10. Japanese American Heritage and the Quest for Civil Rights in Riverside, California, 1890s-1970s – Completed 2011 (Exhibit 10)

11. Citywide Modernism Intensive Survey – Completed 2013 (Exhibit 11)
12. Chinese Americans in Riverside: Historic Context Statement – Completed 2016 (Exhibit 12)
13. Latino Historic Context Statement – Completed 2018 (Exhibit 13)

## STRATEGIC PLAN

This item contributes to the Envision Riverside 2025 City Council Strategic Priority 2 – Community Well Being (Goal 2.3 – Strengthen neighborhood identities and improve community health and the physical environment through amenities and programs that foster an increased sense of community and enhanced feelings of pride and belonging citywide).

This item aligns with the following Cross-Cutting Threads:

1. Community Trust: The discussion on potential historic districts discussion is being provided at a public meeting of the Cultural Heritage Board and the public is able to provide comments.
2. Equity: The discussion on potential historic districts is available to all residence and can be viewed both in person and virtually.
3. Fiscal Responsibility: The discussion on potential historic districts has no impact on City General Funds. If a historic district is to be identified for further study, grants and community volunteers will be sought to complete the designation.
4. Innovation: The discussion on potential historic districts will help identify future historic districts based on new information and new approaches to historic preservation.
5. Sustainability and Resiliency: The discussion on potential historic districts may help preserve and maintain the City's collective history for future generations.
