT:

The Fiscal Year 2016-2018 Two Year First Quarter Financial Report projects a General Fund shortfall, largely attributed to lower than anticipated tax revenues, employee compensation and benefits, unbudgeted parks debt, and unfunded fire vehicle maintenance. The impact of the variances in General Fund revenues and expenditures amount to a projected draw on the General Fund Reserve of approximately \$3.5 million in FY 2016/17 and \$4.9 million in FY 2017/18.

Prepared by: Adam Raymond, Assistant Chief Financial Officer
Certified as to
availability of funds: Scott G. Miller, PhD, Chief Financial Officer/Treasurer
Approved by: Marianna Marysheva, Assistant City Manager
Approved as to form: Gary G. Geuss, City Attorney

¹ Excludes water stock acquisition rights, copier leases, development agreements, and amortization of premiums and discounts on outstanding debt, none of which are material.

² 48.3% of the debt service for these bonds is allocated to other Funds based on the percentage of miscellaneous CalPERS plan employees budgeted in those Funds.

³ 25.4% of the debt service for these bonds is allocated to the Parking Fund for the construction of Garage 6 and to the Successor Agency for the construction of the University Village garage.

⁴ Debt service for this loan is primarily funded from a voter-approved increase in the transient occupancy tax rate from 11% to 13%.

⁵ A portion of the debt service for this loan related to non-parking facilities is funded by the General Fund.

⁶ Under the terms of an existing development agreement, increased incremental sales tax resulting from the expansion of the Auto Center funds the debt service on these bonds.

It has been verified that this investment portfolio is in conformity, exclusive of items identified, with the City of Riverside's investment policy which was approved by City Council on 12/15/15. The Treasurer's cash management program and cash flow analysis indicates that sufficient liquidity is on hand to meet estimated future expenditures for a period of six months. The weighted average maturity of the pooled investment portfolio is 1.47 years. Market prices of securities are obtained from Interactive Data Corporation. Weighted average yield on cost is 0.974%. The cash held and invested with fiscal agents is subject to the investment provisions of the related trust indentures associated with the bond transaction which generated the cash.

¹ Amount reflects each fund's share of the City's pooled investment portfolio.

² Amounts shown are interfund loans outstanding, including the SERAF loan due to the Housing Authority. Interfund loan receivable balances are treated as available cash due to the ability to move loan receivables to other funds as needed.

FY 2016-2018 Two-Year Budget: FY 2016-2017 1st Quarter Update

Finance Department

City Council Meeting

December 20, 2016

RiversideCA.gov

BACKGROUND

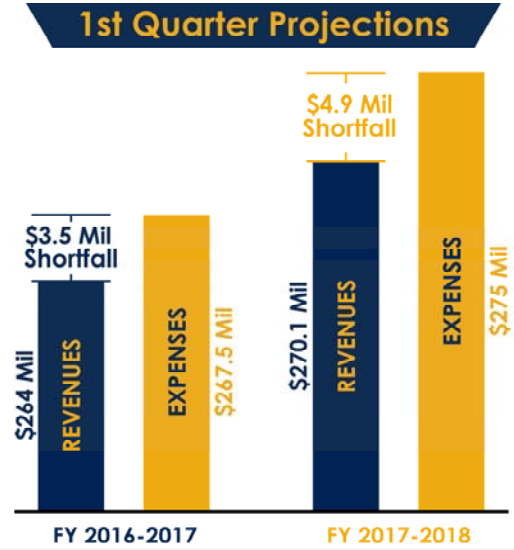

- FY 2016-2018 Budget adopted on June 21, 2016
 - 1st two-year budget and five-year plan
 - Intensive public outreach
 - In-depth departmental budget presentations
 - Identified critical unfunded needs
 - Implemented 4% reductions

RiversideCA.gov

1ST QUARTER PROJECTIONS

- General Fund shortfalls attributed to:
 - Lower revenues
 - Unbudgeted/unfunded vehicle maintenance and parks debt
 - Higher projected personnel costs

