**RE: Quick Quack Car Wash – SUPPORT**

Dear Chair Kirby:

On behalf of the Greater Riverside Chambers of Commerce, representing over 1,200 local employers and 110,000 jobs in the Inland Southern California region, I am writing to express our **SUPPORT** for the automated vehicle wash facility, Quick Quack Car Wash, located at 360 E. Alessandro. This item is slated to appear for discussion at the April 28 Planning Commission meeting.

The proposed self-automated vehicle wash facility will provide another amenity to the growing community and revitalize the current site. In addition, the proposed building renovations will unify and complement the current surrounding shopping centers in the area.

The proposed vehicle wash will generate sales tax revenue to the city, generate jobs, and beautify the vacant area. For these reasons, the Chamber requests your support of the proposed Quick Quack Car Wash.

Thank you for your consideration. Should you have any questions, please do not hesitate to contact me at 951-683-7100.

Respectfully,

Cindy Roth  
President/CEO
