Section 2.02. Terms of the 2023 Bonds. The 2023 Bonds shall be in registered form only in denominations of \$5,000 or any integral multiples thereof in excess thereof within a maturity, and shall be numbered in such manner as the Fiscal Agent determines. The 2023 Bonds shall be dated such date as shall be specified in the Closing Certificate of the City, shall bear interest from such dated date at the rates and shall mature on the date or dates and in the principal amount or amounts set forth in the Closing Certificate of the City.

Section 2.08. Book-Entry System.

(A) General. The 2023 Bonds initially shall be issued in the form of a separate single fully registered 2023 Bond (which may be typewritten) for each of the maturities of a Series the 2023 Bonds. The City shall cause the delivery of a separate single fully registered bond (which may be typewritten) for each maturity date of such 2023 Bonds of a Series in an authorized denomination corresponding to that total principal amount of the 2023 Bonds of such Series designated to mature on such date. Upon initial issuance, the ownership of each such 2023 Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Securities Depository, and ownership of the 2023 Bonds, or any portion thereof may not thereafter be transferred except as provided in subsection (E) below.

With respect to book-entry 2023 Bonds, the City and the Fiscal Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry 2023 Bonds. Without limiting the immediately preceding sentence, the City and the Fiscal Agent shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Securities Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry 2023 Bonds; (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry 2023 Bonds, including any notice of redemption; (iii) the selection by the Securities Depository and its Participants of the beneficial interests in book-entry 2023 Bonds to be redeemed in the event that the City redeems the 2023 Bonds in part; or (iv) the payment by the Securities Depository or any Participant or any other person of any amount of principal of, premium, if any, or interest on book-entry 2023 Bonds. The City and the Fiscal Agent may treat and consider the person in whose name each book-entry 2023 Bond is registered in the Bond Register as the absolute Owner of such book-entry 2023 Bond for the purpose of payment of principal of, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Fiscal Agent shall pay all principal of, premium, if any, and interest on the 2023 Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or such Owner's respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the 2023 Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a 2023 Bond evidencing the obligation to make payments of principal of, premium, if any, and interest on the 2023 Bonds. Upon delivery by the Securities

Depository to the City and the Fiscal Agent of written notice to the effect that the Securities Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Twentieth Supplemental Resolution shall refer to such nominee of the Securities Depository.

(B) Delivery of Representation Letter. In order to qualify the book-entry 2023 Bonds for the Securities Depository's book-entry system, the City shall execute and deliver to the Securities Depository a Representation Letter. The execution and delivery of a Representation Letter shall not in any way impose upon the City or the Fiscal Agent any obligation whatsoever with respect to persons having interests in such book-entry 2023 Bonds other than the Owners, as shown on the Bond Register. In addition to the execution and delivery of a Representation Letter, the City and the Fiscal Agent, if necessary, shall take such other actions, not inconsistent with this Twentieth Supplemental Resolution, as are reasonably necessary to qualify book-entry 2023 Bonds for the Depository's book-entry program.

(C) Selection of Securities Depository. In the event that: (i) the Securities Depository determines not to continue to act as securities depository for book-entry 2023 Bonds; or (ii) the City determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the 2023 Bonds or the City, then the City will discontinue the book-entry system with the Securities Depository. If the City determines to replace the Securities Depository with another qualified securities depository, the City shall prepare or direct the preparation of a new single, separate, fully registered 2023 Bond for each of the maturity dates of such book-entry 2023 Bonds, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (e) below. If the City fails to identify another qualified securities depository to replace the Securities Depository, then the 2023 Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of Section 2.09 hereof.

(D) Payments To Securities Depository. Notwithstanding any other provision of this Twentieth Supplemental Resolution or the Master Resolution to the contrary, so long as all Outstanding 2023 Bonds are held in book-entry form and registered in the name of the Nominee, all payments of principal of, redemption premium, if any, and interest on such 2023 Bonds and all notices with respect to such 2023 Bonds shall be made and given, respectively to the Nominee, as provided in the Representation Letter or as otherwise instructed by the Securities Depository and agreed to by the Fiscal Agent notwithstanding any inconsistent provisions herein.

(E) Transfer of 2023 Bonds to Substitute Depository.

