MONTHLY UTILITY SURCHARGE

Aircraft Hangar (2,499 sq. ft. or less)	\$15/hangar
Aircraft Hangar (2,500 sq. ft. or more)	\$25/hangar
Terminal Office Space	*

* Monthly charge will be based on average of previous 12 month total for Terminal bldg. and prorated per sq.ft. of office space leased. Covered months will be Nov – Oct, with fee applied in Jan of each year.

Term/Conditions:

- Hangars for private use and aircraft tie-downs will be executed as month-to-month leases.
- Ground leases may be executed as month-to-month or long term.
- Leases with terms/conditions outside the parameters of this Leasing Program will be negotiated on a case-by-case basis by the Airport Manager and approved by City Council.
- Subletting is not permitted under short or long-term leases. This condition does not apply to Development Agreements.
- Terms and Conditions under Development Agreements are negotiable on a case-by-case basis.

Common Area Maintenance:

- The City will be responsible for the maintenance of the common areas including landscaping, public parking lot and public parking lot lighting. The City will also be responsible for fees associated with water, trash, and electrical services that serve the common areas.
- When a tenant's leased space is equipped with separate utility meters, tenant is responsible for paying associated utility fees.

City's Obligations:

- The City will, at its sole discretion, determine if a business wanting to lease space at the Airport conforms to FAA requirements.
- With exception of restaurants and hotels, non-aviation businesses may operate at the Airport under month-to-month leases only.

- The City will be responsible for the City-owned buildings on the Airport, to include, but not limited to, structural portions of buildings, as stipulated in the respective lease.
- Leased space provided with dedicated HVAC systems will be offered a 1-year warranty from the date of lease execution. Following the warranty period the Tenant will be responsible for all maintenance, servicing and replacement of the HVAC system at the Tenant's sole expense.

Tenant's Obligations:

- Tenant will be responsible for paying all possessory interest taxes. The Tenant is also responsible for notifying the County of Riverside in the event of any changes to the lease agreement affecting possessory interest taxes.
- Commercial Tenants will obtain and maintain a current business tax certificate from the City of Riverside and be registered with the State of California to conduct business within the State.
- Tenants will be required to:
 - Maintain, repair or replace the HVAC system dedicated solely to serving their leased space, at the Tenant's sole expense;
 - Maintain all systems in their space, including but not limited to, plumbing and electrical systems;
 - Maintain systems such as grease traps or clarifiers that serve their space whether these systems are installed inside or outside of their leased space.
 - Maintain, repair or replace any glass, whether the glass is in the windows or the doors of the leased space.
- Terminal Building Tenants will be responsible for paying a pro-rated monthly utility fee when those utilities also serve common areas in the Terminal Building. Fees will be adjusted annually based on the previous 12 month average of total electrical charges and adjusted for each Tenant's square foot of leased space in the Terminal Building. All other tenants will either be subject to a monthly utility surcharge fee or pay for separately metered utility costs.

Tenant Improvements:

- Tenant will be responsible for maintaining and installing all tenant improvements required for their business.
- Tenants shall provide the Airport Manager with a copy or plans for proposed improvement, or conceptual drawings, before submission for plan check and approval from the City. The Airport Manager will provide Tenant written

approval/non-approval of the proposed improvement within 10 working days. Tenant will provide Airport Manager with a full set of “as-builts” when project is completed.

- The cost of Tenant improvements will be the responsibility of the tenant. However, in an effort to attract additional commercial activity to the airport, the Airport Manager may negotiate rent abatement or reduced rent. Rent abatement will not exceed the equivalent of three (3) month's rent. Reduced rent will be negotiated on a case-by-case basis. The City shall not reduce rent in such amount as to fully reimburse Tenant improvement costs.
- Upon lease termination, all permitted tenant improvements will revert to the City at no cost to the City, unless specifically detailed otherwise in the Council approved lease agreement, and/or approved by the Airport Manager. All Tenant improvements not approved by the Airport Manager, or those improvements that did not receive proper building/construction permits, shall be returned to the original condition, unless otherwise approved by the Airport Manager.
- Tenants are required to obtain, and maintain in an active status, all necessary permits and insurance documents prior to improving their leased spaces and shall be responsible for all costs for same.

Lease Agreements:

- Provided a new negotiated lease is within the adopted Lease Program parameters above and approved by City Council, no additional approval by the City Council will be required.

Security Deposits

- Deposits for Leases are refundable unless:
 - The Tenant fails to provide the required 30 day advance notice to vacate, as stipulated in the Lease Agreement, and/or
 - There is damage to the leased space, and/or
 - Past rent is due.

Execution:

- The Airport Manager may negotiate all leases.
- All month-to-month leases may be executed by the General Services Director, the Deputy/Assistant General Services Director, or the Airport Manager.

- Leases other than a month-to-month terms may be executed by the City Manager, or his/her designee, after the lease has been reviewed and approved by the City Council.

Event Permits

- Tenants or organizations/businesses that seek to host an event at the Airport are required to submit a City-Wide Special Event Application that is required 90 calendar days prior to the event.

Definitions

- Improved Land – land that has been improved with asphalt, concrete, but does not necessarily include utilities or structures.
- Unimproved Land – land that is not improved with asphalt, concrete, or utilities, and has a surface commonly known as “native soil”.
- CPI – Consumer Price Index for All Urban Consumers (CPI-U) for the Riverside-San Bernardino-Ontario Standard Metropolitan Statistical Area (“Index”) as published by the Bureau of Labor Statistics of the United States Department of Labor
