WHAT IS COMMUNITY ENGAGEMENT?

- When the community is and feels a part of a process.
- A collaborative process that connects
 City Staff with the community in a mutually
 beneficial way by the sharing of new
 ideas, skills, knowledge, expertise, and
 experience.
- The range of opportunities for public involvement in the decision-making process, relationship building, and

community strengthening.

TOOLKIT CONTINUED

The Community Engagement Toolkit utilizes Policy framework and acts as a resource for City Departments and community members. Because these documents work together, the Citywide Community Engagement Policy should be reviewed before working through the Community Engagement Toolkit.

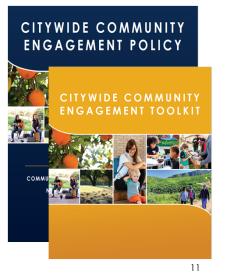

9

NEXT STEPS

Next steps to implement the CEP and Toolkit:

- a. Receive feedback from this Committee;
- b. Update documents based on recommendations as needed; and
- c. Return to Committee or proceed to City Council for consideration and implementation