(i) The 2023 Bonds shall be initially issued as provided in Section 2.01. Registered ownership of such 2023 Bonds, or any portions thereof, may not thereafter be transferred except:

(a) to any successor of the Securities Depository or its Nominee, or of any substitute depository designated pursuant to clause (b) below (a "**Substitute Depository**"); provided that any successor of the Securities Depository or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(b) to any Substitute Depository, upon: (1) the resignation of the Securities Depository or its successor (or any Substitute Depository or its successor) from its functions as depository; or (2) a determination by the City that the Securities Depository (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(c) to any person as provided below, upon: (1) the resignation of the Securities Depository or its successor (or any Substitute Depository or its successor) from its functions as depository; or (2) a determination by the City that the Securities Depository or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(ii) In the case of any transfer pursuant to clauses (a) or (b) of subsection (i) of this Section 2.08(E), upon receipt of all Outstanding 2023 Bonds by the Fiscal Agent, together with a written request of the City to the Fiscal Agent designating the Substitute Depository, a single new 2023 Bond, which the City shall prepare or cause to be prepared, shall be issued for each maturity of 2023 Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the City. In the case of any transfer pursuant to clause (c) of subsection (i) of this Section 2.08(E), upon receipt of all Outstanding 2023 Bonds by the Fiscal Agent, together with a written request of the City to the Fiscal Agent, new 2023 Bonds, which the City shall prepare or cause to be prepared, shall be issued in such denominations and registered in the names of such persons as are requested in such written request of the City, subject to the limitations of Section 2.01 hereof, provided that the Fiscal Agent shall not be required to deliver such new 2023 Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the City.

(iii) In the case of a partial redemption or an advance refunding of any 2023 Bonds evidencing a portion of the principal maturing in a particular year, the Securities Depository or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such 2023 Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Fiscal Agent, all in accordance with the Representation Letter. The Fiscal Agent shall not be liable for such Securities Depository's failure to make such notations or errors in making such notations and the records of the Fiscal Agent as to the outstanding principal amount of such 2023 Bonds shall be controlling.

(iv) The City and the Fiscal Agent shall be entitled to treat the person in whose name any 2023 Bond is registered as the Owner thereof for all purposes of this Twentieth Supplemental Resolution and any applicable laws, notwithstanding any notice to the contrary received by the City or the Fiscal Agent; and the City and the Fiscal Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the 2023 Bonds. Neither the City nor the Fiscal Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including the Securities Depository or its successor (or Substitute Depository or its successor), except to the Owner of any 2023 Bonds, and the Fiscal Agent may rely conclusively on its records as to the identity of the Owners of the 2023 Bonds.

Section 2.09. Transfers Outside Book-Entry System. In the event that: (i) the Securities Depository determines not to continue to act as securities depository for the 2023 Bonds; or (ii) the City determines that the Securities Depository shall no longer so act and delivers a written certificate

to the Fiscal Agent to that effect, then the City will discontinue the book-entry system with the Securities Depository. Thereafter, any Bond may, in accordance with its terms, be transferred or exchanged in accordance with Sections 2.05 and 2.06, respectively, of the Master Resolution.

Section 2.10. Payments and Notices to the Nominee. Notwithstanding any other provision of this Twentieth Supplemental Resolution to the contrary, so long as any 2023 Bond is registered in the name of the Nominee, all payments with respect to principal of and interest on such 2023 Bond and all notices with respect to such 2023 Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Securities Depository.

Section 2.11. Initial Depository and Nominee. The initial Securities Depository under this Twentieth Supplemental Resolution shall be DTC. The initial Nominee shall be Cede & Co., as Nominee of DTC.

ARTICLE III

SALE OF 2023 BONDS; APPLICATION; FUNDS; COVENANTS

Section 3.01. Application of the Proceeds of the 2023 Bonds. Unless otherwise specified in a Certificate of the Chief Financial Officer/Treasurer, the proceeds of the sale of the 2023 Bonds shall be deposited with the Chief Financial Officer/Treasurer and shall be held in trust and set aside by the Chief Financial Officer/Treasurer or the Fiscal Agent as set forth in the Closing Certificate of the City. The Chief Financial Officer/Treasurer and the Fiscal Agent are hereby authorized to create additional accounts or subaccounts to accomplish the purposes set forth in this Twentieth Supplemental Resolution.

Section 3.02. Establishment and Application of 2023 Costs of Issuance Fund.

(A) Pursuant to this Twentieth Supplemental Resolution, the Fiscal Agent shall establish, maintain and hold in trust a separate fund designated as the “**Refunding Electric Revenue Bonds, Issue of 2023, Costs of Issuance Fund**” and, if the 2023 Bonds are issued in multiple Series, such accounts therein as the City shall direct the Fiscal Agent to establish, maintain and hold in trust.

The moneys in each account of the 2023 Costs of Issuance Fund shall be used and withdrawn by the Fiscal Agent, at the direction of the Chief Financial Officer/Treasurer, to pay the Costs of Issuance of the applicable Series of 2023 Bonds. All investment earnings on funds held in the 2023 Costs of Issuance Fund shall be deposited in the 2023 Costs of Issuance Fund, unless such earnings shall be required to be deposited in the 2023 Rebate Account.

