Questions for Budget Engagement Commission Form

Question 1: Why do you want to serve on the Budget Engagement Commission?

A resident of Riverside since early childhood I attended local schools and graduated from UCR. My husband and I moved with our children to the Ward 1 downtown neighborhood in 1999. We thoroughly enjoy the unique history and character of this part of the city. One of the things that sold us on our current home was the historical aspect and distinct architectural designs of the homes in the neighborhood. It also possesses a special sense of community, a diverse representation of the city, and proximity to the downtown and beautiful Mt. Rubidoux.

I have always been keen on community volunteerism and activities, so after retiring from a 30-plus year career in education this past June, I was considering how and what to invest my time in terms of civic volunteerism.

While my children were growing up and I was working, I felt it important to participate in community activities. During that time, I volunteered with local arts and philanthropic organizations, and events. I am pleased to now have more time to devote to these endeavors.

As the city continues its vision to sustain and grow a vibrant city, I am certain I have the motivation, background, and skillset to participate on the Budget Engagement Commission representing Ward 1.

Question 2: Describe your experience with or knowledge of local government finance: (Attach additional pages as needed.)

In my career as a school district administrator, I have extensive experience collaborating with key stakeholders on budgetary issues. This includes the development, implementation, oversight, and analysis of budgets with a scope from the thousands to the multi-million dollar range.

I participated in the annual development and writing of the district's Local Control Accountability Plan. The Plan is a result of the historical transition of school finance to the Local Control Funding Formula during Governor Brown's last tenure. Identified goals, activities, resources (funding) and outcomes are key components. Deeply integrated into the Plan is required evidence of stakeholder engagement that ensures reflection of their identified priorities and vision. The process and resulting draft are comprehensive and diverse and includes an annual approval by the board and the Riverside County Office of Education.

I am familiar with the main components of a public budget that include 1-*Preparation*: development of expenditure estimates for departments; 2-*Approval and Adoption* by the

council; 3-*Implementation*; and 4-*Evaluation/Audit*: performance monitored and measured throughout the fiscal year.

The overall public budgetary process is something I am knowledgeable of, and confident in my ability to serve in an advisory capacity in this important aspect of city governance.

COMMUNITY POLICE REVIEW COMMISSION

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The DMV records check relates to City liability issues since Commissioners occasionally give their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

To Whom It May Concern

Subject: Thomas H. Safford, P.E.

I have known Tom Safford for approximately 22 years with 17 of those years at Western Municipal Water District as co-employees. Prior to coming to Western I was a civil engineering consultant and interacted with Tom on development projects needing plan approval within Western's area.

While at Western Tom served in several roles. These ranged from Supervising Engineer, Principal Engineer/Safety Officer, and Project Manager of Special Assignments. Given his education, experience and work ethic, he was able to work on a vast variety of issues. Examples include development of Western's Safety Program, assisting in the transition of Western taking over the water and sewer utilities of March Air Reserve Base, and many capital improvement projects such as pipelines, pumps and tanks.

In my opinion Tom's greatest strength is his cooperative nature and willingness to tackle new assignments. He has a very good nature about himself making it comfortable for co-workers, customers, developers and regulators to work well with him. His people skills have been honed by years of work experience, service on a variety of Boards and Commissions, and active involvement in industry associations. This skill set applied to projects is an asset. He also has the ability to listen and develop positions for decision-making which is a valuable resource to any organization.

Tom has always shown a high level of professionalism, is dedicated to the organization he works for, and has a strong work ethic. In fact it was an odd day that Tom wasn't the first person at work each day.

You don't work at one organization for 27 years without adding value and being committed to what you do. Tom did both.

Tom has a vast amount of experience, excellent people skills, ability to make sound decisions, and can bring value to efforts he is engaged with. He is a quick learner and from my experience with him, would expect that he would quickly become an asset.

Should you have any questions, please feel free to contact me at 951.571-7221 or at jsims@wmwd.com.

Subject: Application Renewal of Thomas H. Safford

Colleen H. Nicol, MMC:

Accompanying this letter is the renewal of application for service on the City of Riverside Planning Commission, Board of Public Utilities, or Airport Commission as requested in your letter of August 20, 2013. My preference would be for appointment to the Planning Commission but feel qualified to serve on any of the three named. I am interested in serving on these panels as a way of contributing to the future of Riverside as well as a return to a City that has served the Safford family very well for many years.

Please note that in addition to university degrees in management and engineering, I have lately retired after working for twenty-seven years as a senior staff engineer/project manager for Western Municipal Water District. I am also a military veteran and a former licensed private pilot. I have worked directly with many of the staff of the City of Riverside to include Mr. Todd Jorgenson, Water Operations Manager and Mr. Ken Gutierrez, former Director of Planning (and current interim Councilperson). Both of these individuals can attest to my professional experience and my working relations with the City of Riverside. More recently, I have worked with Mr. Paul Hamilton, Senior Plans Examiner of your Community Development Department in my role as an Elder and volunteer manager for an ADA Restroom installation project and City mandated Backflow Prevention Device Installations project for Magnolia Presbyterian Church in Riverside.

Thank you for the opportunity to renew my application to serve.

Sincerely,

Thomas H. Safford

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

COMMISSION ON DISABILITIES:

- Members should represent a cross-section of the City's disability groups and include persons with professional experience representing or supporting persons with disabilities.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

CULTURAL HERITAGE BOARD:

If applying for membership on the Cultural Heritage Board, please complete and return a supplemental application.

COMMISSION ON DISABILITIES:

If applying for membership on the Commission on Disabilities, please complete and return a supplemental application.

HUMAN RELATIONS COMMISSION:
