

Library Infrastructure Grant Contingency was added to Measure Z Spending Plan with the recent unanimous approval of the City Council on March 15, 2022, for the allocation of \$6.5 million in contingency funding for a California State Library Building Forward Library Infrastructure grant. Should the California State Library Building Forward Library Infrastructure Grant submission fail the \$6.5 million contingency will be added back to available Measure Z reserves.

Critical Unfunded Needs

On June 9, 2022, the final proposed budget is scheduled to be presented to the Budget Engagement Commission for input.
