

## ***Chapter 9.75 RULES OF LIBRARY CONDUCT***

### **9.75.010 Purpose.**

The freedom of access to ideas, information, and technology is one of the highest priorities for the Riverside Public Library. The Board of Library Trustees affirms its support of the *Library Bill of Rights* which protects the rights of individuals to use a library regardless of origin, age, background, or views. Additionally, the Board of Library Trustees acknowledges the library's responsibilities to safeguard the accessibility of information for those who cannot afford to do so.

The Riverside Public Library has established Rules of Library Conduct for the successful running of its facilities, to maintain an appropriate library environment, and to ensure customers enjoy their library visits. The following Rules of Library Conduct were approved by the Board of Library Trustees on March 25, 2013, and are to be used by library staff in maintaining a positive and appropriate library environment.

Serious violations of the rules may result in the issuance of a written warning notice without a verbal warning.

(Ord. 7546 , § 2, 2020)

#### **9.75.050 Persons authorized to issue warning or exclusion notices.**

Library employees, in consultation with their Branch Manager, are authorized to issue warning and exclusion notices.

(Ord. 7546 , § 2, 2020)

#### **9.75.060 Issuance of warning or exclusion notices.**

- A. *Warning notice.* After the issuance of a verbal warning to a library customer for a violation of the rules or immediately upon the occurrence of a serious rules violation, a library employee may issue a written warning notice for a rules violation. The warning notice shall specify that the recipient must leave the library for the remainder of the day, and that in the event a second violation of the rules occurs within 90 days of issuance of the warning notice, that person shall be subject to exclusion from the library or the loss of some or all of his or her library privileges as the library staff may determine to be appropriate. The warning notice shall also contain information concerning the right to appeal to the Library Director.
- B. *Exclusion notice.* If a library customer has received a warning notice and again violates a provision of the rules within 90 days of the date of issuance of the warning notice, a library employee may issue a written exclusion notice excluding the person from the library or losing some or all of his or her library privileges as the library staff may determine to be appropriate. If the person is excluded from the library, the exclusion shall be for a period of no less than one month and no more than 12 months. Individuals that enter a library building during a time period in which they have been excluded by an exclusion notice will be immediately reported to the Riverside Police Department for trespass.

The exclusion notice shall specify the person that is to be excluded from the library, the period of the exclusion, the time the exclusion is to commence, any library privileges being lost and the specified period of loss, and information concerning the right to appeal the exclusion notice to the Library Director.

1. The customer's name;
  2. The customer's address and a telephone number where he or she can be reached;
  3. A concise statement as to why the customer believes that the issuance of the warning notice or the exclusion notice was invalid or unjustified; and
  4. A copy of the warning notice or exclusion notice shall be attached.
- B. *Hearing.* A hearing on the appeal shall be held no more than 15 calendar days after the filing of the appeal, except the Library Director may postpone the hearing date at the request of the customer or the library staff for good cause. The customer shall be provided notice of the hearing date, time, and location at least five calendar days prior to the hearing date. The hearing shall afford a reasonable opportunity for the customer to be present and present evidence that the warning notice of exclusion notice is invalid or unjustified. The decision of the Library Director shall be final and in writing.

At the hearing, the library staff shall have the burden to show by a preponderance of evidence that the warning notice or exclusion notice was based on and justified by a violation of the rules.