(B) Disbursements shall be made from the 2023 Costs of Issuance Fund only upon receipt by the Fiscal Agent of a duly executed Requisition of the City (upon which the Fiscal Agent may conclusively rely), which Requisition shall state: (i) the item number of such payment; (ii) the name and address of the Person to whom each such payment is due, which may be the City in the case of reimbursement for costs theretofore paid by the City; (iii) the respective amounts to be paid; and (iv) the purpose by general classification for which each obligation to be paid was incurred.

(C) The money set aside and placed in the 2023 Costs of Issuance Fund shall remain therein until the six month anniversary of the issuance of the 2023 Bonds and shall not be used for any other purpose whatsoever except as permitted by the Law. If any sum shall remain unexpended

on the six month anniversary of the issuance of the 2023 Bonds, it shall, at the direction of the Chief Financial Officer/Treasurer be: (1) applied by the Fiscal Agent to the payment of interest on the 2023 Bonds, as appropriate, on the next succeeding interest payment date therefor; or (2) applied for any lawful purposes with respect to the Electric System; provided, however, that if a Series of 2023 Bonds is issued on a tax-exempt basis, upon such terms and conditions as shall not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income tax purposes of interest on such Series of 2023 Bonds.

Section 3.03. [Reserved].

Section 3.04. Establishment, Pledge, Funding and Application of 2023 Reserve Account.

(A) Pursuant to this Twentieth Supplemental Resolution, the Fiscal Agent shall establish, maintain and hold in trust a separate fund designated as the “**Refunding Electric Revenue Bonds, Issue of 2023, Reserve Account**” and, if the 2023 Bonds are issued in multiple Series, such subaccounts therein as the City shall direct the Fiscal Agent to establish, maintain and hold in trust.

The 2023 Reserve Account, or if multiple subaccounts are created, each subaccount thereof, shall be funded at the applicable 2023 Bond Reserve Requirement and applied as set forth below. Each subaccount of the 2023 Reserve Account is hereby pledged to secure the payment of the principal of and interest on the applicable Series of 2023 Bonds in accordance with its terms.

(B) On the date of initial issuance of the 2023 Bonds, the Fiscal Agent shall deposit to the 2023 Reserve Account or, if multiple subaccounts are created, to each subaccount thereof, an amount provided by or on behalf of the City, which may be in money, Authorized Investments, a line of credit, letter of credit, insurance policy, surety bond or other credit source meeting the requirements of Section 3.04(E), or a combination thereof, equal to the applicable 2023 Bond Reserve Requirement. The City shall at all times maintain an amount equal to the applicable 2023 Bond Reserve Requirement in the 2023 Reserve Account or, if multiple subaccounts are created, in each subaccount thereof, until the applicable Series of 2023 Bonds are discharged in accordance with the provisions of Article IX of the Master Resolution. In the event of any deficiency in the 2023 Reserve Account, the Chief Financial Officer/Treasurer shall replenish such deficiency in accordance with the provisions of Section 5.03(4) of the Master Resolution.

(C) All amounts in the 2023 Reserve Account or, if multiple subaccounts are created, in each subaccount thereof, shall be used and withdrawn by the Fiscal Agent, as hereinafter provided, solely for the purpose of: (i) paying principal of and interest on the applicable Series of 2023 Bonds in the event that moneys in the Principal Account and the Interest Account are insufficient; or (ii) paying the final principal and interest payments on the applicable Series of 2023 Bonds. Any amounts in the 2023 Reserve Account or, if multiple subaccounts are created, in each subaccount thereof, in excess of the applicable 2023 Bond Reserve Requirement shall be transferred to an account with the Fiscal Agent to be applied towards payment of interest and principal due on the applicable Series of 2023 Bonds.

(D) All Authorized Investments credited to the 2023 Reserve Account shall be valued as of July 1 of each year (or the next succeeding Business Day if such day is not a Business Day) at the greater of the cost or accreted value thereof.

(E) Notwithstanding anything herein to the contrary, at the option of the City, the applicable 2023 Bond Reserve Requirement may be satisfied, in whole or in part, by the deposit of a line of credit, letter of credit, insurance policy, surety bond or other credit source in a stated amount equal to all or a portion of the applicable 2023 Bond Reserve Requirement; provided that if the applicable 2023 Bond Reserve Requirement is initially satisfied with a cash deposit, then prior to the substitution, in whole or in part, of such line of credit, letter of credit, insurance policy, surety bond or other credit source, the Rating Agencies shall be notified of such proposed substitution and the substitution shall not result in a withdrawal or downgrading of any rating of the 2023 Bonds then in effect by the Rating Agencies. Any moneys substituted by the deposit of a line of credit, letter of credit, insurance policy, surety bond or other credit source shall be transferred, at the election of the Chief Financial Officer/Treasurer, to the 2023 Costs of Issuance Fund, to the Bond Service Account or to a special account to be established for the payment of any fees in connection with obtaining such line of credit, letter of credit, insurance policy, surety bond or other credit source or, in the case of any proceeds of the 2023 Bonds, shall be applied for such other lawful purpose as shall not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income tax purposes of interest on the 2023 Bonds, to the extent that a Series of 2023 Bonds is issued on a tax-exempt basis.

