MISSION STATEMENT

The City of Riverside is committed to providing high quality municipal services to ensure a safe, inclusive and livable community

PLEASE NOTE: The scheduled hearing times are approximate. No item will be heard before its scheduled time, but may be heard later in the meeting.

City Planning Commission action on all items may be appealed to the City Council within ten calendar days for zoning and map cases. Contact the Planning Division for further information.

State law restricts the City Planning Commission from taking action on an item unless it has been included on an agenda and posted at least 72 hours in advance of a meeting, or unless the matter falls within one of the narrow exceptions. Consequently, any item not listed on this agenda will normally have to be delayed until the item can be made part of a posted agenda. Additionally, significant changes to a project made subsequent to posting of the agenda and not addressed in the City Planning Commission staff report will result in continuance of that item in order to allow for adequate review by the Commission.

The City of Riverside wishes to make all of its public meetings accessible to the public. Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities, as required by 42 U.S.C. §12132 of the Americans with Disabilities Act of 1990. Any person with a disability who requires a modification or accommodation in order to participate in a meeting should direct such request to the City's ADA Coordinator at (951) 826-5427 or TDD at (951) 826-5439 at least 72 hours before the meeting, if possible.

Materials related to an item on this Agenda submitted to the City Planning Commission after distribution of the agenda packet are available for public inspection in the Planning Division office during normal business hours.

PLEDGE OF ALLEGIANCE

PLANNING/ZONING MATTERS FROM THE AUDIENCE

This is the portion of the meeting specifically set aside to invite your comments on matters of interest to the Commission, including items on the Consent Calendar.

- 1 Public Comments: This portion of the agenda will be limited to a cumulative total of 15 minutes, with individual speakers limited to a maximum time limit of 3 minutes. Further discussion of any matter beyond 15 minutes will be continued to following the public hearing calendar or scheduled for a later agenda. If there is no one from the audience wishing to speak, the Commission will move to the next order of business.

9:00 A.M.--PUBLIC HEARINGS

This portion of the Planning Commission Agenda is for all matters where staff and public participation is anticipated. Individual audience participation is limited to 3 minutes.

- 2 PLANNING CASE P17-0073 (CUP): Proposal by Ryan Condron of Luv2Play Riverside to consider a Conditional Use Permit to establish an indoor playground facility in an 18,082-square-foot lease space within an existing multi-tenant commercial complex, located at 4860 La Sierra Avenue, on the west side of La Sierra Avenue between Schuyler Avenue and Pierce Street, in the CG – Commercial General Zone, in Ward 7. The Planning Division of the Community & Economic Development Department is recommending that the Planning Commission determine that this proposal is categorically exempt from further California Environmental Quality Act (CEQA) review pursuant to Section 15301 (Existing Facilities), as this project will not have a significant effect on the environment. Contact Planner: Matthew Taylor, Assistant Planner, 951-826-5944, mtaylor@riversideca.gov.

- 3 Planning Case P16-0854: A proposal by the City of Riverside to amend the Downtown Specific Plan with regard to permitted and conditionally permitted land uses within the Raincross and Justice Center Districts. Proposed changes include, but may not be limited to, Assemblies of People – Entertainment, Assemblies of People – Non-Entertainment, Retail Sales, Brewpubs and Breweries. Other changes not related to permitted and conditionally permitted land uses may be considered that are minor in context, and are necessary for clarification or to remove redundancies. No development or ground disturbance is proposed in conjunction with the proposed Specific Plan Amendment. The Community and Economic Development Department recommends the Planning Commission recommend approval of staff’s proposal to the City Council, and that the City Council determine the project exempt from the California Environmental Quality Act pursuant to Guidelines Section 15061(b)(3), as it can be seen with certainty there is no possibility the proposed amendment will have a significant effect on the environment. Staff Contact: Luke Seibert, Associate Planner: (951) 826-5617, Lseibert@riversideca.gov.
