Regarding: Budget to Renovate and Upgrade the Riverside Metropolitan Museum

The Riverside Metropolitan Museum (RMM) makes no money for the City of Riverside. It does much more and has greater value than most entities supported by the city. For many years, the RMM has educated generations of school children and served the city by preserving and protecting the heritage of Riverside. Since the city closed the RMM for renovation, you have deprived thousands of children from learning about the city's rich past. I ask you not to renege of your promise to renovate the RMM to continue its mission of public education.