Section 3.05. Establishment and Application of 2023 Rebate Account.

(A) Establishment. Pursuant to this Twentieth Supplemental Resolution, to the extent that one or more Series of 2023 Bonds are issued on a tax-exempt basis, the Fiscal Agent shall establish when required, maintain and hold in trust a separate account designated as the “**Refunding Electric Revenue Bonds, Issue of 2023, Rebate Account**” and to the extent that multiple Series of 2023 Bonds are issued on a tax-exempt basis, such subaccounts therein as directed by the City. Absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the applicable Series of 2023 Bonds will not be adversely affected, the City shall cause to be deposited in the 2023 Rebate Account such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. All money at any time deposited in the 2023 Rebate Account shall be held by the Fiscal Agent in trust for payment to the United States Treasury. All amounts on deposit in the 2023 Rebate Account for the 2023 Bonds shall be governed by this Section and the Tax Certificate for the 2023 Bonds, unless and to the extent that the City delivers to the Fiscal Agent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest with respect to the 2023 Bonds will not be adversely affected, if such requirements are not satisfied. Notwithstanding anything to the contrary herein or in the Tax Certificate, the Fiscal Agent: (i) shall be deemed conclusively to have complied with the provisions thereof if it follows all Requests of the City; (ii) shall have no liability or responsibility to enforce compliance by the City with the terms of the Tax Certificate; (iii) may rely conclusively on the City’s calculations and determinations and certifications relating to rebate matters; and (iv) shall have no responsibility to independently make any calculations or determinations or to review the City’s calculations or determinations thereunder.

(i) Computation. Within 55 days of the end of every fifth Bond Year (as such term is defined in the Tax Certificate), the City shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (*e.g.*, the temporary investments exceptions of Section 148(f)(4)(B) and the construction expenditures exception of Section 148(f)(4)(C) of the Code), and taking into account whether the election pursuant to Section 148(f)(4)(C)(vii) of the Code (the “**1½% Penalty**”) has been made), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of

Section 4.02. Retention and Dissemination of Available Information. The Fiscal Agent for the 2023 Bonds shall retain in its possession all reports, certificates and other documents received by it with respect to the 2023 Bonds, all of which shall be subject at all reasonable times during regular business hours with reasonable prior notice to inspection by the City, the Securities Depository with respect to the 2023 Bonds and any other Person that the City reasonably determines to be a beneficial owner of 2023 Bonds held by such Securities Depository, and the agents and representatives of any thereof. Upon receipt by the Fiscal Agent of a written request of any Person described in the immediately preceding sentence, the Fiscal Agent shall provide to such Person a copy of any such report, certificate or other document, provided that such Person shall bear the direct cost of reproduction and delivery thereof. The Fiscal Agent shall, at the cost of and at the written instruction of the City, disseminate all material written information received by the Fiscal Agent pursuant to the Master Resolution (including this Twentieth Supplemental Resolution), to one or more officially recognized central information facilities or repositories with respect to information regarding obligations similar to the 2023 Bonds specified to the Fiscal Agent by the City.

ARTICLE V

APPROVAL OF 2013A ESCROW AGREEMENT, BOND PURCHASE AGREEMENT, DESIGNATED INVESTMENTS AND OTHER ACTIONS

Section 5.01. Approval of 2013A Escrow Agreement. The Chief Financial Officer/Treasurer (or any duly authorized designee thereof) is hereby authorized, empowered and directed to execute and deliver the 2013A Escrow Agreement in substantially the form submitted to this meeting and on file with the City Clerk, with such changes therein as such officer shall deem appropriate and in the best interests of the City, as conclusively evidenced by his or her execution thereof.

Section 5.02. Approval of Bond Purchase Agreement. The Chief Financial Officer/Treasurer (or the Chief Financial Officer/Treasurer's designee) is hereby authorized, empowered and directed to execute and deliver one or more Bond Purchase Agreements in the event that the 2023 Bonds are sold in a negotiated underwriting in substantially the form submitted to this meeting and on file with the City Clerk, with such changes therein as such officer shall deem appropriate, as conclusively evidenced by his or her execution thereof; provided, however, that in no event shall: (i) the 2023 Bonds have a true interest cost in excess of 5.50% for a tax-exempt Series or ~~5.50~~7.50% for a taxable Series; (ii) the final maturity of the 2023 Bonds be later than October 1, 2043; (iii) the aggregate principal amount of all Series of the 2023 Bonds exceed \$165,000,000; and (iv) the issuance of the 2023 Bonds result in net present value savings with respect to the redeemed 2013A Bonds of less than 3%.

