## ONLINE PUBLIC ACCESS CATALOG (OPAC)

The screenshot displays the Riverside Public Library OPAC interface. At the top, there's a navigation bar with 'Library Info', 'Search', 'My Account', 'CREATE A NEW CARD', and 'Help'. Below this is a search bar with a magnifying glass icon. Under the search bar, there are tabs for 'Anywhere', 'Subject', 'Title', 'Author', and 'Series'. The main content area is divided into two sections: 'New eBooks/Audiobooks (Updated Dec)' and 'New Fiction (Updated Dec)'. Each section shows a row of book covers with their titles and authors. For example, in the eBooks section, there are books like 'MERCY' by David Baldacci, 'AUTOPSY' by Patricia Cornwell, and 'WILL' by Mark Manson. In the Fiction section, there are books like 'ON WILLOW' by Elizabeth Strout, 'MICHAEL CONNELLY' by Michael Connelly, and 'WHERE I LEFT HER' by Frank Herbert. On the right side, there's a 'Quick Links' sidebar with a list of links including 'Library Homepage', 'Events Calendar', 'Online Fine Payment', 'Voxops', 'Press Enterprise', 'CloudLibrary Newsstand', 'ENKI eBooks', 'Zip Books', 'Cloud Library', 'EBSCO Periodicals', 'AR Book Finder', 'New Fiction (Dec)', 'New Non Fiction (Dec)', 'New eBooks and Audiobooks (Dec)', 'New Teen Items (Dec)', 'New Children Items (Dec)', and 'Contact Us'.

## WHAT IS OPAC?

- OPAC can be used to locate items in libraries by title, author, language, subject, format and more!
- Create a new library card account
- Place hold requests to transfer items to your home library
- Locate item information (publication date, publisher, description, series, author, reviews, biographies)
- Access your library account to check due dates, pay fines, and renew items
- All 8 locations have OPACs, and OPAC can be accessed using personal tablets, phones, or computers at anytime!
