#### RECOMMENDATION

To receive and file an update on the California Citrus State Historic Park improvements.

#### BACKGROUND/DISCUSSION

At the January 19, 2022, Cultural Heritage Board meeting, Board Member Brown requested that an item be added to the next available agenda to receive an update from the Friends of California Citrus Park on proposed improvements at the California Citrus State Historic Park.

#### STRATEGIC PLAN

This item contributes to the Envision Riverside 2025 City Council Strategic Priority 1 – Arts, Culture, and Recreation (Goal 1.3 – Improve parks, recreational amenities, open space, and trail development, and fulfill critical lifecycle and facility maintenance needs).

This item aligns with the following Cross-Cutting Threads:

1. Community Trust: This update on the California Citrus State Historic Park improvements is being provided at a public meeting of the Cultural Heritage Board and the public is able to provide comments.
2. Equity: California Citrus State Historic Park improvements are open to all residents.
3. Fiscal Responsibility: California Citrus State Historic Park improvements are under the purview of the California Department of Parks and Recreation and the Friends of California Citrus Park. No City General Funds are being provided to support the project.
4. Innovation: California Citrus State Historic Park improvements will make use of new technology for meeting the park's mission of storytelling and park interpretation.
5. Sustainability and Resiliency: California Citrus State Historic Park improvements will preserve and maintain citrus agriculture for future generations.