Subject to the conditions set forth in this Section 5.02, the 2023 Bonds are hereby ordered to be sold pursuant to the Bond Purchase Agreement at a discount not to exceed 0.30% (not including original issue discount, if any) of the aggregate principal amount of the 2023 Bonds in accordance with the provisions of the Bond Purchase Agreement. The City hereby approves and authorizes J.P. Morgan Securities LLC, Barclays Capital Inc., Samuel A. Ramirez & Co., Inc., and Siebert Williams Shank & Co., L.L.C., collectively, to serve as the Underwriter, all as further provided in the Bond Purchase Agreement.

If the City determines that the 2023 Bonds are to be sold by direct placement, the Chief Financial Officer/Treasurer shall: (a) select one or more purchasers or underwriters, as applicable,

to such Series of 2023 Bonds and specifically covenants, without limiting the generality of the foregoing, as follows:

(A) Private Activity. The City will take no action or refrain from taking any action, and the City will make no use of the proceeds of such Series of 2023 Bonds or of any other moneys or property, which would cause such Series of 2023 Bonds to be “private activity bonds” within the meaning of Section 141 of the Code;

(B) Arbitrage. The City will make no use of the proceeds of such Series of 2023 Bonds or of any other amounts or property, regardless of the source, and the City will not take any action or refrain from taking any action, which will cause such Series of 2023 Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code;

(C) Federal Guarantee. The City will make no use of the proceeds of such Series of 2023 Bonds, and the City will not take or omit to take any action, that would cause such Series of 2023 Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(D) Information Reporting. The City will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code which is necessary to preserve the exclusion of interest on such Series of 2023 Bonds pursuant to Section 103(a) of the Code;

(E) Hedge Bonds. The City will make no use of the proceeds of such Series of 2023 Bonds or any other amounts or property, regardless of the source, and the City will not take any action or refrain from taking any action, that would cause such Series of 2023 Bonds to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the City takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of interest on such Series of 2023 Bonds for federal income tax purposes; and

(F) Miscellaneous. The City will not take any action or refrain from taking any action which is inconsistent with its expectations stated in the Tax Certificate executed by the City in connection with the issuance of such Series of 2023 Bonds and will comply with the covenants and requirements that are stated therein and incorporated by reference herein.

(G) No Effect on Taxable Bonds. This Section and the covenants that are set forth herein shall not be applicable to, and nothing that is contained herein shall be deemed to prevent the City from issuing 2023 Bonds of a Series or revenue bonds or executing and delivering contracts that are payable on a parity with the 2023 Bonds, the interest with respect to which has been determined to be subject to federal income taxation.

(H) Elections. The City hereby directs and authorizes the Chief Financial Officer/Treasurer (or any duly authorized designee thereof) to make elections permitted or required pursuant to the provisions of the Code or the Treasury Regulations, as the Chief Financial Officer/Treasurer or such designee (after consultation with Bond Counsel) deems necessary or appropriate in connection with the 2023 Bonds, in the Tax Certificate relating to the tax-exempt Series of 2023 Bonds, or similar or other appropriate certificate, form or document.

(I) Tax Certificate. The City covenants that in connection with the delivery of the tax-exempt Series of 2023 Bonds it will execute and deliver the Tax Certificate, in such form and substance as is provided and accepted by Bond Counsel. All representations, warranties and covenants made by the City in the Tax Certificate, as the same may be amended or supplemented in accordance with its terms, are incorporated into and made a part of this Twentieth Supplemental Resolution as though the same had been fully set forth herein.

Notwithstanding any other provisions of the Master Resolution (including this Twentieth Supplemental Resolution) to the contrary, upon the City's failure to observe, or refusal to comply with, any of the foregoing covenants in this Section 3.06, no Person other than the Owners of the tax-exempt Series of 2023 Bonds shall be entitled to exercise any right or remedy provided to the Owners under the Master Resolution (including this Twentieth Supplemental Resolution) on the basis of the City's failure to observe, or refusal to comply with, such covenant.

Section 3.07. [Reserved].

ARTICLE IV

FISCAL AGENT

Section 4.01. Fiscal Agent. The Chief Financial Officer/Treasurer (or the Chief Financial Officer/Treasurer's designee) is hereby authorized, empowered and directed to appoint a Fiscal Agent with respect to the 2023 Bonds. The Fiscal Agent shall signify its acceptance of the duties and obligations hereunder by executing and delivering to the City a written acceptance in which the Fiscal Agent agrees to perform said duties and obligations as set forth in the Master Resolution and this Twentieth Supplemental Resolution.

