MISSION STATEMENT

The City of Riverside is committed to providing high quality municipal services to ensure a safe, inclusive, and livable community

SPEAKER CARDS – If you wish to address the Transportation Board, please complete and submit a speaker card to the Transportation Board Secretary before the scheduled meeting time. Speaker cards will be accepted until the agenda item is called. In accordance with the Public Records Act, any information you provide on this form is available to the public. The City of Riverside is committed to a workplace that requires acceptable behavior from everyone - a workplace that provides dignity, respect, and civility to our employees, customers, and the public.

The Transportation Board action on all items may be appealed to the City Council within fifteen calendar days. Contact the Engineering Division of the Public Works Department for further information.

State law and the City of Riverside Municipal Code Sunshine Ordinance (Section 4.05.050) restricts the Transportation Board from taking action on an item unless it has been included on an agenda and posted at least 12 days in advance of a meeting or unless the matter falls within one of the narrow exceptions. Consequently, any item not listed on this agenda will normally have to be delayed until the item can be made part of a posted agenda.

The City of Riverside wishes to make all of its public meetings accessible to the public. Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities, as required by 42 U.S.C. §12132 of the Americans with Disabilities Act of 1990. Any person with a disability who requires a modification or accommodation in order to participate in a meeting, should direct such request to the City's ADA Coordinator at (951) 351-6162 at least 72 hours before the meeting, if possible. TTY Users call 7-1-1- for telecommunications relay services (TRS). Listening devices are available for the hearing impaired upon request.
