Waster Permanente is building to expand our services at four locations across Riverside County, This represents

Kaiser Permanente is building to expand our services at four locations across Riverside County. This represents a **\$1.2 billion investment** in our Riverside area facilities to better serve our members and community. In many cases, this will make it possible for members to receive primary and specialized care closer to home.

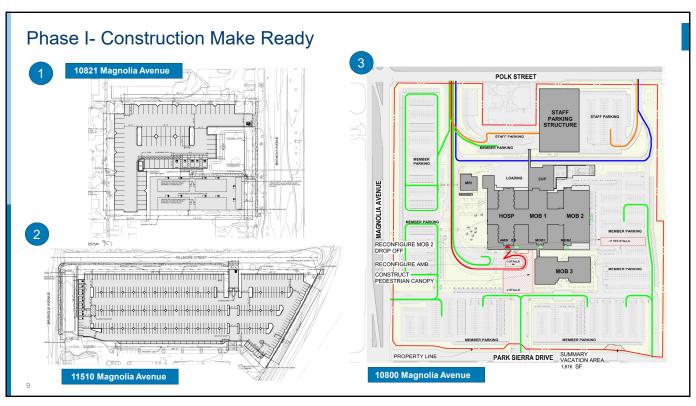

Riverside Medical Center Expansion

- 5-story Hospital Tower
 - · Single occupancy rooms
