WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I served as an alternate on the recent Charter Comm. and chaired the subcommittee addressing whether an elected/appointed Inspector General or Public Advocate is appropriate for Riverside I am familiar with what issues require further research and discussion before any decision can be made by council and/or the electorate. Council has identified the IG and mayoral governance issues as the focus of the new Charter Commission. My recent work on these issues will avoid duplication of effort and provide a foundation for further analysis of the advantages and disadvantages of any recommended changes. Any significant change in the City's governance deserves extensive critical thinking and public debate at a level that could not be easily accomplished previously because of the many issues before Charter. A concentrated effort is necessary as recognized by the City Council on July 21, 2020.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

I am a licensed attorney experienced in constitutional and municipal law. I also have served on numerous commissions to assist in solving complicated public policy issues. I have no agenda in terms of the outcome of the proposed Charter except to ensure that there is respectful, civil and open debate in anticipation of its adoption, and that its intent and language clearly reflects the will of the public.

EDUCATIONAL BACKGROUND:

UCLA BA 1980 Political Science University of San Francisco JD 1983 (with honors) UCR Hazardous Waste Management Cert

Participated in many high profile, impact litigations involving sensitive political issues particularly natural resources and land use planning. . Currently volunteer on a wide range of civic and environmental issues. I regularly participate in City meetings including strategic planning and contribute time and resources to various non-profits and community activities.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

State Bar of California (former Governor) Licensed Real Estate Broker Robert Redford Conservancy Citizens United for Resources and the Environment, Inc. (CURE) Urban Water Institute
