MISSION STATEMENT

The City of Riverside is committed to providing high quality municipal services to ensure a safe, inclusive, and livable community.

The mission of the Commission on Disabilities is to promote greater awareness of, respect for, and the total participation of individuals disabilities into all aspects of life.

The City of Riverside is committed to a workplace that requires acceptable behavior from everyone - a workplace that provides dignity, respect, and civility to our employees, customers, and the public.

The City of Riverside Sunshine Ordinance No. 7301 restricts the Commission of Disabilities from taking action on an item unless it has been included on an agenda and posted at least 12 days in advance of a meeting or unless the matter falls within one of the narrow exceptions. Consequently, any item not listed on this agenda will normally have to be delayed until the item can be made part of a posted agenda.

The City of Riverside wishes to make all of its public meetings accessible to the public. Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities, as required by 42 U.S.C. §12132 of the Americans with Disabilities Act of 1990. Any person with a disability who requires a modification or accommodation in order to participate in a meeting, should direct such request to the City's ADA Coordinator at 951-826-5427 at least 72 hours before the meeting, if possible. TTY users call 7-1-1 for telecommunications relay services (TRS). Listening devices are available for the hearing impaired upon request.

*The Commission on Disabilities will conduct a virtual meeting.
The Art Pick Council Chamber will be closed to the public.*
