**BACKGROUND:**

On January 18, 2022, City Council approved a one-year lease agreement with four one-year options to extend with Farmworkers Institute of Education and Leadership Development, Inc. (FIELD) to lease 953 square feet off space at the Cesar Chavez Community Center.

FIELD delivers English as a Second Language and literacy classes to adults over the age of 18 through various partnerships and instructional service agreements. Non-native, English speakers are taught skills needed to improve and integrate their basic reading, writing, listening, and speaking abilities. Grammar, vocabulary, and culturally relevant experiential learning are encouraged and explored.

## **DISCUSSION:**

FIELD has requested to continue leasing approximately 953 square feet of space at the Cesar Chavez Community Center located at Bobby Bonds Park at 2060 University Avenue and enter into the first extension to their agreement. The City uses properties for space from which various non-profit organizations or associations operate programs that benefit the citizens of Riverside. Other agencies located at Cesar Chavez Community Center include Riverside Unified School District, Inland Empire Latino Lawyers, and Riverside County Office of Education Come Back Kids.

The Parks, Recreation and Community Services Department would like to continue leasing space to FIELD and enter into a new agreement. It has been determined that the agreement with FIELD will benefit Riverside residents through the literacy services provided by the agency.
