FINAL RULE – KEY CHANGES

- a. Allows recipients to select between a standard amount of revenue loss or complete a full revenue loss calculation.
- b. Some eligible uses have been re-categorized in the organization of the final rule to enhance clarity.
- c. Clarifies that recipients can use funds for capital expenditures that support an eligible COVID-19 public health or economic response.
- d. Expanded set of households and communities that are presumed to be “impacted” and “disproportionately impacted” by the pandemic.
- e. Makes certain community development and neighborhood revitalization activities eligible for disproportionately impacted communities.
- f. Broader set of uses to restore and support government employment.
