25 Section 1. Findings. The City Council finds that:

- 26 (a) The foregoing recitals are true and correct;
- 27 (b) The Report contains all matters required by sections 22565 through 22574 of  
28 the Streets and Highways Code and may, therefore, be approved by the City Council;
- (c) The assessments which are proposed to be levied on all lots and parcels of

1 each such parcel from the maintenance and servicing of public landscaping and appurtenant facilities,  
2 parks, and park and recreation improvements;

3 (d) The proportionate special benefit derived by each such parcel has been  
4 determined in relationship to the entirety of the capital cost of the maintenance and servicing of the

6 to the special benefits derived solely by parcels located within Zone A, which are allocated  
7 proportionally among those parcels within Zone A;

8 (e) The amount of the assessment which is proposed to be assessed on each such  
9 parcel is based upon and will not exceed the reasonable cost of the proportional special benefit  
10 conferred on the parcel; and

11 (f) The amounts of the assessments which are proposed to be levied on lots and  
12 parcels of assessable land within the District for fiscal year 2022-2023 will not exceed the maximum  
13 amount authorized by a vote of the property owners in the District in an election for that purpose.

14 Section 2. Intention. The City Council declares that it intends to levy assessments on all lots  
15 and parcels of assessable land within the District for fiscal year 2022-2023, as set forth in the Report.  
16 Those assessments will be collected at the same time and in the same manner as county taxes are  
17 collected, and all laws providing for the collection and enforcement of county taxes shall apply to the  
18 collection and enforcement of the assessments.

19 Section 3. Improvements. The improvements authorized for the District are:

20 (a) The installation or planting of landscaping (as defined in the Act);

21 (b) The installation or construction of statuary, fountains, and other ornamental  
22 structures and facilities;

24 of the foregoing or which are necessary or convenient for the maintenance or servicing thereof  
25 including, but not limited to, grading, clearing, removal of debris, the installation or construction of  
26 curbs, gutters, walls, sidewalks or paving, or water, irrigation, drainage, or electrical facilities;

27 (d) The installation of park or recreational improvements including, but not limited  
28 to, all of the following:

4 (e) The maintenance or servicing (as both such terms are defined in the Act), or  
5 both, of any of the foregoing; and

6 (f) The acquisition of land for park, recreational, or open space purposes.