The City agrees, to the extent permitted by applicable law, to indemnify and save the Fiscal Agent, its officers, employees, directors and agents harmless against any liabilities it may incur in the exercise and performance of its powers and duties under the Master Resolution and this Twentieth Supplemental Resolution which are not due to its negligence or willful misconduct.

The City acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City the right to receive brokerage confirmations of security transactions as they occur, the City specifically waives receipt of such confirmations to the extent permitted by law. The Fiscal Agent will furnish the City with periodic transaction statements which include detail for all investment transactions made by the Fiscal Agent hereunder; provided that the Fiscal Agent is not obligated to provide an accounting for any fund or account that: (a) has a balance of \$0.00; and (b) has not had any activity since the last reporting date.

The obligation of the City under this Section shall survive resignation or removal of the Fiscal Agent under this Twentieth Supplemental Resolution and payment of the 2023 Bonds and discharge of this Twentieth Supplemental Resolution.

Section 4.02. Retention and Dissemination of Available Information. The Fiscal Agent for the 2023 Bonds shall retain in its possession all reports, certificates and other documents received by it with respect to the 2023 Bonds, all of which shall be subject at all reasonable times during regular business hours with reasonable prior notice to inspection by the City, the Securities Depository with respect to the 2023 Bonds and any other Person that the City reasonably determines to be a beneficial

owner of 2023 Bonds held by such Securities Depository, and the agents and representatives of any thereof. Upon receipt by the Fiscal Agent of a written request of any Person described in the immediately preceding sentence, the Fiscal Agent shall provide to such Person a copy of any such report, certificate or other document, provided that such Person shall bear the direct cost of reproduction and delivery thereof. The Fiscal Agent shall, at the cost of and at the written instruction of the City, disseminate all material written information received by the Fiscal Agent pursuant to the Master Resolution (including this Twentieth Supplemental Resolution), to one or more officially recognized central information facilities or repositories with respect to information regarding obligations similar to the 2023 Bonds specified to the Fiscal Agent by the City.

ARTICLE V

APPROVAL OF 2013A ESCROW AGREEMENT, BOND PURCHASE AGREEMENT, DESIGNATED INVESTMENTS AND OTHER ACTIONS

Section 5.01. Approval of 2013A Escrow Agreement. The Chief Financial Officer/Treasurer (or any duly authorized designee thereof) is hereby authorized, empowered and directed to execute and deliver the 2013A Escrow Agreement in substantially the form submitted to this meeting and on file with the City Clerk, with such changes therein as such officer shall deem appropriate and in the best interests of the City, as conclusively evidenced by his or her execution thereof.

Section 5.02. Approval of Bond Purchase Agreement. The Chief Financial Officer/Treasurer (or the Chief Financial Officer/Treasurer's designee) is hereby authorized, empowered and directed to execute and deliver one or more Bond Purchase Agreements in the event that the 2023 Bonds are sold in a negotiated underwriting in substantially the form submitted to this meeting and on file with the City Clerk, with such changes therein as such officer shall deem appropriate, as conclusively evidenced by his or her execution thereof; provided, however, that in no event shall: (i) the 2023 Bonds have a true interest cost in excess of 5.50% for a tax-exempt Series or 7.50% for a taxable Series; (ii) the final maturity of the 2023 Bonds be later than October 1, 2043; (iii) the aggregate principal amount of all Series of the 2023 Bonds exceed \$165,000,000; and (iv) the issuance of the 2023 Bonds result in net present value savings with respect to the redeemed 2013A Bonds of less than 3%.

Subject to the conditions set forth in this Section 5.02, the 2023 Bonds are hereby ordered to be sold pursuant to the Bond Purchase Agreement at a discount not to exceed 0.30% (not including original issue discount, if any) of the aggregate principal amount of the 2023 Bonds in accordance with the provisions of the Bond Purchase Agreement. The City hereby approves and authorizes J.P. Morgan Securities LLC, Barclays Capital Inc., Samuel A. Ramirez & Co., Inc., and Siebert Williams Shank & Co., L.L.C., collectively, to serve as the Underwriter, all as further provided in the Bond Purchase Agreement.

If the City determines that the 2023 Bonds are to be sold by direct placement, the Chief Financial Officer/Treasurer shall: (a) select one or more purchasers or underwriters, as applicable, with which to negotiate such sale, and shall negotiate, execute and deliver the terms of a purchase contract setting forth sale terms, which shall not exceed the parameters set forth in clauses (i) – (iv) of the first paragraph of this Section, with the assistance of Bond Counsel and the Municipal Advisor; and (b) if necessary, appoint a placement agent and enter into a placement agent agreement with the placement agent on such terms as are deemed appropriate and necessary to effect such direct placement.

