MISSION STATEMENT

The City of Riverside is committed to providing high quality municipal services to ensure a safe, inclusive, and livable community.

The Community Police Review Commission was created in order to promote public confidence in the professionalism and accountability of the sworn staff of the Riverside Police Department.

PLEASE NOTE--The numerical order of items on this agenda is for convenience of reference. Items may be taken out of order upon request of the Chair or Members of the Commission.

State law and the City of Riverside Municipal Code Sunshine Ordinance (Section 4.05.050) restricts the Community Police Review Commission from taking action on an item unless it has been included on an agenda and posted at least 12 days in advance of a meeting or unless the matter falls within one of the narrow exceptions. Consequently, any item not listed on this agenda will normally have to be delayed until the item can be made part of a posted agenda.

SPEAKER CARDS--If you wish to address the Community Police Review Commission, please complete and submit a speaker card to the Secretary. Speaker cards can be found at the east entrance to the Art Pick Council Chamber. Speaker cards will be accepted until conclusion of public comment on the agenda item. In accordance with the Public Records Act, any information you provide on this form is available to the public.

LISTENING ASSISTIVE DEVICES are available for the hearing impaired -- Please see the Secretary of the Commission. The City of Riverside wishes to make all of its public meetings accessible to the public. Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities, as required by 42 U.S.C. §12132 of the Americans with Disabilities Act of 1990. Any person with a disability who requires a modification or accommodation in order to participate in a meeting, should direct such request to the City's ADA Coordinator at (951) 826-5427 or TDD at (951) 826-5439 at least 72 hours before the meeting, if possible.
