- 2 Planning Case P18-0085 (COA): Certificate of Appropriateness request by Matt Acton of Holt Architecture, for plot plan and building elevations for the construction of a 3,060-square-foot mausoleum with 552 crypts and 492 conventional gravesites at Olivewood Memorial Park, a cultural resource eligible for listing in the National Register and designation as a City Landmark. The project site is located at 3300 Central Avenue, on the south side of Central Avenue between State Route 91 and Rumsey Drive, in the RC – Residential Conservation Zone in Ward 3. The Planning Division of the Community and Economic Development Department has determined that the proposed project will not have a significant effect on the environment and is recommending that a Mitigated Negative Declaration and Mitigation Monitoring and Reporting Program be adopted. - 3 Planning Case P19-0243 (COA): Certificate of Appropriateness request by City of Riverside – General Services Department, for project plans for in-kind repairs and minor exterior modifications to the existing Riverside Public Library – Main Branch (City Landmark #135) for the conversion to the Cheech Marin Center for Chicano Art. The project site is located at 3581 Mission Inn Avenue, situated on the northeast corner of Mission Inn Avenue and Orange Street, in the DSP-RC-CR – Downtown Specific Plan Raincross District and Cultural Resources Overlay Zones, in Ward 1. It is recommended that the Cultural Heritage Board determine the proposal is categorically exempt from California Environmental Quality Act (CEQA) review pursuant to Sections 15301 and 15331, because the project is a minor alteration/addition to a historic resource which is consistent with the Secretary of the Interior’s Standards for the Treatment of Historic Properties.