Section 5.03. [Reserved].

Section 5.04. [Reserved].

Section 5.05. Approval of Designated Investments. The Chief Financial Officer/Treasurer (or any duly authorized designee thereof) hereby is authorized, empowered and directed on behalf of the City to enter into one or more investment agreements meeting the qualifications for “Designated Investments” as defined in Section 1.02 of this Twentieth Supplemental Resolution providing for the investment of moneys in any of the funds and accounts created under this Twentieth Supplemental Resolution, on such terms as such officer shall deem appropriate. Pursuant to Section 5922 of the California Government Code, the City Council hereby finds and determines that such Designated Investments are designed to reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Designated Investments and to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the 2023 Bonds or enhance the relationship between risk and return with respect to investments.

Section 5.06. Approval of Escrow Agreements for Outstanding VRDOs. The Chief Financial Officer/Treasurer (or any duly authorized designee thereof) is authorized, empowered and directed to execute and deliver one or more escrow agreements or instructions and/or redemption instructions relating to each Series of the Outstanding VRDOs, to the extent that the Outstanding VRDOs are refunded in whole or in part from proceeds of the 2023 Bonds. To the extent that an escrow agreement is entered into, such escrow agreement shall be substantially in the form of the 2013A Escrow Agreement with such changes therein as such officer shall deem appropriate and in the best interests of the City, as conclusively evidenced by his or her execution thereof.

Section 5.07. Swap Termination Payments. In connection with such refunding of any Series (or a portion of a Series) of the Outstanding VRDOs, the Chief Financial Officer/Treasurer (or any duly authorized designee thereof) is further authorized, empowered and directed: (i) to cause the termination (in whole or part) of the existing Swaps allocated or related to the refunded portion of the Outstanding VRDOs, including the payment of a termination fee in order to execute such termination and the payment of Swap Advisor fees related thereto; and (ii) to execute and deliver such agreements, certificates, protocols and letters, including any amendments, supplements, novations, confirmations, assignments or terminations of the existing Swaps, that are determined to be necessary and appropriate. The Chief Financial Officer/Treasurer is authorized to refund such portion of each Series of Outstanding VRDOs and also to effect the termination of an appropriate portion of the related Swap so long as the Chief Financial Officer/Treasurer, upon the advice of the City’s Municipal Advisor and Swap Advisor, is able to determine that such termination is advantageous to the City.

Each Swap termination document may provide that such Swap termination is contingent upon the delivery of 2023 Bonds and/or provide for the reinstatement of the related Swap upon such terms as the Chief Financial Officer/Treasurer executing the same shall approve, with the advice of the City’s Municipal Advisor and/or Swap Advisor, which may include provision for an adjustment in the rate payable by the City under the related Swap or the payment of a fixed payment equivalent thereto, to reflect intervening market movements between the trade date of the termination of such Swap and the scheduled date of delivery of the 2023 Bonds in the unlikely event that, following the date of execution of the Bond Purchase Agreement for the 2023 Bonds and the execution of Swap termination documents, such 2023 Bonds are not issued on the scheduled delivery date thereof.

Pursuant to Section 5922 of the California Government Code, the City finds and determines that the Swaps as modified by the Swap termination documents and the related financing arrangements in connection with the issuance of the 2023 Bonds and the refunding of the Outstanding VRDOs are designed to reduce the amount and duration of interest rate risk in connection with the 2023 Bonds.

Section 5.08. Investment Agreement Termination Payments. In connection with such refunding of the 2008A Bonds or the 2008C Bonds, the Chief Financial Officer/Treasurer (or any duly authorized designee thereof) is further authorized, empowered and directed: (i) to cause the termination (in whole or part), amendment, supplement or assignment of the Investment Agreement related to the 2008A Bonds and the 2008C Bonds, dated as of May 14, 2008 (the “GIC”), by and among the City, the Fiscal Agent and Trinity Plus Funding Company, LLC, or any successor thereto, as applicable to the refunded portion of the 2008A Bonds or 2008C Bonds, including the payment of a termination fee in order to execute such termination; and (ii) to execute and deliver such agreements, certificates, protocols and letters, including any terminations, amendments, supplements or assignments of the GIC, that are determined to be necessary, appropriate and/or economically beneficial to the City.

Section 5.09. Further Action. Such notice may provide that it will remain in effect for later interest payments until changed or revoked by another written notice.

