Persons not so required to obtain a certificate prior to doing business within the City nevertheless shall be liable for payment of the tax imposed by this chapter.

Nothing contained in this chapter shall be construed to relieve the obligation to obtain a separate certificate and to pay the appropriate business tax required for each business owned or conducted by a separate owner within an individual establishment or location, whether under the same management or not.

Any person who operates any business, whether upon a cost, rental or commission basis as a concession or upon rented floor space in or upon the premises of any person taxed under the provisions of this chapter, shall be required to obtain a separate and independent certificate pursuant to this chapter except as may be otherwise specified hereinafter.

No certificate shall be issued to any person failing to obtain any regulatory permit or otherwise comply with any other provision of this Code having to do with the regulation of any trade, business or occupation.
