RECOMMENDATIONS

That the Planning Commission recommend the City Council:

- ✓ Determine that Planning Case PR-2022-001313 is exempt from further California Environmental Quality Act (CEQA) review pursuant to Section 15061(b)(3) (General Rule), as it can be seen with certainty that approval of the project will not have an effect on the environment; and further that the adoption of an ordinance to implement Sections 65852.21 and 64411.7 of the California Government Code (SB 9) is not a Project and therefore not subject to CEQA; and
- ✓ Approve Planning Case PR-2022-001313 (Zoning Text Amendment and Rezoning) as outlined in the staff report and summarized in the Findings section of the report.
