SERVICES

System Advocacy

- Accomplishing Systems Change for greater access and equality. Outreach and educational activities designed to raise awareness to the needs of people with disabilities.

Individual Advocacy

- Advocacy provided on behalf of individuals with disabilities in order to overcome barriers to independent living. Which include assistance in obtaining benefits, (such as IHSS, Medical / Medicare, etc.) Also, advocacy for children with disabilities through IEP/504 plans among schools.

Peer Support

- Individuals providing peer support to people with similar disabilities to adjust to and/or improve life with a disability.

Information & Referral

- Providing community resource information and referral to appropriate services.

SERVICES CONT..

Housing Referral

- Maintains a list of housing units that are accessible and affordable, as well as assistance in applying for housing programs.

Personal Care Assistance

- Counseling in the process of obtaining the necessary types of assistance to live independently (such as caregiver, reader, driver). Maintain a referral list of workers.

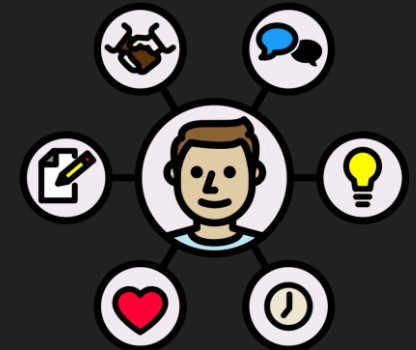

Assistive Technology

- Provide AT information regarding availability and funding for current technology that can enhance independent living.

Independent Living Skills

- Assistance in learning or re-learning ways of performing the daily activities needed to live independently, (such as budgeting, using public transit, banking, shopping, etc).

PROGRAMS:

Senior Low Vision

Provides all our services tailored specifically to individuals age 55+ with low vision or blindness.

Residential Access Modification program (RAMP)

Exterior and interior housing modification for improved accessibility. (Eligibility/ income requirements will apply.)

Transition Services

We assist consumers that are living in skilled nursing facilities to transition back to the community.

Youth transitions to Independence

Aid youth with disabilities as they transition from school to adult life.

Computer Lab

Computer lab with adaptive software, Assistive Technology, and an advocate to assist individuals with disabilities.

PUBLIC EDUCATION

- Health and Wellness Workshops
- Assistive Technology Workshops
- Disability Awareness Workshop
- Accessible Voting Workshop
- Diabetes Conversation Mapping