This 2023 Bond is one of a duly authorized issue of “City of Riverside Refunding Electric Revenue Bonds, Issue of 2023__” (the “2023 Bonds”) issued in the aggregate principal amount of \$_____ pursuant to the Law (as defined in the hereinafter defined Resolution) and Resolution No. 17662 adopted by the City Council on January 8, 1991, as amended and supplemented (the “Master Resolution”) and Resolution No. ____ adopted by the City Council on September 19, 2023 (the “Twentieth Supplemental Resolution”); the Master Resolution, as supplemented by the Twentieth Supplemental Resolution, is referred to herein as the “Resolution.” The 2023 Bonds, together with the City’s Outstanding Electric Revenue Bonds and any additional Electric Revenue Bonds issued pursuant to the Master Resolution, are herein referred to as the “Bonds.” Reference is hereby made to the Master Resolution, the Twentieth Supplemental Resolution and the Law for a description of the terms on which the 2023 Bonds are issued and to be issued and the provisions with regard to the nature and extent of the Net Operating Revenues (as defined in the Resolution), and all of the terms of the Resolution and the Law are hereby incorporated herein and constitute a contract between the City and the registered owner from time to time of this 2023 Bond, and by acceptance hereof the registered owner of this 2023 Bond assents to said terms and conditions. The Resolution is adopted under, and this 2023 Bond is issued under, and all are to be construed in accordance with, the laws of the State of California. Capitalized terms used herein not otherwise defined herein shall have the meanings ascribed thereto in the Resolution.

The 2023 Bonds are special limited obligations of the City payable from and secured by a pledge of and a lien and charge upon the Net Operating Revenues on a parity with all Bonds and all other debt issued or incurred by the City and payable from, and having an equal lien and charge upon, Net Operating Revenues in accordance with the terms of the Resolution. The general fund of the City is not liable for the payment of the 2023 Bonds, any premium thereon upon redemption prior to maturity or their interest, nor is the credit or taxing power of the City pledged for the payment of the 2023 Bonds, any premium thereon upon redemption prior to maturity or their interest. The registered owner hereof shall not compel the exercise of the taxing power by the City or the forfeiture of any of its property. The principal of and interest on the 2023 Bonds and any premium upon the redemption of any thereof prior to maturity are not a debt of the City nor a legal or equitable pledge, charge, lien or encumbrance upon any of its property or upon any of its income, receipts or revenues, except the Net Operating Revenues and other funds, security or assets which are pledged to the payment of the 2023 Bonds, interest thereon and any premium upon redemption.

This 2023 Bond is subject to redemption prior to maturity as provided in the Resolution, including the Twentieth Supplemental Resolution.

This 2023 Bond may be transferred upon the register required to be kept by the Fiscal Agent, by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of this 2023 Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Fiscal Agent. Whenever any 2023 Bond is surrendered for transfer, the City shall execute and the Fiscal Agent shall authenticate and deliver a

new 2023 Bond, of the same tenor and maturity and for a like aggregate principal amount. This 2023 Bond may be exchanged at the corporate trust office of the Fiscal Agent for 2023 Bonds of authorized denominations having the same aggregate principal amount, tenor and maturity. The Fiscal Agent need not transfer the registration of or exchange any 2023 Bond within 15 days before the date of selection of 2023 Bonds for redemption or any 2023 Bond or portion thereof selected for redemption. The Fiscal Agent may require the owner of any 2023 Bond requesting transfer of registration or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer of registration or exchange.

The rights and obligations of the City, the Fiscal Agent and of the registered owners of the 2023 Bonds may be modified or amended from time to time in the manner, to the extent and upon the terms provided in the Resolution, provided that no such modification or amendment shall: (a) extend the fixed maturity of this 2023 Bond, or reduce the amount of principal hereof, or extend the time of payment or reduce the amount of any mandatory sinking account payment provided for the payment of this 2023 Bond, or reduce the rate of interest hereon, or extend the time of payment of interest hereon, or reduce any premium payable upon the redemption hereof, without the consent of the registered owner hereof; or (b) reduce the percentage of Bonds the consent of the registered owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Net Operating Revenues and other assets pledged under the Resolution prior to or on a parity with the lien created by the Resolution, or deprive the registered owners of the 2023 Bonds of the lien created by the Resolution on such Net Operating Revenues and other assets (in each case, except as expressly provided in the Resolution), without the consent of the registered owners of all of the 2023 Bonds then Outstanding.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to have happened and to have been performed precedent to and in the issuance of this 2023 Bond do exist, have happened, and have been performed in due time, form and manner as required by the Constitution and laws of the State of California and that this 2023 Bond, together with all other indebtedness of the City, does not exceed any limit prescribed by the Constitution and laws of the State of California and the Charter of the City and is not in excess of the amount of 2023 Bonds permitted to be issued under the Resolution.

This 2023 Bond shall not be entitled to any benefit under the Resolution or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been executed and dated by the Fiscal Agent.