RiversideCA.gov

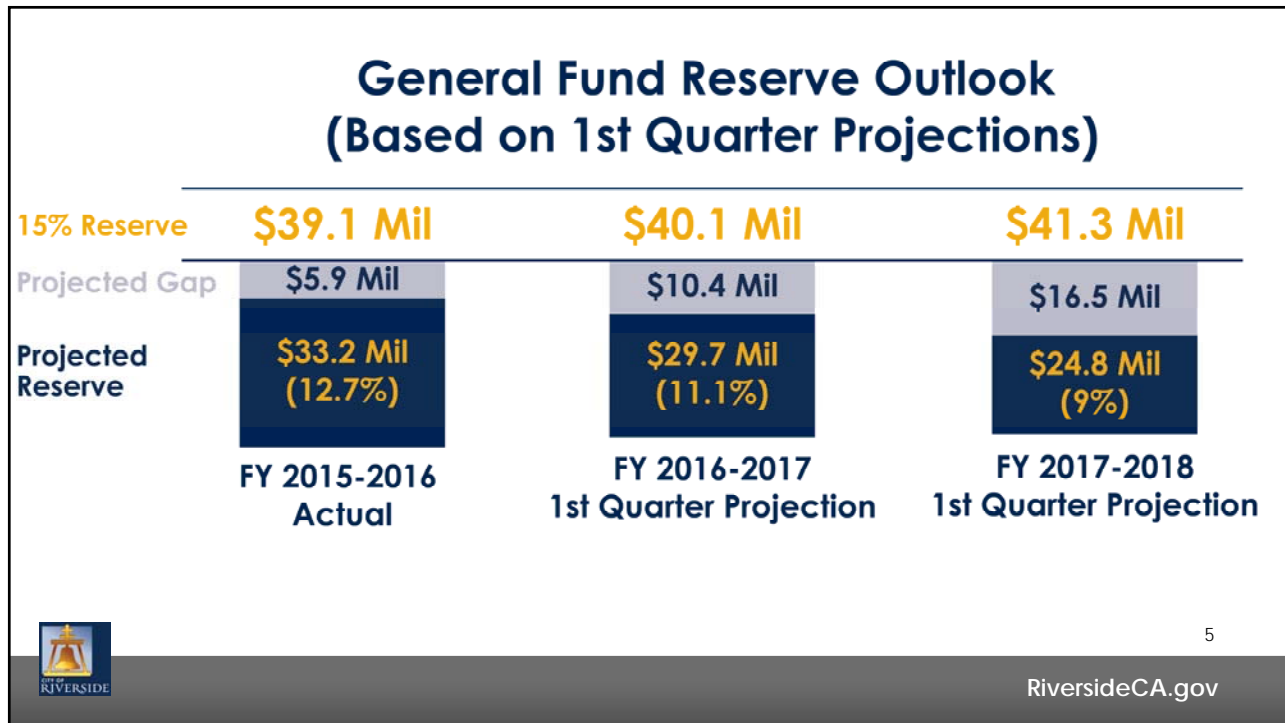

Factors Contributing to Projected Shortfall

	FY 2016-2017	FY 2017-2018
Adopted Surplus	\$26,530	\$2,078,014
Union Contracts	\$(819,081)	\$(3,396,309)
Lower Revenues	\$(2,426,858)	\$(3,395,908)
Insufficient Funds for Parks Debt	\$(600,000)	\$(600,000)
Transfers for Sewer Claims	\$900,000	\$900,000
Other	\$(52,004)	
Fire Department Maintenance	\$(500,000)	\$(500,000)
Estimated Shortfall	\$(3,471,413)	\$(4,914,203)

6

RiversideCA.gov

SALES TAX

- FY 2016-2017: \$1,472,180
- FY 2017-2018: \$2,503,658
- Lower baseline
- Growth projections lowered
 - FY 2016-2017: 5.9% to 4.5%
 - FY 2017-2018: 5.5% to 4%

7

RiversideCA.gov

ECONOMIC CONDITIONS

- **09/2016:** So. CA lead the nation in wage growth (3.8% year-over-year)
- **09/2016:** Statewide unemployment is down
 - Riverside County(6.5%) higher than other counties - Los Angeles(5.2%), Ventura (5.5%), San Bernardino (5.9%) and Orange (4.1%)
- **09/2016:** CA's new car sales are down (5.6% year-over-year)
- **10/2016:** CA's sales tax revenue in October was lower than projections(5.6%)

8

RiversideCA.gov

ECONOMIC CONDITIONS

- **11/2016:** US online sales hit records on Black Friday and Cyber Monday.
 - Increased online sales and sales tax collection is an issue in California; out-of-state retailers do not always add tax.
- **11/2016:** Reports indicate that with deep discounts on Black Friday, people spent less (3.5%) less than last year
 - Other reports indicate that people will spend 8% more this holiday season
- **12/2016:** Galleria at Tyler expects growth to be similar to last year (approx. 4%)

GENERAL FUND EXPENDITURES

Finance Department

- \$698,000 under budget
 - 2.5 Business Tax vacancies (\$198,000)
 - Offsetting reduction in revenue
 - Credit card charges (\$500,000)
 - Offsetting reduction in charges to other departments (e.g. Public Utilities)

11

RiversideCA.gov

GENERAL FUND EXPENDITURES

Fire Department

- \$750,000 over budget in FY 2016-2017
- \$500,000 over budget in FY 2017-2018
 - Unfunded vehicle maintenance (\$500,000)
 - FY 2016-2017 and FY 2017-2018
 - Personnel (\$250,000)
 - Implementation of 4% reductions in FY 2016-2017

