3. Authorize, the City Manager, or designee, to execute all grant documents including making minor and non-substantive changes as needed.

BACKGROUND:

Riverside Public Library's Adult Literacy Program trains volunteers to provide independent learning opportunities to adults in the Riverside community who want to improve their reading, writing and technology skills through one-on-one and group tutoring. The literacy program changes lives through enhancement of skills that lead to self-sufficiency.

The State budget contains funding at \$4.82 million for adult literacy services and \$2.5 million for family literacy services administered by the California State Library.

The California State Library for Family Literacy Program funds support adult learner-centered strengths-based family literacy services that are grounded in California Library Literacy Services values and supported by strong coordination between the California Library Literacy Services program, library administration, and other library staff, as well as external partnerships with other organizations serving families and children.

The funds are intended to support family literacy services for English-speaking adults with low literacy skills and their families.

DISCUSSION:

The Riverside Public Library submitted a grant application to the California State Library for a California Library Literacy Services grant for the Adult and Family Literacy Programs.

On September 21, 2022, the California State Library approved the Library's grant application and awarded a first installment of \$49,731 (Adult Literacy Services for \$24,531 and Family Literacy Services for \$25,200). The final estimated payment installment of \$2,726 is based on a per capita amount of literacy learners served during the prior year, combined with a match of the amount of local funds raised and expended on the literacy program in the prior year by the library jurisdiction.

Funds must be encumbered by June 30, 2023, and fully expended by December 31, 2023. Encumbered funds are those that have been deposited in the designated account and for which a budget has been provided to and approved by the State Library. The total allocation is identified in the following table.

	Adult Literacy Services	Family Literacy Services	Total Allocation
Initial Award Payment	\$24,531	\$25,200	\$49,731
Estimated Final Award Payment	*\$2,726	-	*\$2,726
Total (Estimated)	\$27,257	\$25,200	\$52,457

*Estimated based on a per capita amount of literacy learners served during the prior year combined with a match of the amount of local funds raised and expended on the literacy program in the prior year by the library jurisdiction.

The California State Library and California Library Literacy Services have not yet determined what the full amount of the final installment will be for fiscal year 2022/23. Once the attached claim form is signed and reports are submitted to the State Library, final payment will be made to the Riverside Public Library. Grant funds will be used for materials in support of tutors and learners in the program.

In accordance with the City Grant Administration Policy 01.006.00, the Library Department Director evaluated the award to determine the benefit to the customers of the City's Library, long and short-term financial implications, feasibility and compatibility with existing City priorities/goals and services and determined the community and City would benefit by accepting this award.
