GOAL 1

1. Increase Housing Production with a Focus on Affordability	<ol style="list-style-type: none"> 1. Ensure 90% of expiring affordable housing covenants are maintained. 2. 5% increase in affordable housing units inventory. 3. 550 market rate and affordable housing units built per year. 4. 55 for-sale market rate and affordable housing units built per year. 5. 5% increase in number of sites developed from 2018 Housing First Plan.
A. Affordable Housing	The City has 689 affordable housing units in the project pipeline for development that include permanent supportive housing and housing for families and seniors. Project Legacy will provide 48 permanent supportive housing beds with bilingual behavioral health, workforce development, harm reduction services, fitness, nutrition and other services to LGBTQ+ youth, seniors, and people living with HIV. The project will include permanent supportive housing for 48 residents and one housing manager. A commercial building on the site will become an on-site community Health and Justice Center, including TruEvolution's offices.
B. Market Housing Element and City and Housing Authority Owned Sites to Developers	Develop a webpage whereby developers can quickly identify housing sites identified in the 6 th Cycle Housing Element and sites owned by the City- and Housing Authority-owned, showing the zoning and potential densities.
C. Implement Inclusionary Housing	Create an inclusionary housing program that helps develop affordable housing within private developments for lower income families by requiring that a certain percentage of new residential units are rented to lower-income residents. Developers can also be provided an option to choose an alternative to providing the affordable units in the form of in-lieu fees or providing affordable units at a different location.

GOAL 1 (cont.)

D. Receive Annual Progress Report on 6 th Cycle Housing Element	<p>The City of Riverside must prepare an Annual Progress Report (APR), submitted to the California Office of Planning and Research and the Housing & Community Development Department, reporting on the status and progress of the General Plan, including the 6th Cycle Housing Element implementation. The Planning Division presents the APR to City Council in the first quarter of each year before submitting to the State.</p> <p>The City is mandated by the State to produce housing at different income levels that meet the Regional Housing Needs Assessment (RHNA) requirement of creating 18,458 total housing units</p>
E. Leverage State and Other Resources to Encourage First-Time Homebuyers	The Housing Authority will market state and other first-time homebuyer resources and first-time homebuyer workshops to help low-income households achieve the dream of homeownership.
F. Research Ongoing Affordable Housing Funding Streams	To address the affordable housing crisis, the Housing Authority will research dedicated funding streams that can assist in the developments of affordable housing units for extremely low- to low-income households and alternative housing options.
G. Housing Locators	Assist individuals and families who have received a rental assistance voucher with transitioning out of homelessness by locating a housing unit. They educate owners, landlords, property managers on rental assistance vouchers and the landlord liaison program. They also work closely with property manager and the case manager to address any tenant related concerns.
