BACKGROUND:

On December 16, 2020, the City of Riverside entered into an agreement with BEK Impact Corporation for “Fully Present” Engagement Training for the Police Department in the amount of \$38,250 for nine sessions in a 12-month period. DISCUSSION

The “Fully Present” Engagement Training has been added to the training schedule for all Riverside Police Department sworn personnel and is tailored to reach the African American community. BEK Impact Corporation shares the “Fully Present” principals and how to integrate the mindset, beliefs, behaviors, and language as police officers. The Police Department would

like to continue this training for the current two-year training cycle, which ends December 31, 2022, and the next two-year training cycle between January 1, 2023 and December 31, 2024.

Therefore, the Police Department is requesting City Council approval to enter into the proposed Service Agreement with BEK Impact Corporation, of Moreno Valley, California, for “Fully Present” Engagement Training.

This agreement is being entered into in accordance with Purchasing Resolution No. 23812, Section 403, which states “Competitive Procurement shall not be required for Information Technology software maintenance and license renewals; training; advertising; or professional recruitment services where the Manager is satisfied that the best price; terms and condition for the Procurement thereof have been negotiated.”

The Purchasing Services Manager concurs that the recommendation is in compliance with Purchasing Resolution No. 23812, Section 403.