12

RiversideCA.gov

GENERAL FUND EXPENDITURES

Parks, Recreation, and Community Services

- \$600,000 over budget in FY 2016-2017 and FY 2017-2018
 - Unbudgeted Park's Renaissance debt in General Fund
 - Development Impact Fee Funds unable to pay \$1.1 million annual allocation
 - FY 2015-2016 end-of-year closing process identified issue

13

RiversideCA.gov

GENERAL FUND EXPENDITURES

Public Works

- \$900,000 under budget in FY 2016-2017 and FY 2017-2018
 - General Fund recovery of lateral repairs from Sewer Fund
 - Annual savings of \$450,000 in estimated lateral costs
 - Three year recovery of previous expenditures at \$450,000/year

14

RiversideCA.gov

GENERAL FUND EXPENDITURES

Employee Compensation

- \$819,081 in FY 2016-2017
- \$3,396,309 in FY 2017-2018
- Final employee negotiations cost more than anticipated
 - FY 2016-2017:
 - Medical and one-time pay increases in
 - FY 2017-18:
 - Medical, one-time, and Measure Z related salary increases

15

RiversideCA.gov

MEASURE Z REVENUE

- Adopted by voter on November 8, 2016
 - Estimated FY 2016-17 revenue: \$10 million
 - Estimated FY 2017-17 revenue: \$51.6 million

16

RiversideCA.gov

MEASURE Z EXPENDITURES

- Workshop on January 31, 2017
- City Manager authorized reinstatement of Fire Squad on December 7, 2016
 - Improve response times
 - Eliminated with 4% reductions
 - \$450,000 in FY 2016-17
 - \$792,728 in FY 2017-18

17

RiversideCA.gov

DEBT AND INVESTMENT REPORTS

- The quarterly investment report is included in this report:
 - Report showing cash balances by fund has been added as of 09/30/2016
 - Information is provided regarding funds with an unusual cash position.
 - No fund's cash balance is currently a major concern.
- The quarterly debt report is included in this report:
 - There have been no major changes to the City's debt portfolio through 09/30/16.

18

RiversideCA.gov

RECOMMENDATIONS

That the City Council:

1. Receive and provide input on the attached FY 2016/2017 First Quarter Financial Report and FY 2017/2018 financials for the General Fund with preliminary analysis of Measure Z revenues, as well as cash, investment and debt reports for all funds;
2. Amend the FY 2016-2018 Two-Year Budget to include the anticipated Measure Z revenues of \$10,000,000 in FY 2016/2017 and \$51,577,000 in FY 2017/2018 (to be accounted in new Fund 110); and
3. Authorize FY 2016/2017 and FY 2017/2018 budget amendment to appropriate Measure Z funding to ratify the City Manager's reinstatement of one Fire squad as directed by the City Manager on December 7, 2016 (costing \$450,000 in FY 2016/2017 and \$792,728 in FY 2017/2018).

19

RiversideCA.gov

Measure Z Spending Priorities

Finance Department

City Council Special Meeting
January 31, 2017

RiversideCA.gov

BACKGROUND

1. FY 2016-2018 Budget Process in February-June 2016, staff presented critical unfunded operational and capital needs
2. The operational needs alone (excluding new facilities) totaled more than \$225 million over five years, or approximately \$45 million per year
3. Annual Capital Improvement Plan (CIP) includes more than \$1.1 billion of unfunded projects (e.g. new facilities, road projects, IT replacements, etc.)

2

RiversideCA.gov

BACKGROUND

4. Council placed a measure on the November 8, 2016 ballot to help address the service cuts and critical unfunded needs
5. Measure Z is a one-percent transaction and use tax (sales tax) – Changing the Tax Rate from 7.75% to 8.75%
6. Measure Z won voter approval by 60% of the residents of Riverside on November 8, 2016
7. Effective date of new Tax Rate: April 1, 2017

3

RiversideCA.gov

HOW IS SALES TAX REVENUE CALCULATED

1. Remitted to the City by the State Board of Equalization (BOE) on a monthly basis
2. City receive the majority amounts owed each month, but not all revenue
3. Every third month (quarterly), City received a “true-up” payment to account for discounted amounts and potential one-time adjustments
4. Staff reports revenue quarterly

4

RiversideCA.gov

PAST COUNCIL ACTION

1. Estimated revenues of approx. \$10 million to be received in FY 2016-17 and approx. \$50-\$52 million in FY 2017-18
2. Council approved FY 2016-17 funding for restoration of fire squad in FY 2016-17 (\$450,000) and FY 2017-18 (\$800,000)
3. Asked staff to schedule January 31, 2017, item for further Measure Z discussions

RECOMMENDATIONS

That the City Council:

1. Receive and provide input on Measure Z spending priorities; and
2. Direct staff to work with the Budget Engagement Commission, to refine a five-year spending plan for Measure Z in time for the May 9, 2017 City Council meeting.
