MISSION STATEMENT

The Human Resources Board is committed to its dual charge as representatives of the citizens of the City of Riverside to make recommendations to the City Council specific to personnel rules and regulations, including, but not limited to, review of equal employment plans for the City of Riverside's Departments. The Human Resources Board also acts in an advisory capacity to the Human Resources Department on matters concerning personnel administration to ensure a safe, inclusive, and productive work environment, which enhances services to the community.

State law restricts the Human Resources Board from taking action on an item unless it has been included on an agenda and posted at least 72 hours in advance of a meeting or unless the matter falls within one of the narrow exceptions. Consequently, any item not listed on this agenda will normally have to be delayed until the item can be made part of a posted agenda.

The City of Riverside wishes to make all of its public meetings accessible to the public. Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities, as required by 42 U.S.C. §12132 of the Americans with Disabilities Act of 1990. Any person with a disability who requires a modification or accommodation in order to participate in a meeting, should direct such request to the City's ADA Coordinator at (951) 826-5427 or TDD at (951) 826-2551 at least 48 hours before the meeting, if possible.
