## **ISSUE:**

Consider a recommendation to the City Council for an award of RFP 2203 for Sponsorship Asset Inventory, Valuation, Naming Rights and Sales to the Superlative Group, Inc., for a consultant retainer of \$317,625 and 15% commission on potential sales.

## **RECOMMENDATIONS:**

That the Committee recommends to the City Council:

1. Award of RFP 2203 for Sponsorship Asset Inventory, Valuation, Naming Rights and Sales to the Superlative Group, Inc., for a consultant retainer of \$317,625 and 15% commission on potential sales;
2. With at least five affirmative votes, authorize a supplemental appropriation in the amount of \$317,625 in the General fund, City Manager-Administration, Professional Services Account; and
3. Authorize the City Manager, or designee, to execute the Professional Services Agreement, including execution of the optional extension for one six-month period and making minor and non-substantive changes as necessary.

## **BACKGROUND:**

On May 5, 2020, the City Council approval a Citywide Partnership (Naming Rights) Policy that set parameters for consideration of corporate sales of naming rights for various municipal assets. City Council also directed staff to release a Request for Proposals (RFP) for consultant services to assist the City in development and implementation of the Corporate Partnership Program. On June 18, 2020, the City issued RFP 2028 for a naming rights consultant, but this solicitation was withdrawn as the City began implementing emergency Covid-19 policies that impacted City operations.

**DISCUSSION:**

With the hiring of a Grants Administrator in late 2021, the City Manager directed that the City’s Corporate Partnership Policy be revisited in terms of implementation pursuant to the City Council’s May 5, 2020 direction. After conducting nationwide research and soliciting input from various municipal departments (e.g., Museum, Library, Parks, Recreation and Community Services), the City issued a new RFP 2203 on August 4, 2022, that more comprehensively covered municipal needs for starting a naming rights program, including a market analysis for potential Riverside naming rights, updating an existing list of potential naming rights opportunities that was compiled in 2020, structuring a naming rights program in terms of implementing policies and best practices, recommending contractual language for potential partnerships, and guiding the City in initial naming rights negotiations through completion of a first set of deals.

Three bidders expressed interest in RFP # 2203. A review panel consisting of five staff members from the City Manager’s Office, Community & Economic Development Department, Riverside Public Library, and Museum of Riverside reviewed the proposal from Superlative Group, Inc., and found it to be both responsive and competitively priced. The other bidders were as follows:

<b>Consultant</b>	<b>Bid Amount</b>
Team Services., LLC - Rockville, MD	\$169,500
Sign Value – Mesa, AZ	\$60,000

This report aligns with each of the five cross-cutting threads as follows:

2. **Equity** – Outside funding can be used to allow more City departments to be creative and competitive for grants, resulting in a more equitable distribution of funding opportunity that can reach populations citywide.
3. **Fiscal Responsibility** – The City ensures to maximize outcomes in usage of naming rights capitol as a way to lessen pressure on the General fund.
4. **Innovation** – This funding provides the City with the ability to create an innovative program for building capacity with the result in receiving greater external funding.
5. **Sustainability & Resiliency** – Riverside builds capacity by finding new resources that allow departments to adaptively address resident needs.

### **FISCAL IMPACT:**

The total fiscal impact of this item is \$317,625. Upon City Council approval, a supplemental appropriation in this amount will be recorded in the General Fund, City Manager-Administration, Professional Services Account 1100000-42100. The funds for this action are available in the unrestricted, uncommitted General Fund balance. It is expected that the City would be reimbursed
