

CONSULTANT ADMINISTERED ENERGY EFFICIENCY DIRECT INSTALLATION PROGRAMS

Customer Engagement

Board of Public Utilities
November 28, 2022

RiversideCA.gov

BACKGROUND

1. In the early 2000's, RPU began offering energy efficiency programs to its customers
2. Direct Installation Programs created to reach a large segment of RPU electric load
3. Direct Installation programs were previously administered via a SCPPA contract

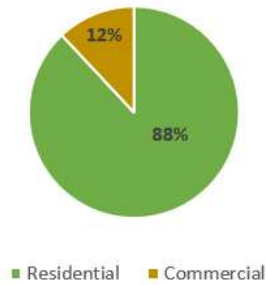

2

RiversideCA.gov

DISCUSSION

1. RPU's customer base plays a major role in determining program offerings
2. Commercial customers represent 12% of the customers and 65% of the electric load
3. Historically, nearly half of RPU reported kWh savings resulted from Direct Installation Programs

RECOMMENDATIONS

That the Board of Public Utilities recommend that the City Council:

1. Approve a Professional Consultant Services Agreement from Request for Proposal No. 2137 for a Consultant Administered Direct Installation Services for Outdoor Lighting Program with Richard Heath and Associates, Inc., of Fresno, California, for a three-year term with two optional one-year extensions, in the amount of \$1,250,000;
2. Approve a Professional Consultant Services Agreement from Request for Proposal No. 2138 for a Consultant Administered Refrigerated Load Program with Staples & Associates, Inc., of Bakersfield, California, for a three-year term with two optional one-year extensions, in the amount of \$250,000;
3. Approve a Professional Consultant Services Agreement from Request for Proposal No. 2139 for a Consultant Administered Direct Installation Services for Small Business Program with Richard Heath and Associates, Inc., of Fresno, California, for a three-year term with two optional one-year extensions, in the amount of \$1,250,000; and
4. Authorize the City Manager, or designee, to execute the Professional Consultant Services Agreements, including making minor and non-substantive changes to the agreements.
