Parklet in metered area:	Annual Rent equal to the last 12-month average parking usage and current rates.

Discount Validation Booklets Program (Garages only)

A discounted validation booklets program shall be made available to downtown businesses for garage parking. Downtown businesses may purchase validation books at a 50% discount from market parking rates, as follows:

<u>Validation Book</u>	<u>Market Value</u>	<u>Discount Price</u>
50 ½ Hour Stickers	\$ 50.00	\$25.00
50 Hourly Stickers	\$100.00	\$50.00

It will be at the discretion of each participating business as to when they make the validation available, i.e. with a minimum purchase, etc.

Special Events

If a Special Event Sponsor desires to participate in the parking revenue, the following procedure shall be followed:

- The Special Event Sponsor shall submit a parking plan to the City's parking operator, which indicates anticipated attendance. Based on the information submitted, the staffing level and cost will be determined based on the actual hourly rate charged by the parking operator. Once the cost has been determined, the Special Event Sponsor will be required to guarantee that costs are recovered. Once costs are recovered, any profits shall be split between the City's parking operator and the Special Event, with the City receiving 40% and the Special Event receiving 60% of the profits.

If a Special Event Sponsor is unable or unwilling to guarantee cost recovery, it shall be at the discretion of the Public Works Director as to whether or not parking facilities shall be opened and staffed. If the decision is made to open and man the facilities, the standard parking fees shall be charged, and the City shall be the sole beneficiary of any revenue collected.

Garage 7 will charge a fee of \$5.00 upon entry after 5:00 pm weekdays and anytime on weekends and holidays when Special Events are scheduled at the Fox Performing Arts Center.

The parking rate for the Festival of Lights event on Friday, Saturday and Sunday nights shall be \$10.00 flat rate at entry and \$5.00 when pre-paid online.

When a special event is scheduled that is anticipated to increase traffic and parking demands outside of the normal hours of operation of the parking garages, the special event fee will be set at a \$5.00 flat rate per entry.

Token Program

The Token Program enables business owners to purchase tokens at a 50% discount in order to offer more flexible parking options to their customers. This program is ideal for businesses not located near a public parking garage or which have customers who prefer street parking. Tokens have no cash value and are not sold to customers nor used by business owners and employees. The City's parking operator will provide tokens at a minimum purchase of 100 tokens for \$50.

A downtown business may purchase up to 200 tokens per month at the discounted rate. Additional tokens may be purchased at the regular rate of \$1 per token.

Residential Permits – Metered Area

Residents who moved in prior to January 2007 and live within the boundaries of the Metered area are eligible to apply for a Residential Parking Permit for vehicles registered with the Department of Motor Vehicles to their address. Residents located in a metered area that do not have on-site parking may be eligible to apply for purchasing a permit at a monthly rate of \$35.00.

Business permits shall be limited to three (3) such permits upon application for the business located adjacent to a street, or a portion thereof bounded east of Market Street, to Brockton Avenue, 10th to 13th Streets. The business will be eligible to receive three (3) parking permits per 1,000 square feet in a metered parking zone according to the formula specified for Downtown Parking Standards, minus their on-site parking. Businesses would also be eligible to purchase additional permits at a monthly rate of \$35.00.

Whenever a local emergency has been proclaimed in accordance with Chapter 9.20 of the Riverside Municipal Code, the City Manager as the Director of Emergency Services may, at his or her discretion, alter the hours and/or rates set out in this Resolution, so long as the alteration is reasonably related to the protection of life and property as affected by such local emergency. Ratification by the City Council shall not be required; however, the City Manager, or designee, shall provide an update to the City Council no less than monthly throughout the duration of the local emergency and shall make such changes as ordered by the City Council.
